THE DINING AREA AT VILLA ADASA, AT LAKSMANA

Laksmna Villas

Eleven villas, each unique, in a serene gated enclave in Bali's buzzy Seminyak give you much to choose from, all while being walking distance to bougie shops, dining and beaches. Fully staffed (including a manager, chef and butlers) they range in size from one to five bedrooms – perfect for a couple's escape or family holiday. The three-bedroom, colonial-style Villa Adasa sits around a 14m pool and includes a traditional bale for lazing away a tropical afternoon with your loved ones. For larger groups, the two Des Indes Villas can be rented together for a nine-bedroom spread of charming local architecture with open-air living spaces decorated with heirloom artefacts that lead to three swimming pools. Villa Solo is made for couples with just one bedroom but plenty of perks such as rooms with soaring ceilings wrapping around a swimming pool, in-villa spa treatments and a bathtub set in a courtyard.
