By letter order issued on June 17, 2024 in Docket No. RP24-803-000, the Federal Energy Regulatory Commission accepted the proposed tariff records to be effective on July 1, 2024. The tariff record updates CIG's FL&U retention percentages.

The attached files distribute the latest changes to CIG's Tariff. If you wish to update your paper copy of the Tariff, please print the document in the file named "Tariff Sections" and substitute that record for the counterpart record in your paper copy of the Tariff. For your convenience, a fully updated electronic copy of the tariff can be found on the corporate website at [Informational Postings](#) :: [Colorado Interstate Gas Company, L.L.C.](#)
