

Languish with The Elite In Phuket: 5 Irresistible Reasons to Visit Villa Amanzi

A stunning villa in Thailand with an infinity pool, private chef, and a view to die for... need we say more?

We found one of the most breathtaking hot spots in all of Southeast Asia. Welcome to paradise, also known as Villa Amanzi. This incredible villa is located in Phuket, Thailand, in the quiet serene area of Kata Noi, Karon.

This stunning six-bedroom villa is ideal for groups of friends or a few families who want space to spread out in their own peaceful, private, fully staffed, three-pavilion oasis. Also a great hot spot for corporate meetings or weddings. Really, what's it NOT perfect for is my question?!

Villa Amanzi is a lavish hillside haven with fabulous views over Kata Noi beach. Spectacularly embellished with traditional Asian-inspired interior, the villa is furnished with oversized sofas and plush size pillows on soft oversized beds. Amanzi lives up to its elegant name, as it is the Zulu word for water, an element whose restorative properties prevail within and around the villa. The atmosphere is cool and tranquil, which is further enhanced by the trickling stone waterfall feature and tranquil koi pond garden to the rear of the villa's living and dining room.

As soon as I step onto the property, I am at peace looking out over the vast expanse of the emerald ocean. The property is perched on the hillside with a short 10-minute walk to the soft sands of Kata Noi. This is truly an oasis of enchantment and awe. A team of professionally trained staff are always on hand to prepare relaxing baths, cook up healthy meals, or arrange languid spa treatments. So really, all that's left to do is relax and bask in all the beauty!

If you've ever dreamed of vacationing in a tropical paradise, in a lap of luxury, your dream is possible with Villa Amanzi. Here are six reasons I fell in with love this stunning accommodation:

Private chef

All meals will be prepared for you with the private chef service. Staying at Amanzi offers the advantage of exploring Thai cuisine with the guidance of your own personal chef and dining in privacy at an unhurried pace. The bright kitchen, very well equipped with modern appliances, is mainly the chef's domain but is open for guests to use at their convenience.

Infinity Pool

The Perfect Location

The white sands of Kata Noi beach – one of Phuket's finest – are just 800m away while the larger Kata beach lies just a little farther to the north. Both Kata Noi and Kata beaches are known for their lovely sunsets and excellent surfing conditions during the southwest monsoon months of May through October. Making the most of those spectacular views, some of the island's best restaurants have sprung up on the beachfront and headland around Kata Noi, while the resort town of Kata offers several more dining, shopping, and entertainment choices.

Thai Hospitality

Staying in a villa offers a wonderful chance to experience Thai hospitality at its best. Villa Amanzi is staffed by an experienced team of four who offer caring and personal service tailored to your preferences. The manager and chef are pleased to discuss your needs to ensure you enjoy a restful and enjoyable holiday at the villa.

Spa

You can experience spa treatments or a relaxing massage in the privacy of the villa. The villa manager can recommend therapists for a range of treatments to be enjoyed by the pool in the open spa room or in the air-conditioned comfort of your bedroom on a spa bed. Get ready to release any remaining tensions in Amanzi's sauna, just a few steps away from the pool and spa room.

Spa Menu:

Traditional Thai massage

A healing technique that will leave you energized, this traditional Thai massage combines stretching, manipulation, and rhythmic compressions to stimulate flow along the “meridians” of the body without using oil.

Aromatherapy massage

A therapeutic, holistic massage technique that uses blends of essential oils customized to each individual’s personal needs.

Manicure/Pedicure

Give your hands and feet a deserving treat with a manicure or pedicure, with the added bonus of a hand or foot massage.
