The **GREATEST**
SHOW AND TELL
ON
EARTH!

WWW.MAKERFAIRE.COM

INDUSTRIAL ARTS *Traditional Trades and Mechanics*
Explore metalsmithing, blacksmithing, glassblowing, plastic recycling, engines, and fire combat robots.

FOUNDRY *Performances, Cosplay, Droids, and Lego*
A melting pot of off-Broadway, a splash of street art, and wonder from this galaxy and beyond.

COAL SHED 1 *Makerspaces and Education*
See the diverse passions of Bay Area makerspaces, universities, maker clubs and associations.

COAL SHED 2 *Engineering, Robots, and Play*
Think like an engineer with CrunchLabs, create, build, and play with robots and VR.

COAL SHED 3 *Electronics, Music, and AI*
Discover what's on the horizon for AI, microcontrollers, and electronics with Microchip and more makers.

COAL SHED 4 *Make HQ and Workshops too*
Meet the editors and contributors of Make: magazine, as well as your favorite makers behind the products of Maker Shed.

STOREHOUSE NORTH *3D Printing and Robotics*
The future of fabrication, 3d printing, laser cutting, and CNCs; and the innovators and platforms propelling them.

STOREHOUSE SOUTH *Craft and Maker Biz*
Stock up on unique gifts for the holidays to support local artisans and makers in the biz at the SF Bazaar area.

DARK ROOM *Dark Room and Drone Racing*
Interactive projection and LED art, drone racing, light painting, and inflatable larger-than-life creations.

COAL SHED ALLEY *Test Driving and Diving*
Spin on a hacked hoverboard, ride a wacky bike, race a go cart, or dive deep with underwater drones.

STOREHOUSE ALLEY *Talks, Activities and More Makers*
Hear from thought leaders and master makers at the Make: Live Stage powered by DigiKey.

ESPLANADE *Scenery, Spectacle, Stages and STEAM*
An unforgettable stroll along the Napa River with creativity and inspiration at every twist and turn.
