

Leading light of audio and electronics, the VerVent Audio group opens a Focal Powered by Naim store in Bangalore, India

VerVent Audio is continuing the global roll-out of its Focal Powered by Naim stores. The group opens a showroom for the first time in India with Aamir Fruitwala, director of AK International, a major partner. Uniting the French and English brands Focal and Naim, the group is opening this luxury space in Bangalore – the Garden City of India, a true ‘Silicone Valley’ and the fourth-largest technology hub in the world. It is the 16th store to join the Focal Powered by Naim network.

CUSTOMER EXPERIENCE TAKES CENTRE STAGE

Focal and Naim give pride of place to the experience, emotion and services that they offer their customers. Focal Powered by Naim Bangalore is a 350m² design space dedicated to music and exceptional *savoir-faire* as demonstrated the extraordinary hi-fi system combined the Focal’s Grande Utopia loudspeakers with the Naim’s Statement amplifier.

Available for private use by appointment, our demonstration rooms give you a sensational listening experience, allowing you to feel unadulterated musical emotion and to picture yourself at home or elsewhere with Focal and Naim sound. A headphones bar showcases some of the best high-fidelity products in the world. And of course, you’re welcome to sit down and have a listen.

A TEAM OF EXPERTS

Heading up the Focal Powered by Naim store in Bangalore is Srikanth Narayan. With over 18 years’ experience in the world of audio, his passion for music and his in-depth knowledge of the home acoustics market make him a perfect partner for the VerVent Audio group. Thanks to his sales team, who know everything there is to know about Focal and Naim solutions, every customer can be confident of receiving expert advice and personalised support, commensurate with the brands and the collections.

EXCLUSIVE PRODUCTS AND FLAGSHIP COLLECTIONS

Focal Powered by Naim Bangalore is there for everyone from music lovers to inveterate audiophiles. Open living spaces feature a wide range of Focal and Naim products which have been praised by the international press on numerous occasions. Customers can discover floor-standing, wireless loudspeakers for Home Cinema, integrated into walls and ceilings, as well as CD players, music streamers, amplifiers and much more. Exclusive products and products with special finishes may also take centre stage.
