

Secure every visual detail.

Ensure 24/7 operation without downtime

The Wall. Make a bold statement.

The Wall is in a class of its own, showcasing breathtaking visuals that leave a lasting impression in any agency environment. Unrivaled picture quality delivers the ultimate secure viewing experience, while easy installation and management make operating The Wall for Business effortless.

Ensure 24/7 operation without downtime. Control rooms are mission-critical operations centers where each second and visual counts. The Wall ensures decision makers are empowered with secure, crystal clear information supported by remote power options and 24/7 performance. The Wall For Business is manufactured at Samsung Mexico (SAMEX) and is TAA-compliant.

Why the Wall?

The ultimate visual experience

Advance your agency mission with industry-leading technology engineered to defy the limits of visual innovation.

Big impact, small lift

Configure The Wall how you want in any environment with turnkey installation and flexible design without size, shape and structure limits.

Easy to manage and secure

Advanced usability and seamless integration with existing systems allow you to manage content your way, securely.

Benefits

- Operate with peace of mind knowing The Wall is TAA-compliant and your agency data is protected by Knox down to the chip.
- From the deepest blacks to the brightest whites, The Wall brings your government operations to life through immaculate colors in their purest form.
- Immerse viewers in AI-optimized picture quality that delivers the ultimate viewing experience to enhance your mission.
- Speed deployment and lower installation costs with architecture and factory features that reduce on-site calibration.
- Leverage Samsung's partnership and white glove service and support to ease installation every step of the way.
- Ensure a safe viewing experience by protecting personnel against blue light and electromagnetic waves.
