

FRV TRAVEL – VILLA AIKO

Edition 10.2 August – September 2013

VILLA AIKO

New to the MVL stable of quality luxury villas is the Aiko with uninterrupted views from Jimbaran to Kuta and the mountains beyond.

Villa Aiko is a stunningly-designed, contemporary villa with sweeping views over Jimbaran Bay from its prime hilltop location. East meets West as traditional Balinese features fuse deliciously with marble, granite and local woods. A profusion of glass floods the villa with sunlight and yields seamless views over manicured lawns, calming water- features and an alluring infinity-edge lap pool. The villa's four bedrooms are spacious and private, two of them offering amazing views right from their king-size beds. Ensuite bathrooms boast chic Grohe fixtures, floors are of polished wood and entertainment facilities are top notch. In addition to all this lustre, a team of professional staff including villa manager, in-house chef, housekeepers and security staff are at your service.
