

# What's New in ProQuest Books

July - September 2024

## The Right Content, Delivered to the Right Users, At the Right Time

Every library is unique. The complexities you face – from evolving content needs to staff shortages – deserve unique solutions. ProQuest Books solutions were built **by** librarians **for** librarians and our mission is simple: bring the right content, deliver it to the right users and at the right time.

## New Content and Publishers

We included over **100,000 titles\*** to Ebook Central in 2024, adding to our extensive catalog of over **2.3 million titles** that can help you get access to the right mix of publishers, authors and titles to ensure representation of more voices.

### New 2024 content highlights

- **St. Martin's Press** brings Ebook Central customers over 1,400 engaging titles, enhancing leisure reading by providing libraries with a broad range of popular titles.
- **Publicacions de la Universitat de Valencia** publishes scholarly works and textbooks, promoting academic excellence in social sciences, humanities, and regional studies
- **Manchester University Press** brings over 1,500 high-quality academic titles to Ebook Central in the humanities and social sciences, promoting innovation and cultural understanding.

### IN THE SPOTLIGHT

#### Schweitzer Fachinformationen

is a prominent provider of academic, professional, and legal content, with a strong emphasis on German-language titles offering Ebook Central libraries a choice of over 150,000 ebooks that support education, research, and professional development across various fields.

Discover the latest additions and enhance your ebook collection with a wealth of new content. Discover our infographic: [Ebook Central New Content Additions 2024](#)

### Curated Collection on Space Science & Exploration

**New!**

The new collection on Ebook Central invites students and researchers to explore the history of space exploration, cutting-edge discoveries of science, and ponder the profound questions that have captivated scientists for centuries.

Carefully curated to save you time searching for vetted, scholarly content, this collection features titles from renowned authors and leading experts covering topics from the mysteries of black holes to the latest breakthroughs in astrophysics.

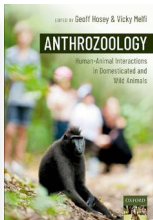

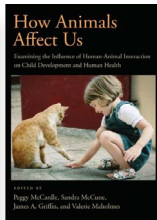

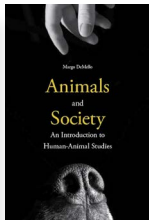

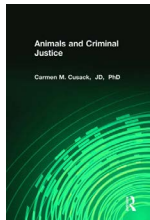

Explore on LibCentral, OASIS, and Rialto or contact us at [ebookcentral@proquest.com](mailto:ebookcentral@proquest.com) to get the title lists.

## LibList: Animal Allies

The latest LibList: Animal Allies, curated by Derek Marshall, Director for Branch Libraries and Interim Director for Interdisciplinary Research and Innovation at Mississippi State University, explores the human-animal connection and offers a curated selection of recent academic and leisure ebook titles that delve into the multifaceted relationships between humans and animals, covering health, social sciences, and more.

To explore curated lists, please check the respective Curated Topics section on LibCentral, OASIS and Rialto.

**Derek Marshall**  
Director for Branch Libraries,  
Mississippi State University

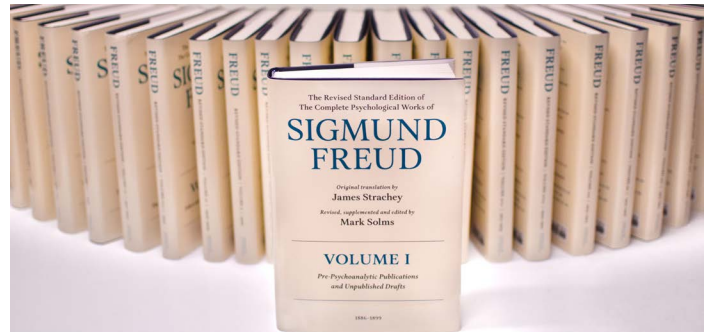

New!

## Revised Standard Edition of the Complete Psychological Works of Sigmund Freud (RSE)

New!

We are thrilled to support the release of the Revised Standard Edition (RSE) of the Complete Psychological Works of Sigmund Freud. This 24-volume set offers an unprecedented update to Freud's legacy, incorporating new materials and modern scholarship for a comprehensive understanding of his work and is an essential resource for anyone doing research on psychology and psychoanalysis.

To get your copy, simply search for **Document ID 31233300** or **ISBN 9781538175170** on LibCentral, OASIS, Rialto and our distribution partners or contact us at: [ebookcentral@proquest.com](mailto:ebookcentral@proquest.com).

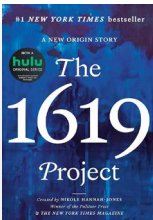

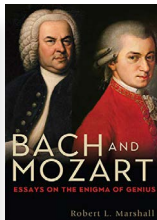

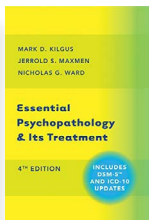

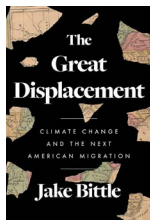

## Introducing: Publisher Curated Topics

New!

Did you know? We regularly partner with publishers from around the world to simplify the ebook selection process. Get access to notable publisher-recommended titles on important research topics. Recent releases include:

- Liverpool University Press 125th Anniversary
- Edinburgh University Press' 75th Anniversary
- Simon & Schuster's 100th Anniversary
- Penguin Random House's Top Adopted
- Berghahn Books' 30th Anniversary
- Boydell & Brewer's Music Studies
- W. W. Norton's Top 50 Mental Health Titles
- Kogan Page's Emerging Tech
- IT Governance Cyber & Info Security
- Hachette's Top Adopted

"I truly appreciate the monthly Curated Topics. It's wonderful to have them at my disposal to quickly browse through title recommendations, especially when I'm busy with other tasks" - **Tiffanie Ford-Baxter**, Associate Science Librarian, California State University, Los Angeles

## Ebook Central

Ebook Central is an all-in-one ebook platform for research, discovery, selection, acquisition and administration for libraries.

