# Commercial outdoor displays for quick service restaurants.

Samsung's OM and OH series outdoor signage solutions help companies communicate with their customers in the most efficient and optimal way. In industries where every second counts, downtime is critical and a waiting 3 to 5 days for a replacement is not always an option. Samsung ProCare technology protection for Outdoor Displays provides Fast Track and Fast Track with White Glove services. Reduce downtime and be back up and running quickly.

Just Call 1-866-SAM4BIZ or request service online at <https://samsungb2bportal.com>

## Fast Track with White Glove Service Options for Outdoor Displays

**Fast Track with White Glove Next Day<sup>1</sup> and Third Business Day<sup>2</sup> Service**

Includes exchange, removal and installation.

**Fast Track Next Day<sup>1</sup> and Third Business Day<sup>2</sup> Service**

Includes exchange of the display.

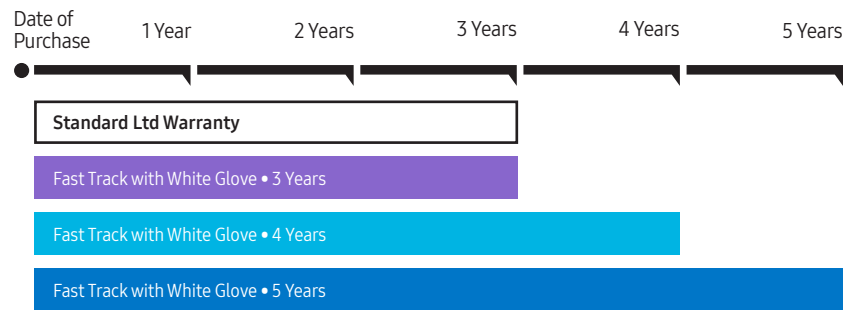

<sup>1</sup>For Next Day delivery calls must be received before 6 PM local time. <sup>2</sup>For Third Business Day, calls must be received by 3 PM local time

**90-Day Trial**

As part of the Samsung pilot program, you'll have access to the Fast Track with White Glove service for 90 days.

## Fast Track with White Glove

-  **Next Day** exchange of the display seven days a week, including holidays (calls must be placed by 6 PM local time)
-  **Third Business Day** exchange of the display (calls must be placed by 3 p.m. local time), including required heavy lift equipment for products under 8 feet high from the floor
-  Includes tech-assisted exchange of display – technician removes original unit, installs replacement, and ships non-working unit to Samsung
-  Up to 3 exchanges of the display per term of contract
-  Coverage for mechanical/electrical breakdown
-  3-5 year terms available
-  90-day coverage available as part of the Samsung pilot program
