RON JAWORSKI
Majority Owner

After a 17 year distinguished career as an NFL quarterback, today Jaworski is coaching football fans on TV as the color commentator on ESPN's Monday Night Football, where he joins Mike Tirico and Jon Gruden on set. ESPN'S Mike Tirico said, "If you made a list of 10 guys on TV in any sport as an analyst who you'd want to have a beverage with and watch a game, he's [Ron Jaworski] high on that list."

In addition to Monday Night Football, Jaworski breaks down the X's and O's of NFL games on the NFL Match-Up Show (ESPN), with Merrill Hoge and Sal Paolantonio.

Jaworski's passion for football can be traced back to his days as a kid growing up in gritty steel town of Lackawanna, NY.

A three-sport stand out in high school (football, basketball and baseball), Jaworski was drafted by the St. Louis Cardinals out of high school. He wanted to go play baseball immediately, but his father pushed for college first, and Jaworski's football talents brought him to Youngstown State where he excelled as the quarterback for the Penguins.

The Los Angeles Rams drafted Jaworski in the second round of the 1973 NFL Draft. After four years with the Rams, Jaworski joined the Philadelphia Eagles in 1977. Under head coach Dick Vermeil and behind Jaworski's ability and field leadership, the Eagles advanced to their first-ever berth in a Super Bowl vs. the Oakland Raiders. Jaworski finished the 1980 season as the No. 1-rated passer in the NFC and was the 1980 NFL MVP.

Along the way, Ron became known as Jaws. The name was hung on him by his next-door neighbor at the time, Doug Collins, who was a star guard for the Philadelphia 76ers and today is their coach. "He didn't come up with Jaws because of that shark movie, though." Jaws says,"Doug said it was because my mouth was always open, talking."

Until Ron suffered a broken leg at St. Louis during the 13th game of the 1984 season, he had started 116 straight NFL games, a record for most consecutive starts. Jaws held that record until 1999, when Brett Favre broke it.

Today, Jaworski lives in Southern New Jersey and is civically active. Jaworski is committed to the Jaws Youth Fund, a partnership between his family and United Way. To date, the Jaworski family is proud to have donated over \$3 million to at-risk youth.

Ron owns an exclusive business development company called Business Clubs America as well as owning 3 Ron Jaworski Signature Golf courses in South Jersey.

Jaworski also serves as the President of the Maxwell Football Club, Co-Majority Owner of the Philadelphia Soul and sits on the boards of PNC Bank.

The South Jersey Chamber of Commerce awarded Jaworski the Pinnacle Award for his outstanding volunteer work and longtime service to South Jersey Chamber & business community. The United Way honored Jaworski with their Volunteer Leadership Award, the highest award given by United Way.

Jaworski is married to his high school sweetheart Liz; has three children, Joleen, Jessica and BJ, and two grandsons Ryan & Colin.

PETE CIARROCCHI

Ownership Group

Pete Ciarrocchi is a proud, new member of the Philadelphia Soul ownership group.

Mr. Ciarrocchi is the Chairman and CEO of Chickie's & Pete's Crab House and Sports Bar, an expanding chain of restaurants that has become part of the true fabric of the city of Philadelphia and an avid sports fan's "must stop" before, during, or after the game.

Chickie's & Pete's began in 1977 as a comfortable, family-oriented, corner taproom where Pete experimented with and perfected his winning concept. Pete's infectious, befriending enthusiasm, love of sports, and unique menu had the neighborhoods of the Great Northeast flocking. With the invention of Crabfries®, the world of Chickie's & Pete's was never the same. In 1998 Chickie's & Pete's became the first-ever private restaurateur to operate within Veteran's Stadium. The team- and press-friendly environs were chosen as the site of Eagles Head Coach Andy Reid's day-after-the-game press conferences. This atmosphere laid the foundation for Chickie's & Pete's to become the sports media and fan reaction hub it has become today.

