

Letter of resignation

Dear Ola Wiesznieska

The editorial board of the 'Sustainable organizations' section has tried to be as patient and constructive as possible in order to have a strong section that would contribute to the 'Frontiers in sustainability' journal. In spite of the letter we sent you in October last year, there have been a number of unresolved issues that keep on repeating and there is too much pressure on all of us (editor-in-chief of the section, associate editors, RT editors, and review editors) to carry out our editorial duties with due care.

For these reasons, the signatories of this letter resign from the editorial board of the 'Sustainable organizations' section as of the 12th of May 2023.
