**One Talk - not your typical voice, video, and messaging business solution.**

**Your business is constantly evolving, so you need a phone and collaboration solution that can keep up. We have you covered for how you work today and in the future.**

One Talk is a mobile-first business phone solution built for how you work today, allowing you to connect with customers, employees and others in the office or on the go. Easily manage 50+ business and user features from the Verizon One Talk web portal or mobile app.

## One Talk includes multiple user device & app options:

- **Smartphone Native Dialer.** Connect mobile employees to the office and customers from their smartphone native keypad – all over the reliable and award-winning Verizon network.
- **Desk, conference, and cordless phones.** Enhance calling and collaboration with a range of VoIP phones, including the nation's first 4G cellular enabled desk phone, and accessories for your office-based employees.
- **Mobile App for smartphones and tablets.** Enable employees using business-owned or personal smartphones and tablets (including other carrier devices) to access One Talk features from a single number.

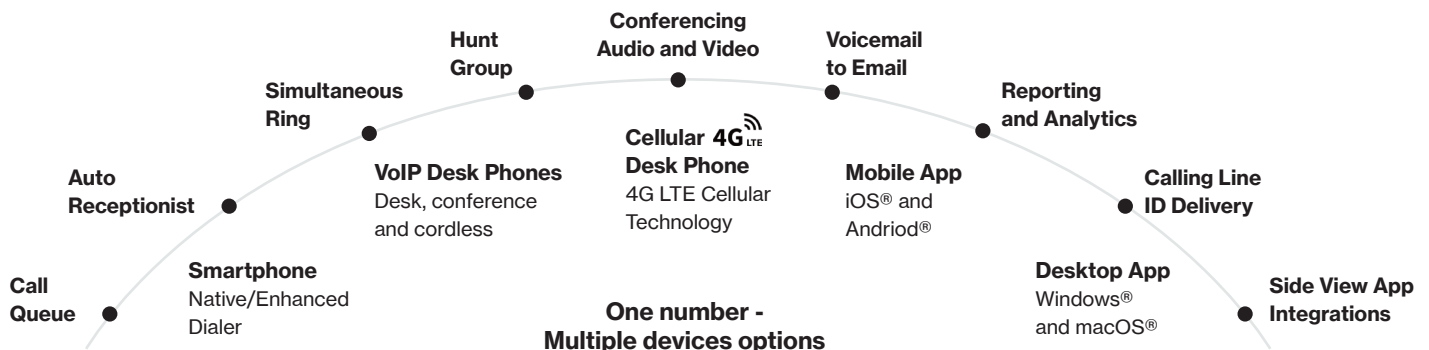

- **BlueJeans Meetings.** Dolby Voice and HD video collaboration integrated for a seamless user experience.
- **Side View business app integrations.** Mobile and Desktop Apps can display caller info including recent emails, past and upcoming meeting events and CRM account information.
- **Desktop App for computers.** Easily make and receive voice/video calls and SMS/text messages on your computer (PC or Mac®), similar to using your smartphone.

## One Talk has powerful features to enhance communications:

- **Anywhere calling.** Provide flexibility and a better calling experience with business-grade features like Caller ID and Simultaneous Ring.
- **Easy collaboration.** Boost your employees' ability to collaborate more effectively with messaging (chat, SMS and IM) and video conferencing from BlueJeans by Verizon on a single unified app.
- **Engaging customer experience.** Connect callers to the people they need with features like Auto Receptionist, Hunt Group and more.

**Powerful phones & features designed for how you work today.**