Chickie's & Pete's has expanded greatly since, adding locations at the Boulevard in the Northeast, on Packer Avenue in South Philadelphia, and in both Bordentown and Egg Harbor, NJ. Most recently, Pete has introduced PLAY2 interactive sports bar as an extension of the Packer Avenue store and as the cornerstone of his newest location at Parx Casino in Bensalem. The brand also has grown three locations at Philadelphia International Airport and a total of 22 concessions at Lincoln Financial Field, Citizens Bank Park, The Wells Fargo Center, Waterfront Park, Campbell's Field, PPL Park, and The Liacouras Center. Chickie's & Pete's is rated the #1 Sports Bar on the East Coast by ESPN and Best of Philly, among numerous other awards.

Pete serves on the Aria Health Foundation Board of Trustees and on the Holy Family University Business Advisory Board. He participates in many philanthropic ventures and is an active member of The Polish-American String Band. Pete is a native of Philadelphia and resides happily with his wife Lisa and three boys Peter, Blaise, and Anthony.

MIKE HOHENSEE
Head Coach

One of the AFL's most-recognizable figures, Hohensee is the only person to be involved with the league, either as a player or a coach, all 24 years in League history. He has been a Head Coach for 16 seasons (Washington, Albany, Anaheim, New England, and Chicago), Assistant Coach for five seasons (1989 with the Chicago Bruisers; 1991-93 and 1998 with Albany), and quarterback for two seasons (1987-88 with Pittsburgh).

Hohensee spent his previous nine seasons at the helm for the Chicago Rush where he guided the team to a 93-64 overall record, nine playoff appearances, four Central Division titles, one conference championship and the ArenaBowl XX title. He is the League's third-winningest coach of all-time (behind Tim Marcum and Danny White), posting a career 140-112 record and is tied for No. 4 all-time with postseason wins. He recorded the 100th win of his career on April 23, 2006 against Las Vegas.

In addition to the ArenaBowl XX victory in 2006, Hohensee has seven division titles (1994-96 with Albany; 2002, 04, 07, 08 with Chicago) and eight total trips to the AFL semifinals (1994-96 with Albany; 2002, 04, 05, 06, 07 with Chicago). His streak of taking his teams to the playoffs for 10 straight years (including his time in New England) is the longest active streak in the AFL.

During his AFL career, Hohensee has coached against 49 different franchises. He was hired as the first head coach in Rush history on September 26, 2000, after spending the previous two seasons as Head Coach and Director of Player Personnel for the AFL's New England Sea Wolves.

Hohensee began his coaching career as an assistant for the Chicago Bruisers in 1989, becoming the first former AFL player to join the League as a coach. He then became the youngest head coach in League history when he took over the Washington Commandos in 1990.

Prior to his coaching career, Hohensee spent time playing professionally in the AFL, USFL, CFL, and NFL. He spent two years playing for the AFL's Pittsburgh Gladiators (1987-88). Hohensee threw the first touchdown pass in AFL history on June 19, 1987, against Washington – a 42-yard pass to wide receiver Russell Hairston. He also participated in the first ArenaBowl. While with the Gladiators, he threw for 2,031 yards (178-of-304), 39 touchdowns and only 4 interceptions, and had a career record of 7-4 as a starter, before his career was ended by a neck injury.

In the USFL, Hohensee played for the Washington Federals, where he completed 323-of-591 passes (55%) for 4,063 yards and 26 touchdowns and rushed for 141 yards and 4 touchdowns over the span of two seasons. He also spent time with the Ottawa Rough Riders and Toronto Argonauts of the CFL. During the 1987 NFL season, Hohensee saw action with the Chicago Bears where his head coach was Chicago Rush Owner Mike Ditka.

Hohensee was an All-American quarterback at Mt. San Antonio Junior College before transferring to the University of Minnesota. As a Golden Gopher (1981-82), he was the team's MVP and the University's Athlete of the Year after both seasons. He was a member of the 1982 All-American Strength Team and was inducted into the University's M Club Hall of Fame in November 2000.

