In case you haven't already been spending your summer full of [travel](#) envy, [South China Morning Post](#) just helped us round up some of the most [Instagram](#)-worthy vacation spots in South East Asia. From secluded beaches to paradises for divers, the list includes the best private island getaways for jet setters who don't want to visit the usual travel destinations. Take a look at the list below featuring resorts in the [Philippines](#), [Cambodia](#), [Indonesia](#) and [Thailand](#), and start dreaming about your next adventure.

Indonesia

Nusa Lembongan

Nusa Lembongan is part of a group of three islands and is dubbed "Bali's little sister." Make sure to try out [Villa Voyage](#), a glamorous five-bedroom villa created for designer beach retreats. If you're wondering exactly how luxurious this villa is, they have their own jukung — a traditional outrigger fishing boat — decorated with Emilio Pucci-print cushions and completed with gourmet picnic baskets.
