Galaxy Z Fold6

Galaxy AI ✨ is here for business

A new era of AI for business is unfolding

**Two screens.
Zero language barrier.**

Immerse yourself in fluent conversations using Interpreter with Galaxy AI on Galaxy Z Fold6. Speak with clients, customers or reps in another language face-to-face with live translations you can both see.

A big screen for big discoveries

Make huge discoveries when you use Circle to Search with Google on the large screen of Galaxy Z Fold6. Researching the latest market trends and newly released products is easier than ever on the expansive display. Simply circle content on your screen to learn more.

**Conference, review and chat –
all on one screen**

Unfold Galaxy Z Fold6 and open up multiple possibilities. Videoconference, review stock market trades, transcribe notes and more on up to three windows at once.

Summarize in the blink of AI

Simplify your day-to-day with the large screen of Galaxy Z Fold6. Note Assist with Galaxy AI organizes, outlines and summarizes your notes for you.

Face Recognition

¹Requires Samsung account login and language preset (English and Spanish pre-installed; other languages require free download). Results may vary. ²Multi-Active Window works with select applications; compatible apps growing through third party developers. ³Requires internet connection; results may vary by uniqueness, clarity and framing of circled image and related factors. ⁴For text in Samsung Notes only (200 – 4,000 characters); requires Samsung account login and internet connection. ⁵Display measurements are diagonal, and actual viewable area is less due to rounded corners and camera hole punch. ⁶Display measurements are diagonal, and actual viewable area is less due to rounded corners and camera hole punch. ⁷30x Space Zoom includes digital zoom, which may cause some image deterioration. ⁸Portion of memory occupied by existing content. ⁹S Pen (optional) sold separately, compatible only with main display. Requires S Pen Fold Edition or S Pen Pro. ¹⁰Resists solid particles >1mm; Tested for submersion in up to 5 feet of fresh water for up to 30 minutes. Rinse residue / dry after wet. ¹¹One (1) replacement of the screen protector for each qualifying purchase within one year from the date of purchase; proof of eligible purchase required. See full terms and conditions at <https://www.samsung.com/us/support/service/z-screen-protector-promo/>. ¹²One (1) reduced-fee screen repair (\$200/Galaxy Z Fold6, \$200/Z Flip6) for each Z Fold6 or Z Flip6 qualifying purchase made by 07/31/25. Expires two years from purchase; proof of eligible purchase required. See full terms and conditions at <https://www.samsung.com/us/support/service/z6assurance-screen-repair-promo/>. ¹³Requires Samsung Galaxy Smartphone with Android 11.0 or later, 2GB or more RAM and Samsung Health Monitor app version 6.22 or later (available only at the Samsung Galaxy app store). The heart rate software functions are not intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment or prevention of disease. Galaxy Z Fold6 Galaxy AI features by Samsung will be provided for free until the end of 2025 on supported Samsung Galaxy devices. Products sold separately. ¹⁴Typical value tested under third-party lab condition. Rated (minimum) capacity is less. For more information, please visit www.samsung.com. ¹⁵25W Super Fast charger sold separately. Super Fast Charging speed depends on battery level and other factors; use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. ¹⁶Wireless charger sold separately. ¹⁷PowerShare works with most Qi-Certified devices. Requires minimum 30% battery to share. Speed and power efficiency of charge varies by device. May not work with some accessories, covers or other manufacturer's devices. If you have trouble connecting or charging is slow, remove any cover from each device. May affect call reception or data services, depending on your network environment. ¹⁸Requires optimal 5G network connection, available in select markets. Check with your carrier for availability and details. Download and streaming speeds may vary based on content provider, server connection and other factors.