Hohensee was born February 22, 1961, in Inglewood, CA. Mike and his wife, Deborah, reside in St. Charles, IL, and have two children, Cayla and Michael Jr. Hohensee also has a son, Chadd, who lives in CA.

HISTORY OF THE SOUL

Player: Martin Bibla

Position: OL

**Awards: 2008 First-Team All-Arena,
2007 All-Rookie Team**

HISTORY OF THE SOUL

On July 10, 2003, the Arena Football League's Board of Directors approved Jon Bon Jovi and Craig A. Spencer's application to place a team in Philadelphia. Just over two months later the Soul roster began to take shape with the acquisition of the team's first player – OL/DL Dwayne Missouri. A week later the tandem of Bon Jovi and Spencer – along with minority owner, Richie Sambora, and Team President, Ron Jaworski – stood under the shadow of the Rocky statue at the Wachovia Spectrum and officially introduced the Soul to the city.

It didn't take long for Philadelphia to take notice. While the front office made key free agent acquisitions to further build the team, Philadelphia football fanatics feverishly jumped on board, leading to AFL-leading attendance, merchandise sales, and sponsorship numbers.

On February 8th, 2004, the Soul took the field as they hosted the New Orleans VooDoo in their first professional AFL matchup. Although the Soul lost 42-34, the close contest proved the fledgling Philadelphia team would be competitive in their first year. The Soul were able to draw a league-high 16,851 people per game (including six sellouts) throughout the season, an accomplishment boding incredibly well for their future.

As the off-season approached, the team set its sights on the most valuable free agent: quarterback Tony Graziani. By signing the All-Arena veteran to the largest contract in League history, the Soul once again proved to their fans a commitment to bringing a championship to Broad and Pattison streets. The Soul's explosive offense could only do so much though. As the season continued on, it became evident that a softer defense was the Achilles Heel for Philadelphia. The Soul, who went 6-10 overall, finished third in the National Eastern Division in 2005.

During the second consecutive off-season, the Soul organization aggressively worked toward the all-around improvement of the team. Their first step was signing on defensive specialist, Bret Munsey, as Head Coach. Under Munsey's calculated direction, the Soul finished the 2006 regular season with a 9-7 record and made their first postseason appearance in franchise history. The team defeated the Austin Wranglers in the first round of play, yet lost in the following Divisional Round to the Orlando Predators.

The 2007 season started off tremendously, with four consecutive wins following a week one bye. With a number of injuries to players, the Soul's season looked dismal as they followed the wins with six consecutive losses. The Soul rallied and were able to complete the season with an 8-8 record which gave them a playoff berth and the team's first home playoff game. The Soul hosted and defeated the Orlando Predators, but unfortunately, the Soul fell short in the next round of playoffs as they traveled to Georgia and lost. The front office's remarkable efforts were recognized with the 2007 Commissioner's Award for most outstanding organization.

Unwavering in their belief that they were the best team in the league, the Soul were determined to make key moves during the 2008 off-season. They were able to acquire former Rookie of the Year (2003) and Offensive Player of the Year (2006), WR Chris Jackson, and also move into a new facility in Voorhees, NJ.

HISTORY OF THE SOUL - continued

After beginning the 2008 season with two big wins, the combination of Tony Graziani at quarterback and newly acquired Chris Jackson at wide receiver gave the Philadelphia offense the look of an Arena Bowl caliber team. After a week three injury caused Graziani to leave the game, D'Orazio kept the Soul offense clicking to put them at a perfect 8-0.

Week 9 matched up two undefeated, arch-rivals in Philadelphia as the Soul took on the 7-0 Dallas Desperados. Eddie Moten and the Soul defense dominated the Desperados, keying a 57-28 victory for Philadelphia.

Injuries were beginning to take their toll on the Soul though, as they went into their bye week with a 10-3 record.

