**A**ries ( 21 March – 19 April ) -With focus, you can make enormous progress in your work. You would be busy in the work of administration with the aim of dominating the competitors. Savings will slowly increase during this period. Economic condition will be strengthened with the help of efforts. You are likely to deal with romantic illusions from second week of the month. Money is flowing swiftly to you - and through you. The last week of the month brings powerful intuition for work and opportunities to deal with past problems. Favorable Dates : Oct 2, 7, 11, 16, 20 & 25. Favorable Colors : Blue & White

**T**aurus ( 20 April – 20 May ) -You will use your creativity on the work front and will handle managerial tasks. You will try to reduce professional expenses. Projects will be continually in motion due to your efforts and vigilance. Your positive attitude towards work will remove the hurdles during this period. Keep flexibility in your principles during this period because rigidity will not work. Self-confidence will help remove the obstacles in your way. Keep your feet firmly on the ground and, don't let your heart rule your head. Favorable Dates : Oct 2, 9, 11, 18, 20 & 27. Favorable Colors : Blue & Yellow

**G**emini ( 21 May – 20 June ) -This could be the start of a new life for you which may be scary at first but in time you will discover it was for the best. Work relationships will improve but avoid overloading your plate with responsibilities, as they are likely to come back to haunt you in the last week of the month when things can get very hectic. Romance begins to heat up. Some of you are pursuing it more assertively, and others are experiencing ups and downs. Mid of the month is strong for creative projects. Favorable Dates : Oct 1, 2, 10, 11, 19 & 20. Favorable Colors : Red & Yellow

**C**ancer( 21 June – 22 July ) -An almost ideal scenario for you this month, .Hopes and dreams come true, your ambition and focus are both exemplary. You are scoring hugely in the game of love. If single it will be a logical progression to committed relationships. In addition to relationship, your own creativity, leisure activities, children, hobbies are all sources of pleasure and satisfaction. You need to take decisions carefully, otherwise you may get pain from your love affairs. Lack of trust on your business partner may increase your difficulties. Favorable Dates : Oct 5, 7, 14, 16, 22 & 25. Favorable Colors : Red & Black

**L**eo ( 23 July – 22 August ) -In terms of work, you may not get too much satisfaction. Some good opportunities lay your way but you may not be able to make most of it. There may be lack of affection in married life during this period. You may feel stress in your family life due to daily activities. Try to be loyal to your relationship, it would be good for your prestige. You may lose your interest in love affairs because of your pessimistic behaviour. Some fights and disputes can happen which can create tensions in relations. Favorable Dates : Oct 1, 4, 10, 13, 19 & 22. Favorable Colors : Yellow & White

**V**irgo( 23 August – 22 September ) -Your partnerships, relating abilities, and powers of negotiation grow and expand. Paying attention to detail in your work is also important, as you're about to discover how it pays to watch and wait before making any major decisions. New partnership opportunities can arrive now, or the chance to bring fresh energy to an existing committed relationship emerges. This is a time when your work projects or duty expands. You will be confident of your abilities to take on projects and endeavors, however, avoid overloading your plate. Favorable Dates : Oct 1, 3, 10, 12, 19 & 21. Favorable Colors : White & Green

# HOPE

**L**ibra ( 23 September – 22 October ) -Success is at your doorstep. You begin a new job or get a promotion. Because you do what needs to be done and take action you are going to see the results. Your creative project will take off and your dreams materialize. It is your singleness of purpose and commitment that keeps you going down the path to success. Your energy would be contagious and you will inspire others. Your current relationship grows and flourishes, rising to the next level. Keep your partner intrigued with your magical creative vitality. Favorable Dates : Oct 4, 8, 13, 17, 22 & 26. Favorable Colors : Red & Blue

**S**corpio( 23 October – 21 November ) -Your sense of well-being is strong either through growing self-esteem or as a result of increased wealth. Money flows in and out and the key is to ensure that you spend wisely. Otherwise you will later discover that your increased income simply slipped through your fingers. Nevertheless, now might be the time to ask for a bigger slice of the pie. This can be a time of big decisions as you start applying what you've learned, making changes and incorporating your new set of values into your life. Favorable Dates : Oct 6, 8, 15, 17, 24 & 26. Favorable Colors : Yellow & Purple

**S**agittarius( 22 November -21 December ) -You are going to begin a new phase in your life along with new opportunities. Rewards for past efforts will come to pass. There will be some stress to go along with these changes however you will be able to attain the growth and knowledge with opportunities. You will be receiving a message filled with good news and glad tidings. If you give some thought to these matters you will know what direction to take. You are involved or will soon become involved in a relationship or love affair. Favorable Dates : Oct 2, 3, 11, 12, 20 & 21. Favorable Colors : Red & Black

**C**apricorn ( 22 December – 19 January ) -You are going to begin a new phase in your life along with new opportunities. Rewards for past efforts will come to pass. There will be some stress to go along with these changes however you will be able to attain the growth and knowledge with opportunities. You will be receiving a message filled with good news and glad tidings. If you give some thought to these matters you will know what direction to take. You are involved or will soon become involved in a relationship or love affair. Favorable Dates : Oct 2, 3, 11, 12, 20 & 21. Favorable Colors : Red & Black

**A**quarius ( 20 January – 18 February ) -This is the time to make a fresh start. Increased optimism and self-confidence makes you feel capable of achieving your goals. You'll have a larger-than-life presence and an ability to inspire others. As a result you may have the opportunity to teach, guide or mentor others. Time to spread your wings and fly higher. Emotional or financial concerns that have been bubbling away may pop up. It can also be a time when new possibilities and solutions emerge and you will capture them strongly and nicely. Favorable Dates : Oct 3, 6, 12, 15, 21 & 27. Favorable Colors :Green & White

**P**isces ( 19 February – 20 March ) -Your popularity, optimism and confidence remain high. Delays have ended in career and business, prestige and status zones, but higher ups have also become more demanding. They expect action and results. Don't disappoint them! You'll churn out strong results. Continue with ambitious plans and efforts. Delays have dissolved in legal, intellectual, cultural and far travel projects. These areas will bring you much hope, perhaps a growing "friendship base" through mid-October. Health issues will improve. Favorable Dates : Oct 2, 3, 11, 12, 20 & 21. Favorable Colors : White & Blue
