

Some technical Information for the Participants of the CERN SC Collaboration Meeting 2014

- Our workshop secretary is Delphine Rivoiron:

Office: 10/1-016

Telefon: +41 (0) 22 76 72523 (last 5 digits CERN local)

Portable: 164977

You can find your workshop badge on the table in the conference room and Delphine will help you with any questions you may have.

- In case you need an adapter for the Swiss electric plug system you may lend one from Delphine. There are also a few desktop cables with Swiss plugs.
- We will make an effort to provide enough electric plugs in the conference room so that everybody can load his Laptop. In case there is still a bottleneck please let us know.
- On Tuesday night we are having our workshop dinner at 8pm. After some discussions we believe that we should all take the tram and bus. To be on the safe side we all meet before the Foyer at 7pm sharp and Frank and the students will bring you to the tram and we will all go together both ways. We should get everybody back by midnight.
- The address is (see maps next pages):

Restaurant Name: Giardino Romano