Head Coach Bret Munsey and his staff had found a way to refocus the team which responded by winning its final two games, versus Cleveland and at New York. The final win of the season clinched the Eastern Division title, gave the Soul home-field advantage throughout the National Conference playoffs and gave the club the best record in the league.

The Divisional Round game turned into a much closer affair than the Soul would've hoped, as the game was decided on the final play as Matt D'Orazio hit Larry Brackins on a 28-yard touchdown pass to win 49-48. The National Conference Championship Game went much smoother for Philadelphia as they crushed the Cleveland Gladiators 70-35.

Virgin Mobile ArenaBowl XXII marked the first-time in the franchise's five-year history that the Soul played in the ArenaBowl, and they didn't disappoint. The Soul held on to a 59-56 victory over the defending champion San Jose SaberCats to win the Foster Trophy. Matt D'Orazio was named the ArenaBowl MVP for the second time in his career after completing 26-of-43 passes for 302 yards with seven touchdowns and one rushing touchdown. Veteran wide receiver Chris Jackson was named the Offensive Player of the Game after recording 11 receptions, 146 yards and three touchdowns, winning his first ArenaBowl title in his nine-year career.

The team returns to the AFL in 2011 with Mike Hohensee taking over the head coaching reigns with the goal of regaining the title.

Philadelphia, PA - An errant snap off the facemask of Clifton Smith as time expired sealed the Soul's fate as they lost their first home game of the season. Chris Jackson stepped up his game as fellow receiver Larry Brackins left the game in the first quarter and didn't return. Jackson led the offense with 11 receptions for 130 yards and 3 touchdowns. TIMING

- Four 15-minute quarters with a 15-minute halftime.
- The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half and when the referee deems it necessary for penalties, injuries or timeouts.
- Each team is allowed three (3) timeouts per half.

RULES OF THE GAME - continued

MOVEMENT OF THE BALL AND SCORING

- An indoor pad
- Four (4) downs are allowed to advance the ball 10 yards for a first down, or to score.
- Six (6) points for a touchdown.
- One (1) point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown.
- Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

PASSING

- Receivers must have one foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

OVERTIME RULES

- Overtime periods are 15 minutes for both the regular season and the playoffs.
- Each team gets one possession to score. If, after each team has had the one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

GLOSSARY OF TERMS

BALL IN THE STANDS – When a ball is thrown or bounces into the seats surrounding the playing field, the “lucky” fan that catches the ball keeps it.

DROP KICK – A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Former Milwaukee Mustangs kicker Kenny Stucker is the last man to have connected on a two-point dropkick (1997).

IRONMAN – Signifies participants playing both offense and defense.

“MAC” AND “JACK” LINEBACKERS – “Mac” may rush the QB straight on without stunting, twisting, or drop-back coverage. “Jack” must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end, but double-teaming is illegal.

OFFENSIVE MOTION – Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

REBOUND NETS – Goal-side rebound nets extend outward from each upright. The nets are 30-foot wide, 32-foot high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight feet above the surface. The “scoring area” is nine-feet wide and 15-foot high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it’s live.

SIDELINE BARRIERS – Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four inches thick.

STUNTING OR TWISTING – When a defensive lineman is rushing the passer, there’s no “stunting” or “twisting”. In other words, linemen are required to power past offensive linemen.

TIGHT END – One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and “declaring” himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

TWO-WAY PLAYERS – One of the most “throwback” features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

MISCELLANEOUS INFORMATION

ROSTER LIMITS

From the first day the League allows the signing of free-agent players until the first league-sanctioned cut-down date, teams are prohibited from having more than 35 players on their roster. Players listed on the active list or free-agent signees are considered eligible to be counted for the 35-man roster.

Teams will be required to reduce their active lists to 24 players by 5 p.m. CST on the last day of camp. The 21-man active list and three practice players will remain in effect for the remainder of the regular season and the playoffs, including ArenaBowl XXIV.

