

# Samsung DeX puts a PC in your pocket

Samsung DeX lets you power a full desktop experience from Galaxy smartphones and tablets

## The anywhere office

- Connect to a monitor or TV to use your device's existing mobile apps and data on a larger screen
- Get an intuitive PC-like multi-window desktop anywhere, without having to carry a PC
- Work simultaneously on up to five apps, including videoconferencing
- Continue to use your phone while connected to a monitor or TV, and add a keyboard and mouse<sup>1</sup> for enhanced usability

## The desktop experience

- With Samsung DeX, employees can perform demanding, PC-like tasks on their Galaxy devices
- Work on multiple apps at once, resize windows, drag and drop files with ease
- Leading productivity apps are already optimized for DeX

## Manageability and security anywhere

- Control which apps automatically open
- Change DeX wallpaper to company-branded wallpaper
- Built on the existing protection of Samsung Knox<sup>2</sup> with additional device and network configuration and management capabilities

# DeX

## Take your desktop with you

Samsung DeX transforms your smartphone or tablet apps from mobile apps to desktop apps. You can access your existing data, either on the device or from cloud-based apps and services, for seamless productivity.

Most apps can run in DeX mode, and more than 70 of the leading apps your employees use are optimized for Samsung DeX<sup>3</sup>, including leading VDI (virtual desktop infrastructure) clients.

## Three ways to start working more productively with Samsung DeX

### 1 Connect Samsung DeX wirelessly

Wireless Samsung DeX enables a wireless connection to any Miracast-enabled TV.<sup>4</sup>

Wireless Samsung DeX also connects to our latest Smart Monitors, for seamless working.

### 2 Connect Samsung DeX with a cable

Connect to a TV or monitor using an HDMI adapter, or directly to a monitor with USB-C.<sup>5</sup>

Use a cable to minimize latency, and to enable simultaneous phone charging.

### 3 Use Samsung DeX in Stand-Alone mode

Use Samsung DeX on your Galaxy tablet's screen. Add a Samsung Book Cover Keyboard<sup>6</sup> or Bluetooth keyboard and mouse for the optimal experience.<sup>1</sup>