### What's new in LibCentral:

- **Hourly Loans:** A highly requested feature, this new functionality gives librarians more precise control over hourly loans on a title-by-title basis.

Recent LibCentral enhancements include *Customizable Autopurchase Hierarchy* and *Wait List functionality*. Log into your account or reach out to your dedicated Content and Workflow Strategy Consultants (CWSCs) for support.

### Ebook Central Academy 2024

The popular training series is back in 2024 with a new set of monthly series focused on enhancing your experience with the Ebook Central and LibCentral platforms.

Hear our experts talk about topics like acquisition models, access permissions, discovery, accessibility, managing budgets and collections and more. Attend live or catch-up on demand on the [LibCentral LibGuide](#) and [Ebook Central LibGuide](#).

## Rialto

Rialto is an academic marketplace that creates a seamless workflow for selection and acquisition and allows libraries to make informed decisions in the book-buying process.

### Rialto Welcomes 500th Library!

We are excited to share that 500 institutions have now selected Rialto! We are grateful to the Rialto user community for your continued partnership and helping us shape the future of collection development for academic libraries.

### What's new in Rialto:

- **Rapido Integration:** Rapido institutions can now search Rialto directly from a borrowing request to order highly requested titles and books that are unavailable from lending partners, without breaking their workflow.
- **Selection Plan Enhancements:** Libraries using Rialto Selection Plans for automated purchasing will have greater transparency and flexible options to manage their profiles, including a new Slips feature that resembles a classic approvals plan approach.
- **Badge Links (from Idea Exchange!):** Easily navigate throughout Rialto with new clickable links adjacent to activity badges.
- **Transparent Print Availability:** Rialto now displays updated shipping estimates so that users can have more accurate expectations for the arrival of print materials. [Visit the Release Notes for more information.](#)

### New to Rialto? Enjoy a stress-free implementation

We understand your library has many priorities, so we designed our implementation to be simple and stress-free, with minimal effort required by the library. And you'll have a dedicated team of experts to support you every step of the way.

*"This was one of the easiest implementation experiences we've ever had! We worked with a great team. Rialto was easy to learn, and we have jumped right in!"*

Monica Doman, Technical Services Librarian, Cypress College

## OASIS

OASIS is a trusted ordering system for librarians with powerful tools and broad choices to support their collection development strategy. We continue to invest in OASIS to make selection and acquisition flow smoothly and efficiently.

### What's new in OASIS:

- **Transparent Print Availability:** Libraries in North America and Asia Pacific will see improvements in print availability statuses so that users can have more accurate expectations for the arrival of print materials. [Visit the Support Center for more information.](#)
- **Original Orders:** When searching OASIS for a print book and no results are found, users now have the option to create a new entry for that ISBN in OASIS and order the title or move to a list.
- **Coming Soon! Enhanced Lists Pages:** Managing lists in OASIS will be easier than ever before with improved functionality and design. Staff will have the ability to add notes, rename lists on the fly, and more for a streamlined experience.

**Get the latest OASIS updates!** The OASIS Customer Education webinar series delivers updates on a quarterly basis, highlighting the latest content, platform updates, and planned roadmap enhancements. Visit the [OASIS LibGuide](#) to watch our webinars on-demand and share with colleagues who may have missed our recent webinar.

## Syndetics Unbound

### Engage Students & Boost Discovery

Syndetics Unbound helps students discover what they're looking for, even if they didn't know it existed. The modern solution to searching the library, Syndetics Unbound helps users discover relevant resources across the breadth of your collection. With features like 'You May Also Like' students have continuous recommendations to feed their research experience, leading them to research breakthroughs.

Transform your library catalog into an engaging and dynamic showcase of your collection with Syndetic Unbound's catalog enrichment solutions. Contact us to create the library experience students expect at:

[Syndetics.Unbound@proquest.com](mailto:Syndetics.Unbound@proquest.com)

*"The Browse Shelf option is very valuable and makes the experience similar to being in the library. I skim the related books a lot, so I think this will be valuable to other graduate and undergraduate students as well."*

Georgia Tech Student

## Ebook Central Subscriptions

Ebook Central offers aggregation at its best from a universe of award-winning, cross-disciplinary content from popular academic imprints, university presses and niche publishers.

From trending and emerging areas of study to foundational academic content, we have an ebook subscription expertly curated to enhance your library collection.

### New in Academic Complete

Celebrating over 20 years as the trusted ebook subscription for academic libraries, Academic Complete offers a critical mass of over **239,000\* multidisciplinary ebooks** with over **7,000 new titles added in 2024**.

Curated, quality titles are available in affordable subscriptions with unlimited use and easy access to thousands of DRM-free titles.

A "foundation for libraries..." said the **Charleston Advisor**. "Not artificially beefed up the number of ebooks ... fully researched [for] its intended audience".

## O'Reilly for Higher Education

Want to stay ahead in the ever-evolving world of Artificial Intelligence (AI) and Machine Learning (ML)? The multi-award-winning O'Reilly platform, has been a trusted source for over 45 years, consistently delivering cutting-edge content to help users navigate and master the latest trends in technology and business.

New content added in 2024 includes over **1,800 books**, **230 audiobooks** and **640 videos** from renowned publishers like Packt, Ascent Audio, Wiley and more.