Each team may maintain a maximum 21-player roster and 3-player practice squad during the regular season. Every club may dress a maximum of 21 players for each game. Teams may have a gameday inactive list with a maximum of three players. In a documented emergency, a team may add an emergency kicker to their roster, no later than one hour before kickoff.

TRADES

The trading period began on the Monday following ArenaBowl XXIII—and will end at 5 p.m. CST on Sunday, May 15, 2010. Upon reporting to his new team, each traded player must pass the physical given by his new team. Failure to pass the physical and/or failure to report will nullify the trade.

RESERVE LISTS

The reserve list of each team consists of the following categories; retired, refused to report, left squad, injured reserve, injured exempt, team suspended, league suspended, other league exempt and physically unable to perform.

INJURED RESERVE

A player who is placed on injured reserve list must remain on injured reserve for a minimum of four weeks. Training camp weeks will not count against that total. Teams activating players from their injured reserve list must do so no less than 24 hours prior to that team's game.

PLAYOFF QUALIFICATION

SELECTION OF TEAMS

Eight teams qualify for the playoffs, four from each conference-- American and National. The four qualifying teams in each conference consist of the two division champions and two Wild Cards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the First Round, July 29-30, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the Conference Championship Round, August 5-6 the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of the Second Round will face off in ArenaBowl XXIV on August 12th at the home venue of the higher seeded team.

TIEBREAKER PROCEDURES

If, at the end of the regular season, two or more clubs in the same division are tied with identical won-lost percentages, the following steps will be taken to determine rank.

Division Champions

If two teams are tied for Division Champions...

1. Record in Head to Head games
2. Record within the Division
3. Record against common opponents
4. Point spread in Head to Head games
5. Point spread in games against common opponents
6. Coin toss

Two Clubs

1. Head-to-head best won-lost percentage in games among clubs.
2. If teams split head-to-head games, the next tiebreaker will be the point differential in those two games.
3. Best won-lost percentage in common games, if applicable
4. Strength of schedule strength up.
5. Best net total touchdowns in all games
6. Coin toss

Three or More Clubs

- If two clubs remain tied after a third club is eliminated during any step, tiebreaker reverts to step 1 of the two-club format
- If one team wins multiple-team tiebreaker to advance to playoff round, remaining teams revert to step 1 of the two-club format
- All teams must have played head-to-head for step 1 to be utilized in a multiple-team tie.
 1. Head-to-head best won-lost percentage in games among clubs.
 2. Best won-lost percentage in common games, if applicable
 3. Strength of schedule strength up.
 4. Best net total touchdowns in all games.
 5. Coin toss

MEDIA INFORMATION

The Soul strive to make its players, coaches and other personnel available in a timely and responsible manner to all accredited members of the media. The 2011 season is sure to provide many exciting moments and in an effort to provide a professional working environment, the following guidelines have been established for the upcoming season.

MEDIA CREDENTIALS

All requests for working press, radio, television and photo credentials should be submitted in writing or by fax on company letterhead to the Soul Communications Department. Requests must be submitted no later than 48 hours prior to the game. All credentials are non-transferable and any unauthorized use will subject the bearer to ejection from the arena. Credentials must be visible at all times.

PRESS ENTRANCE

The Wells Fargo Center press entrance is located on the North side of the building. No access will be allowed through public doors. Media members should proceed to the Upper Press Box to access the press room.

PRESS PARKING

A limited number of parking spaces will be available for accredited media members. Please include your parking request when applying for credentials. Game-by-game requests can be made through the Soul Communications Department, but space is not guaranteed.

GAME-DAY INTERVIEW POLICY

All pre-game interviews may take place on the field up to 90 minutes prior to kickoff; contact the Soul Communications Department with requests. Following the game, head coach Mike Hohensee will address the media in the North endzone and players may be interviewed on the field after a league mandated "10-minute cooling off" period. **THE SOUL'S MEDICAL TRAINING AREA IS OFF LIMITS AT ALL TIMES.** For help in locating players or coaches for interviews, please contact the Philadelphia Soul Communications Department. Visiting team interview requests should be made through the visiting team's media relations contact or by notifying a staff member.

