APPENDIX: Resources and Activity Worksheets

Slide 8: Basket of Goods

Put two baskets at opposite ends of the classroom. Label one "Want" and the other "Need". Give each student an item from the classroom or images and ask them to put their item in one of the two baskets. Review the results for accuracy and ask WHY they are choosing the category they are.

Slide 9: Voting

Give each student a two-sided card. One side says "Want" and one side says "Need". Go through the slides and ask them to show whether an image is a want or a need. Discuss.

Slide 32: Drawing Connections

Give each student a copy of the Needs / Wants Sort worksheet. Ask them to draw lines from the 8 items to the appropriate column.
