

Discover Fermilab

The public is invited to the Fermilab site to visit the Lederman Science Center, Wilson Hall's atrium and cafeteria on the main floor, the credit union on the ground floor and the Fermilab Art Gallery on the second floor cross over. Visitors can also view the bison herd and enjoy the natural habitats on our interpretive trails.

Additional parking to view the bison herd is available at Building 327. For more information on tours and things to do at Fermilab go to www.fnal.gov/pub/community/.