LOCKER ROOMS

The locker rooms are "off limits" to the media prior to kickoff. The rooms will re-open after the game following a league mandated "10-minute cooling off" period. The officials locker room is "off limits" to members of the media at all times. Special requests should be made to the Soul Communications Department.

PHOTOGRAPERS

Only photographers on assignment will be allowed access to the designated photography locations surrounding the field of play. Because of limited photography positions, **NO FREELANCE PHOTOGRAPHY PASSES WILL BE ISSUED.**

PRESS BOX

Press seating is available to accredited media in the press box. There are sufficient phone lines and electrical outlets available in the press box. Contact the Soul Communications Department to secure a spot in the press box.

PRESS LOUNGE

Media with season credentials, or those granted single-game credentials, are invited to have a pre-game meal in the press lounge. The press room will open two hours before kickoff. Press lounge usage is limited to those presenting valid Soul or AFL passes. It is impossible to accommodate family, friends, guests or others. Any abuse of dining room privilege may result in forfeiture of a media pass.

GAME NIGHT SERVICES

Press notes, lineups, programs and other pertinent information will be furnished by the Soul Communications department. Halftime statistics, as well as first and third quarter "quickie" stats, will be available in the press box and final statistics books will be made available approximately 15 minutes after conclusion of the game. Any Fax requests should be made to a member of the Soul's Communication staff.

REGULAR SEASON PRACTICES

Unless otherwise notified by the Soul Communications Department, all regular season practice sessions are open to the media. Head Coach Mike Hohensee, other members of the coaching staff and players will be available for interviews at the conclusion of each practice. The Soul's practice facility is located at The Coliseum, 333 Preston Ave., Voorhees, New Jersey 08043. Contact the Soul's Communication Department for up-to-date information regarding the team's practice schedule.

COMMUNITY RELATIONS

“One great, strong, unselfish SOUL in every community could actually redeem the world.”

Elbert Hubbard
(American editor, publisher and writer, 1856-1915)

As we embark on our sixth season, the Philadelphia Soul are committed as ever to our community. One of the principals the team was originally founded on was making a difference in the community and improving lives in Philadelphia and the surrounding area, and that has not changed.

Every single person in the Philadelphia Soul organization knows that our connection with the Delaware Valley does not end when we walk off the field; rather, it is where it begins.

The Soul players, Soulmates, Soulman, coaches, staff and ownership are all excited to be a part of our community relations efforts and be able to assist our community in whatever capacity necessary. Whether it is through appearances, charitable donations or fundraising events, with non-profit organizations, schools or civic groups, the Soul will be there.

In 2011 and beyond, the Philadelphia Soul would like to be remembered not only for our performance on the field but the impact we made on those around us. In the past the Soul has visited hospitals, schools and charity events. They've helped build playgrounds and homes. With assistance, the Soul was able to donate over \$200,000 to local charities including CADE, Philadundance, Covenant House and Action AIDS.

“Philadelphia is blessed to have a professional football team step up and lend their talent and voice in combating HIV & AIDS. The message will get to a segment of the population that needs it the most, young people at risk. As role models to thousands of young men and women their voices will be heard in ways that have not been realized before. We could not be more grateful!”

Kevin Conare, Executive Director, Action AIDS

Through the Soul Moving Experience, by way of generous donations by individuals and companies, the Soul is able to provide tickets to games to children who might otherwise not be able to experience an arena football game. To date, the program has allowed over 40,000 children and adults to attend a Philadelphia Soul game.

If you would like to be a part of the Soul Moving Experience or have the Philadelphia Soul be a part of your organization's next event, please reference our website for our community relations guidelines.
