

Delaware Form 200-01-X
Resident Amended Personal Income Tax Return
Instructions For Tax Year 2018

PURPOSE OF FORM 200-01-X:

Use Form 200-01-X to correct Form 200-01.
File a separate Form 200-01-X for each year you are amending.

WHEN AND WHERE TO FILE:

File Form 200-01-X only after you have filed your original return. Generally, Form 200-01-X must be filed within three (3) years after the date the original return was due, or within two (2) years after the date the tax was paid, whichever is later.

A Form 200-01-X based on a net operating loss carry back must be filed within three (3) years after the date the return creating the net operating loss carry back is due. Therefore, even though the return the operating loss is being carried back to is out of statute, if the return creating the operating loss is still in statute, the carry back year becomes "in statute".

Form 200-01-X should be mailed to:

Delaware Division of Revenue
P.O. Box 508
Wilmington, Delaware 19899-0508.

WHO MUST FILE:

If your federal return is changed for any reason, it may affect your Delaware State income tax liability. This would include changes made as a result of an examination of your federal return by the IRS. You are required to report to the Division of Revenue such change within ninety (90) days after the final determination of such change and indicate your agreement with such determination or the grounds of your disagreement. Attach a copy of any federal adjustments to your Delaware amended return.

WHAT TO FILE:

1. Residents file Form 200-01-X, Resident Amended Delaware Personal Income Tax Return.
2. Non-Residents file Form 200-02-X, Non-Resident Amended Delaware Personal Income Tax Return.
3. Part-Year Residents may choose to file Form 200-01-X or Form 200-02-X.

WHO IS A RESIDENT?

A resident is an individual who is either:

- Domiciled in this State for any part of the taxable year; or
- Maintains a place of abode in this state and spent more than 183 days of the taxable year in this State.

If you must file a tax return as a part-year resident, you may elect to file either a resident or non-resident return.

ADDRESS CHANGE:

If you move after you have filed your amended return, you should notify the Division of Revenue of your address change. Please be sure to include your social security number (and, if applicable, your spouse's social security number) in any correspondence with the Division of Revenue. You may change your address by calling the Address Change Voice Mailbox at (302) 577-8589 or (800) 292-7826 (Delaware only).

FEDERAL PRIVACY ACT INFORMATION:

Social security numbers must be included on your amended return. The mandatory disclosure of your social security number is authorized by Section 306, Title 30, Delaware Code. Such numbers are used primarily to administer and enforce all tax laws, both civil and criminal, for which the Division of Revenue has statutory responsibility.

CORRECTING WAGES – If you are correcting wages or other employee compensation, you must attach a copy of all additional or corrected W-2 forms not filed with your original return.

Line 33 – Interest on State and Local Obligations other than Delaware Interest you received from any obligations of states other than Delaware or their political subdivisions is taxable and must be added on Line 33.

Line 34 – Fiduciary Adjustments, Oil Percentage Depletion: Fiduciary Adjustments - Net additions from fiduciary adjustments derived from income received from an estate or trust as shown on Federal Form K-1, Beneficiary's Share of Federal Income and Deductions should be included on Line 34.

Oil Percentage Depletion - The law provides for the disallowance of any percentage depletion deduction allowable under federal law, to the extent it is in excess of cost depletion. Add the excess to the amount of fiduciary adjustments and enter the total on Line 34.

Line 37 – U.S. Obligations - Interest on obligations of the United States and included on your federal tax return is exempt from Delaware tax and should be entered on Line 37. Failure to identify the payor on Federal Schedule B will result in the disallowance of the deduction.

Line 38 – Pension Exclusion - Persons 60 years of age or older are entitled to a pension exclusion of up to \$12,500 or the amount of pension and eligible retirement income (whichever is less). Eligible retirement income includes dividends, interest, capital gains, net rental income from real property and qualified retirement plan (IRC Sec. 4974), such as IRA, 401(k), Keogh Plans and government deferred compensation plans (IRC Sec. 457).

IF YOU WERE UNDER 60 on December 31, 2018 your exclusion equals \$2,000 or the amount of your pension, whichever is less.

NOTE: Each taxpayer may receive **ONLY ONE** exclusion, even if he or she is receiving more than one pension or other retirement distribution. Spouses who each receive pensions are entitled to one exclusion each. An early distribution from an IRA or Pension fund due to emergency reasons or a separation from employment does not qualify for the pension exclusion. If the distribution code(s) listed in Box 7 of your 1099 R(s) is a 1 (one), then that amount **DOES NOT** qualify for the pension exclusion. Also, if you were assessed an early withdrawal penalty on Line 58 of Federal 1040, that amount **DOES NOT** qualify for the pension exclusion.

LINE 39 – Delaware State Tax Refund – Delaware state tax refunds may be excluded to the extent they are included in federal adjusted gross income.

Fiduciary Adjustment

Net subtractions from fiduciary adjustments derived from income received from an estate or trust, as shown on your Federal Form K-1, Beneficiary's Share of Income and Deductions, should be included on Line 39.

Work Opportunity Credit

The law allows a deduction for the portion of wages paid but disallowed as a deduction for federal tax purposes by reason of claiming the work opportunity credit on the federal return. The portion of the deduction for wages, which is disallowed for federal purposes, should be entered on Line 39. To claim this modification you must attach Federal Form 5884.

Delaware Net Operating Loss Carryovers

Taxpayers who were prevented in previous years from carrying federal net operating losses to their Delaware returns (because of Delaware's \$30,000 limit on net operating loss carrybacks) are permitted to carry these additional losses forward on their Delaware return in years following the loss year.

LINE 40 – Social Security/Railroad Retirement Benefits

Social Security and Railroad Retirement benefits are not taxable in Delaware and, therefore, should not be included in taxable income. Enter on Line 40 the total of any taxable payments included on Line 32.

Higher Education

Distributions received from qualified retirement plans (IRC Sec. 4974, including IRAs), cash or deferred arrangements (such as 401(k) plans) and government deferred compensation plans (IRC Sec. 457) may be excluded from Delaware adjusted gross income to the extent they are used in the same tax year to pay for books, tuition or fees at an institution of higher education attended by the taxpayer or by his or her dependents who have NOT attained the age of 26 by December 31, 2018; and as long as such amounts have been included in federal adjusted gross income.
