Bali is a favourite destination for all of kinds of travellers and Elite Havens Dea Villas – Villa Sati promises guests a unique tropical holiday experience.

*Villa Sati*

[Dea Villas](#) is an exclusive, luxurious estate located on a quiet street in the rural district of Berawa, near Canggu. The property is smack in the middle of acres and acres of rice fields framed by a rugged surf beach. Near the villas are several café-style restaurants, a delicatessen, some simple spas, and a yoga venue. It is also five minutes from the surf breaks of Berawa Beach and only 15 minutes from the buzz of Seminyak.

ELITE HAVENS

The four-bedroom Villa Sati is one of the four villas in the Dea Villas Estate offering a range of shared facilities that few Bali villas can offer. Blending traditional Balinese and Javanese design elements, the villa comprises five separate private living and sleeping pavilions placed around the large lagoon-style swimming pool. The spacious interiors are full of the owner's antique Asian curios and collectibles mixed with 21st-century necessities such as iPod docks and TVs.

When we hear the word haven, we think of sanctuary or a safe place. [Elite Havens](#) stays true to its brand by offering a relaxing place to guests where they can take a break and put their feet up. Here is a list of inimitable features why you will have a different Bali holiday experience when you stay at Elite Havens Dea Villas – Villa Sati.

ELITE HAVENS

## A dining experience that suits your taste

Make every meal a memorable affair. Guests can discuss food preferences and menu options with the Villa Manager prior to their stay or when they arrive. Elite Havens employs the best chefs in every property to bequeath guests a pleasurable dining experience during their stay. Guests may request what they want to eat or allow the kitchen staff to surprise them with their skills and creativity using fresh, local and seasonal ingredients. Chefs can cook a range of international dishes as well as local favourites and can cater to guests' allergies and personal preferences.

Among the team of staff that serves Dea Villas are butlers working in shifts 24/7, and three chefs who are dab hands at creating everything from poolside snacks to gourmet dinners from a reasonably priced menu.

At Elite Havens Dea Villas – Villa Sati, get a taste of Balinese, Indonesian, Asian, western, children's and vegetarian dishes; Indonesian and Chinese set meals; barbecue menus; wines and cocktails. Enjoy daily breakfast, included in the daily rate.

Guests can also ask the Elite Concierge will stock up the fridge with their favourite food, wines, and snacks, so they have everything before they arrive. All groceries and beverages are charged at market price plus a handling fee and tax if any. Guests are asked for advance payment for provisions, but all receipts are kept for reference.

## Elite Concierge

True luxury goes beyond deluxe accommodation, Elite Havens Dea Villas takes it to the next level with its concierge services that will take care of all the details of planning a trip. This will shake off the stress from holiday planning and allow guests to enjoy every precious second of their stay.

Once a booking has been made, guests will have direct contact with Elite Concierge and will start taking care of the details even before they arrive – from bookings and arrangements, transport and reservations, to any special request.

Elite Concierge will also arrange unique experiences like dinners, movie nights, or special events. The concierge will also create a unique wellness experience to help guests relax and rejuvenate.

## Local tour guide

Nothing beats having locals as your guide who knows the place like the back of their hand. Elite Havens Dea Villas has on-the-ground teams to show off the hidden charms of Bali unbeknownst to many.

Bali is filled to the brim with exciting experiences such as trekking the picturesque rice terraces, wandering the water palaces, and watching the cultural performances in different temples on the island. Whether it is an amazing

culinary experience, inspired nightlife, or cultural adventure, Elite Havens strives to provide guests with one-of-a-kind experiences in the destination they are in.

However, you may also opt not to leave the villa and enjoy a luxurious staycation with the gated property. Bring the whole gang to Bali! With four equally spacious bedroom suites privately housed in individual pavilions, Elite Havens Dea Villas – Villa Sati is ideal for four couples or a group of friends.

The villa can also be rented in conjunction with any (or all) of the four other Dea Villas – Villa Radha (one bedroom), Villa Amy (three bedrooms) and Villa Sarasvati (four bedrooms). The five villas offer a total of 12 bedrooms for 24 people (with 12+ extra beds possible), offering the flexibility of different combinations for multiple families holidaying together, large groups of friends – and the perfect Bali wedding.

Elite Havens is proud to deliver an extraordinarily personalised and transparent service. The Dea Villas Estate offers a tropical haven and each villa has its own character and style, from ultra-contemporary to whimsical heritage chic, and is privately secluded in its own garden with a pool and outdoor pergola or balé, yet all link together to make the perfect venue for a wedding, executive retreat, extended family get-together or special interest group.
