Noku Beach House Opening in Bali this September

They call it the only luxury beach-villa in all of Seminyak... Indeed this picturesque location makes it a dream destination. Plus, the stunning list of amenities ensute, make the Noku Beach House an absolute delight. Opening this September, *GlobalSpa* gives you a special preview of what's on offer.

An uninterrupted ocean view, facing the sunset, is everyone's dream destination. Add in a designer villa in the choicest location in Bali and you have an unbeatable combination.

Welcome to Noku Beach House, the only luxury villa with absolute beachfront in all of Seminyak. With six stunning ensuite bedrooms, a variety of lounging and dining areas and twenty-five staff to make your stay stress-free, Noku represents the peak of comfortable and sophisticated living. The open plan terraces and balconies are designed to optimize the ocean view and to take advantage of the sea breezes; hanging gardens and palm trees create the feeling that you are in a calm oasis, while the in-house spa and plunge-pool can ease your cares away.

For the more active, you have a private tennis court and the long pool and direct access to the beach for surfing, swimming, and other water-sports.

Seminyak itself is famous for its fine-dining, bars and clubs, many of which are a short beach walk away, and your in-house concierge will be happy to organize your outings and make bookings for you.

And if you prefer to entertain at home, a fully staffed commercial and prep kitchen are on hand – not to mention the wine room. When the mood takes you, the high-spec sound system

will create different atmospheres between the various rooms and spaces – with curated playlists available at the tap of a tablet – or perhaps unwind with a movie in the media room or via the outdoor projector on the pool deck.

Underpinning everything at Noku Beach House are the staff, trained to the highest standards by the Elite Havens Group and bringing Balinese warmth and charm to everything they do. They recognize that your comfort and privacy are paramount and will do everything to make sure your stay at Noku is as care-free and memorable as possible.

Opening in September 2018, Noku Beach House will be Seminyak’s only private beachfront villa. To learn more visit www.nokubeachhouse.com. For all press or media inquiries, please contact Felicity Hannay, Marketing Director, at felicity.hannay@elitehavens.com.
