Experience authentic Hakka Cuisine
&
Welcome to our family!

The Hakka people are nomadic tribes who originated in China, and have now spread throughout Asia. Hakka food may appear simple, but is delightfully tasty at its core. The hallmark of Hakka cooking focuses on the texture of the food, featuring meats that are meticulously stewed, braised, or roasted. These dishes are often accompanied by vegetables whose flavors are enhanced by pickling/preserving. Sample an assortment of well-known Hakka dishes on our menu, including Hakka Stuffed Tofu, Salt Water Chicken, Braised Pork Belly with Preserved Vegetables, and Poon Choi.
