Partnership Return Instructions

FORM PRT-RTN (FORMERLY FORM 300)

2023

Revised 12/20/23

WHO MUST FILE RETURNS

A PARTNERSHIP RETURN MUST BE COMPLETED BY ANY BUSINESS TREATED AS A PARTNERSHIP FOR FEDERAL PURPOSES WHICH HAS ANY INCOME OR LOSS, REGARDLESS OF AMOUNT, DERIVED FROM OR CONNECTED WITH A DELAWARE SOURCE. IF THE PARTNERSHIP HAS NO DELAWARE SOURCED INCOME OR LOSS, NO RETURN IS REQUIRED TO BE FILED.

Income derived from Delaware sources includes: (a) income attributable to the ownership of any interest in real property or tangible personal property located in Delaware and intangible personal property to the extent the intangible is used in a trade, business, profession, or occupation carried on in Delaware; and (b) income attributable to a trade, business, profession or occupation conducted in Delaware.

COMPUTATION OF THE TAX

How Do I Fill in the Payment Voucher?

A partnership, as such, is not subject to tax. Instead, the partnership's partners are liable for Delaware personal income tax on their respective shares of partnership income.

A non-resident partner of a partnership with income from Delaware sources must file Form PIT-NON or a Composite Return, and report their share of Delaware sourced partnership income or loss. A resident partner must file Form PIT-RES and must report their share of partnership income or loss.

WHEN AND WHERE TO FILE

Partnerships must file by the 15th day of the third month following the expiration of the taxable period (March 15 for calendar year taxpayers). Returns should be mailed to the Delaware Division of Revenue, P.O. Box 8703, Wilmington, DE 19899-8703.

EXTENSION OF TIME TO FILE

Extension of time to file returns may be obtained by submitting a copy of the Federal extension application on or before the due date of the partnership return. A photocopy of the approved Federal extension MUST be attached to the return when filed. The approved Federal extension will extend the due date of the Delaware return to the same date as your Federal extension due date.

PENALTIES AND INTEREST

PENALTY - FAILURE TO FILE - A penalty will be imposed on partnerships for failure to file a partnership return or failure to furnish the information on such return. The amount of the penalty imposed for each month such failure continues, is the product of \$25.00 times the number of partners during any part of the taxable year but is limited to a maximum of 5 months.

PENALTY - NEGLIGENCE/FRAUD - The law provides severe penalties for a false or fraudulent return, or for making a false certification. The mere fact that the figures you report on your Delaware return are taken from your Federal return will not relieve you from the imposition of these penalties.

AMENDED RETURNS

The Partnership can make changes to income, deductions, credits, etc., by filing an amended partnership return. This form should also be filed when you have been notified as to the results of a federal audit. A copy of the federal audit and/ or amended Federal Form 1065, with all supporting

schedules, must be attached to the Delaware amended return.
