Very APpealing for Elite Havens Guests

Exclusive concierge app creates an Elite Experience

A personal luxury guide to Bali's most fabulous restaurants, dynamic activities and bespoke shopping is at the fingertips of guests staying at any one of Elite Havens 190 exclusive villas. The Elite Experience has arrived.

Downloaded in an instant before leaving home, the Elite Experience is a vault of Bali's most privileged and rarefied entertainments from exquisite boat charters and sporting activities through to personal shoppers and elegant salons. An entire section is devoted to keeping the kids happy and even includes a private circus school that will visit the villas.

This concierge app ensures that guests to an Elite Havens villa will holiday in absolute splendour and can prepare their itinerary before departure.

Every listing is tried and tested and has been coaxed out of the little black books of a host of in-the-know long term ex-pats including Bali's top restaurant reviewers, trend spotters and social butterflies.

Villa managers take over to ensure that Elite Experience users have their plans expertly executed without delay. The top-shelf businesses in the guide have included some special treats for Elite Experience guests including signature cocktails at pumping ex-haunts, preferential seating through to divine

complimentary dishes at world class restaurants. There are many generous discounts too.

Money cannot buy an entry into this exclusive guide that has been carefully prepared to sate the desires of Elite Havens guests who seek an Elite Experience on the Island of the Gods.
