# GUIDE TO CHOOSING YOUR TURKEY

## WHERE IS OUR FREE RANGE POULTRY FROM?

Our free-range poultry is mostly from Woolley Park Farm in Bradford on Avon and Kimbers Farm in Wincanton where the birds roam freely.

## BRONZE TURKEY

You may find a few black feather quills left in the bird, they are harmless and will shrivel up during cooking

## TURKEY CROWN

A whole bird with bones removed from the centre and tied. Legs removed and included in box. Additional £10 cost

## BARN REARED TURKEYS

We have a limited supply of barn reared turkeys, raised close by on the Mendip hills and kept in spacious barns with natural light & a large amount of space to move around.

KG	SERVINGS
4 - 5	8/10
5 - 6	10/12
6 - 7	12/14
7 - 8	14/16
8 - 9	16/18
9 - 10	18/20

We recommend approximately half a kilo per person, depending on appetite, age and leftovers required

For Christmas 2024, we have two different pricing structures. Our Woolley Park turkeys are priced within a weight range and our Kimbers Farm and local barn reared turkeys are priced per kilo. Once you have decided the right weight for you, head to our online shop or come and see us to process your order.

Your poultry will be as close to your selected weight as possible
