MESENTERY AND PERITONEUM

COMMUNICATING THE HIGHEST QUALITY RESEARCH IN MESENTERIC AND PERITONEAL SCIENCE

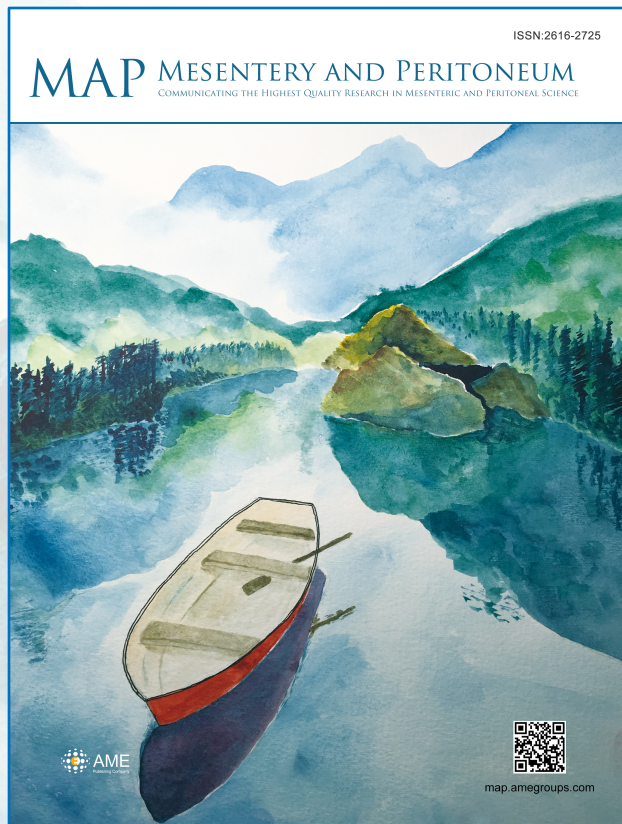

2018 BRIEF REPORT

Editorial Office
map@amegroups.com

Outline of The Report

- 1. Basic Introduction
- 2. Editor-in-Chief
- 3. Message from the Editor-in-Chief
- 4. Editorial Board Members
- 5. Collaboration with International Meetings
- 6. Articles Published in MAP
- 7. AME Publishing Company

1. Basic Introduction

- Founded in Jan 2017
- International, Peer-Reviewed, Open-Access, User-Friendly
- An interdisciplinary forum that aims to promote and distribute the highest quality research in the field of mesentery and peritoneum across all stages of life
- Minimize the duration of review and publication processes whilst maintaining the highest standards of each

2. Editor-in-Chief

J Calvin Coffey , BSc., PhD, FRCSI, CS

Professor, Foundation Chair of Surgery,
Consultant Open/Laparoscopic/Robotic
Colorectal Surgeon, University of Limerick,
University of Limerick Hospitals Group,
Limerick, Ireland.

3. Message from Editor-in-Chief

On behalf of the editorial team of Mesentery and Peritoneum (MAP), we would like to extend our heartfelt appreciation to the distinguished editorial board members, section editors, authors, reviewers and readers, who have contributed and supported the journal since its birth.

In the new year of 2019, we hope to collaborate with more excellent international experts in the field of mesenteric and peritoneal science to bring more high-quality publications to global readership, and move MAP to a new stage!

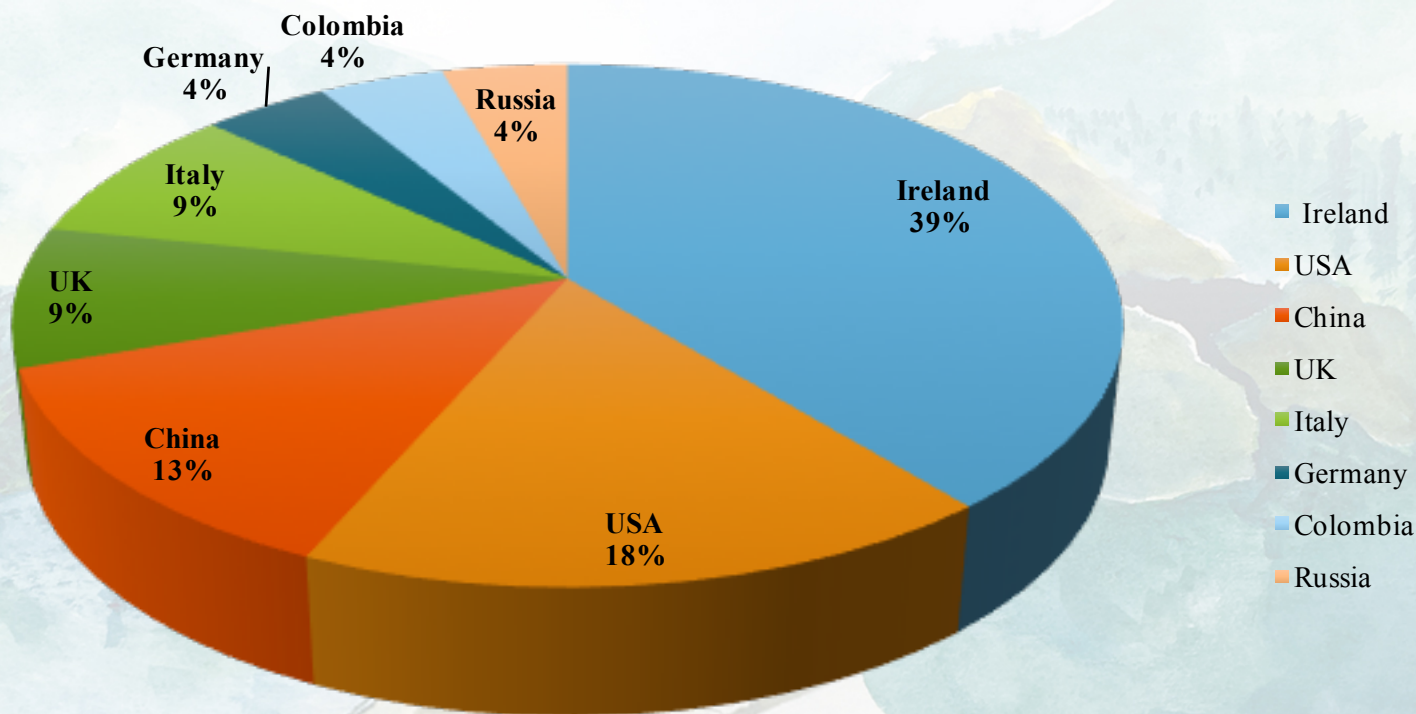

Professor J Calvin Coffey , BSc., PhD, FRCSI, CS
Professor, Foundation Chair of Surgery,
Consultant Open/Laparoscopic/Robotic Colorectal Surgeon,
University of Limerick,
University of Limerick Hospitals Group,
Limerick, Ireland

4. Editorial Board Members

MAP features with a distinguished and impactful editorial board, which has embraces worldwide renowned experts covering all fields of mesentery and peritoneum.

Editorial Board Members: International Geographical Distribution

Updated on Dec 31, 2018.

- **18** indexed in PubMed/PMC/MEDLINE
- **110+** Medical Books
- **50+** Medical Books in English
- **50+** Medical Books in Chinese

A watercolor illustration of a mountain landscape. In the foreground, a small wooden boat with a red hull and a blue stripe is on a body of water. The background shows rolling green mountains, a forest of dark evergreen trees, and a winding river or stream. The overall style is soft and artistic.
