

Payment Options and Tuition Funding Strategies

PAYMENT OPTIONS

Our goal is to provide you with the flexibility you need to enroll in LEAD by offering two payment options.

- 1 **Quarterly Installment Plan:** Take advantage of our flexible payment plan and pay the tuition fee in four quarterly installments of \$4,800. The first installment will be due before the start of the program, and the three remaining installments will be due before the start of each quarter of enrollment.
- 2 **Pay in Full:** Pay the entire tuition fee of \$19,200 upfront with a convenient one-time payment option.

LEAD is designed to be completed in four quarters, spanning one year. However, personal and professional circumstances may require additional flexibility. If needed, you may apply for leaves of absences or reduce your course load, as long as you complete the program requirements within 24 months. Reducing the course load, or extending it beyond four quarters, does not impact the total program price. You will pay \$4,800 for each quarter of enrollment until the \$19,200 fee has been paid in full.

Extending the program duration to 24 months provides you with the flexibility to pay your tuition fees across a span of 2-3 calendar years. This may help you maximize your employer's tuition benefits or assist with personal finance planning. Contact the LEAD team to learn more.

COMPANY FUNDING

Many employers offer tuition assistance benefits or professional development funds that you may be eligible to utilize toward your program tuition. LEAD also provides Continuing Education Units, which some employers may require. Check with your employer to learn more about what they offer and if LEAD might qualify.

NONPROFIT DISCOUNT

If your primary employer is a registered nonprofit or NGO, you are eligible for a 15% discount on the tuition. More details are [available here](#).

POST-9/11 GI BILL EDUCATIONAL BENEFITS

LEAD is approved for funding through the [Post-9/11 GI Bill education benefits](#). If you are eligible for this benefit, contact the LEAD team to discuss additional details about the funding process.

EDUCATIONAL LOANS

Some LEAD participants choose to apply for a loan to assist with tuition payments. If you are based in the U.S., participation in LEAD is eligible for an "undergraduate student loan" through Sallie Mae. You can find more information on the [Sallie Mae website](#). Enter "00130599" for the school code in order to populate "Stanford University GSB - Executive Education."
