

Outside Competition process

Any time a Georgia Tech student-athlete participates in official competition, as defined by *NCAA Bylaw 17.02.10 – Organized Competition* and *NCAA Bylaw 17.02.11 – Outside Competition*, they shall submit the Outside Competition form to the compliance office designee prior to such participation.

For competition as a member of an outside team, please complete this form:

<https://bit.ly/39t8exZ>

For competition as an individual, please complete this form:

<https://bit.ly/3MWu6R4>

For competition in the sport of basketball in a summer basketball league, please complete this form:

<https://bit.ly/gtaabbsummer>

The student-athlete will complete their portion of the form, it will then require review and approval from a member of their sport's coaching staff or designee, and then the compliance office designee will review for a final determination regarding participation.
