Person to contact:	Akira Umeda Officer, General Manager of IR Dept. (TEL. 0467-89-2024)

ULVAC Announces a Construction of Technology Center PYEONGTAEK

ULVAC, Inc. announced its decision to build Technology Center PYEONGTAEK at ULVAC KOREA, Ltd. as part of the R&D investment in the semiconductor business.

The Technology Center is intended to accelerate product and technology development and enhance collaboration and technical support in close proximity to customers.

Technology Center PYEONGTAEK is located in the same industrial park as ULVAC KOREA, Ltd. in Pyeongtaek City, Korea, and is scheduled to be completed in March 2024.

With this construction, ULVAC will further strengthen the semiconductor technology development and collaboration with the customers in Korea.

ULVAC Group has positioned the semiconductor business as a pillar of growth and will continue to invest aggressively in R&D to achieve further growth.

1. Overview of Technology Center PYEONGTAEK
