Dear Chris:

In accordance with Utah Code Ann. §54-4-42 and section 8.03 of Questar Gas Company dba Dominion Energy Utah's (Dominion Energy, DEU or Company) Utah Natural Gas Tariff No. 600 (Tariff), Dominion Energy hereby requests Utility Bill Assistance Program (UBAP) funding from the Utah Division of Public Utilities (Division) of \$1,326,400.

This funding request is the Company's fourth request for the program. On March 21, 2023, the Company requested \$1,951,600 on June 5, 2023, the Company requested \$2,500,400 and on January 12th, 2024 the Company requested an additional \$1,016,000. These three requests were intended to cover payments to customers from August 2022 through March 2024.

In its January 12th letter the Company estimated that the additional \$1,016,000 requested would be used to cover customer payments through March 2024. However, personnel in the Company's billing department mistakenly believed that the \$200 UBAP credit was a once-in-a-lifetime credit rather than a once-per-year credit as set forth in the Tariff. Upon correction of this misunderstanding, and further analysis the Company has determined that there are 6,632 additional customers who are eligible to receive a second UBAP credit after August 1, 2023. Accordingly, the Company respectfully requests an additional \$1,326,400 to fund UBAP credits for these and other qualified customers. I have updated the information in the table below for your information.

Time Period	Participants	Dollars Received	Pending Request	Funding Request
2023 Funded and Paid Participants	21,714	\$4,342,800		
2023 Participants to be paid	804	\$109,200	\$51,600	
January 2024 - March 2024 Projected Eligible Participants	4,822		\$964,400	
August 2023 – December 2023 Eligible Participants for second credit	6,632			\$1,326,400
Total	33,972	\$4,452,000	\$1,016,000	\$1,326,400

These funds will remain in the UBAP account (Account 191.801) until they have been disbursed to customers. This funding along with disbursement information will be reported to the Utah Public Service Commission semi-annually. Let me know what steps are necessary to complete the funds transfer.

Sincerely,

/s/ Kelly B Mendenhall
