

Author's Checklist

Manuscript No.: JAP – _____

Title of Manuscript: _____

General

- Please arrange manuscript in the order of the title page, abstract, introduction, materials and methods, results, discussion, conclusion, and references.
- The original article and case report must be limited to 12 pages and 7 pages, respectively.
- Please write the contact details (phone, email address) required for revision.
- Please complete author form.

Cover page

- Please indicate the type of the article (Original article, Review article, Case report, etc.) on the right top of the cover.
- The title should be less than 15 words.
- Please make sure to write the title, author's name, and organization.
- Please write the contact details (post code, address, phone, fax and email address) of the corresponding author.
- Please indicate if this manuscript was funded in part or in whole.

Abstract

- The abstract should be less than 250 words.
- Please write accordingly in an appropriate section (Purpose, Materials and Methods, Results and Conclusion).
- Keywords must be six words or less. MeSH terms made by US National Library of Medicine should be used.
- Please check the keywords at <http://www.ncbi.nlm.nih.gov/mesh>.

Text

- For the first reference of a used product, please write in the order of the product name, manufacturer, city (state), and country.
- In the description of participant selection and study results, relevant demographic variables including gender should be considered.
- Tables or figures (photograph, graph) must be cited in the text.
- All figures should be in higher resolution (7.4 × 10 cm, 3 × 4 inch, 300 dpi or higher).
- For histologic figures, please indicate the magnification and dying method.
- In case of description containing more than 2 figures, please describe by dividing into (A), (B), etc.

References

- References must be quoted in the text and numbered in order.
- References should not exceed 50 (In case of case report, references should not exceed 20).
- Please revise the references as indicated by the submission guidelines.
- All references must be written in English and all authors must be written.
