

Home appraisal checklist

If you're a homeowner preparing to have your property appraised, there are several things you'll want to do beforehand to prepare.

Collect home improvement receipts

Gather receipts for proof of any past home improvement projects

General maintenance and repairs

Take care of any basic repairs such as leaky faucets, missing door knobs, and chipped paint

Declutter and organize

Clear your property of any unnecessary junk that could be distracting

Assess your curb appeal

Don't forget that the exterior of your home is just as important as the inside

Clean up

Thoroughly clean the floors and surfaces of your home to show that your property is well-kept
