

FRV – VILLA JAMALU

Edition 9.6 April – May 2013

VILLA JAMALU

The glistening waters and white sand of Jimbaran Bay provide the backdrop for this stunningly designed and stylishly decorated villa on Bali's east coast. Perched high atop a hillside, with sweeping views over the Indian Ocean, this four bedroom villa provides guests with the ultimate in luxury and entertainment.

Everyone - from young kids to the grownups - will revel in the abundance of delights spread throughout the three spacious levels of this villa, from the spa room, well-equipped private gym, yoga space, pool table, kids toy room and PlayStation to the limestone swimming pool with poolside balé.

Villa Manager, Milani and her team will make you feel welcome from the moment you cross the threshold and your private chef Komang will delight and tantalize your taste buds at every meal.

Boasting a state of the art Bose sound system; music can be played wherever you are in the villa, from poolside to rooftop cocktails. So don't forget to load the iPod with your favourite tunes and create the perfect soundtrack to your perfect holiday!
