## A Vision for NA Service

All of the efforts of Narcotics Anonymous are inspired by the primary purpose of our groups. Upon this common ground we stand committed.

Our vision is that one day:

- Every addict in the world has the chance to experience our message in his or her own language and culture and find the opportunity for a new way of life;
- Every member, inspired by the gift of recovery, experiences spiritual growth and fulfillment through service;
- NA service bodies worldwide work together in a spirit of unity and cooperation to support the groups in carrying our message of recovery;
- Narcotics Anonymous has universal recognition and respect as a viable program of recovery.

Honesty, trust, and goodwill are the foundation of our service efforts, all of which rely upon the guidance of a loving Higher Power.

## Invest In Our Vision

To date, through coordinated efforts with literature translation committees around the world, many pieces of our literature have been translated and published in **56 different languages**.

We are making progress toward our self-support goal: that at least 70% of the money we spend to deliver services comes from contributions, not literature sales. ... Currently the total amount of fellowship-wide average contributions is about \$180,000.

**NAWS' long-term self-support goal: Member contributions cover at least 70% of expense for services.**

The most sustainable source of income for World Services is recurring member contributions which currently averages \$25,000+ per month.
