## HISTORY OF THE STATE ELECTION COMMISSION

The State Election Commission became a separate state agency on January 1, 1969. It had formerly functioned as a division of the office of Secretary of State. It was the feeling of the General Assembly that voter registration and the administration of elections were matters that should be removed from possible influence of partisan, elected officials and placed under the custody of a nonelected bipartisan board or commission. By the law which created the Election Commission, it was required that the Commission be composed of at least one member of the majority political party represented in the General Assembly and at least one member of the largest minority political party represented in the General Assembly.

The State Election Commission operates under authority granted by 1968 Act No. 955, which is codified as Title 7, Section 3-10 et. seq., of the 1976 South Carolina Code of Laws, as amended.

## ORGANIZATION OF THE STATE ELECTION COMMISSION

### I. ADMINISTRATION

The functions of the Election Commission are administered as a five-member commission, which meets monthly in Columbia, and by an executive director who is the chief administrative officer of the agency. Policy, procedures and rules governing the various functions of the Commission are set by the election commissioners and carried out by the executive director. The executive director employs and maintains a competent working staff to assist him in carrying out his duties. During statewide general election years, it is necessary to employ additional personnel in order to carry out the increased responsibilities of the Election Commission at that time.

The Election Commission also considers and recommends changes in the Registration and Election laws to the General Assembly.

### II. CENTRAL VOTER REGISTRATION SYSTEM

The Election Commission is the coordinating center of South Carolina's computerized system of voter registration. All forty-six (46) counties report new registrations and registration changes to the Central Office, where a computer file is built and from which are printed new lists of registered voters for every election that is held in the State: statewide, countywide, municipal or other. This system is responsible for removing from the rolls of voters those persons who have died, moved, been convicted of certain crimes or otherwise become ineligible as electors.

In this regard, reports must be obtained from other federal, state and local agencies and compared with the computer files. Detailed records and statistics are maintained on the number of registered voters in each county and precinct of South Carolina. Biannually, voters who have failed to vote in at least one election in a two year period are removed from the list of active voters and placed in an inactive file.

Twelve counties have direct access to the Central Registration files to allow for input of new voters and also to allow status checks for voters who could have registered in another county. This process has performed well during the short time of use. The counties have found the direct link useful and time saving in the printing and distributing of voter registration notification material.

All forms and materials used for voter registration by the Central Office and the County Boards of Registration are printed and paid for by the Election Commission. The Central Office also provides, as a public service, the sale of precinct lists of registered voters at a reasonable cost to any registered elector.

### III. AID TO COUNTIES

The Election Commission is charged by law with the responsibility of disbursing, to all counties, a state supplemental appropriation to aid in keeping the Board of Registration office open during normal courthouse hours. The amount received by the counties is based upon their respective populations.

### IV. ELECTIONS

#### A. Office of Elections

The State Election Commission is the chief election officer for the conduct of general and special elections.

This office prints and distributes for statewide general election and countywide special elections all ballots, forms and other materials necessary to conduct such elections for Presidential Electors, State Officers, United States Senators, Members of Congress and Constitutional Amendments.

#### B. State Board of Canvassers

After the conclusion of state and county general elections, the five commissioners of the Election Commission act as the State Board of Canvassers. The Board certifies the results of elections and hears appeals and protests arising in such elections.

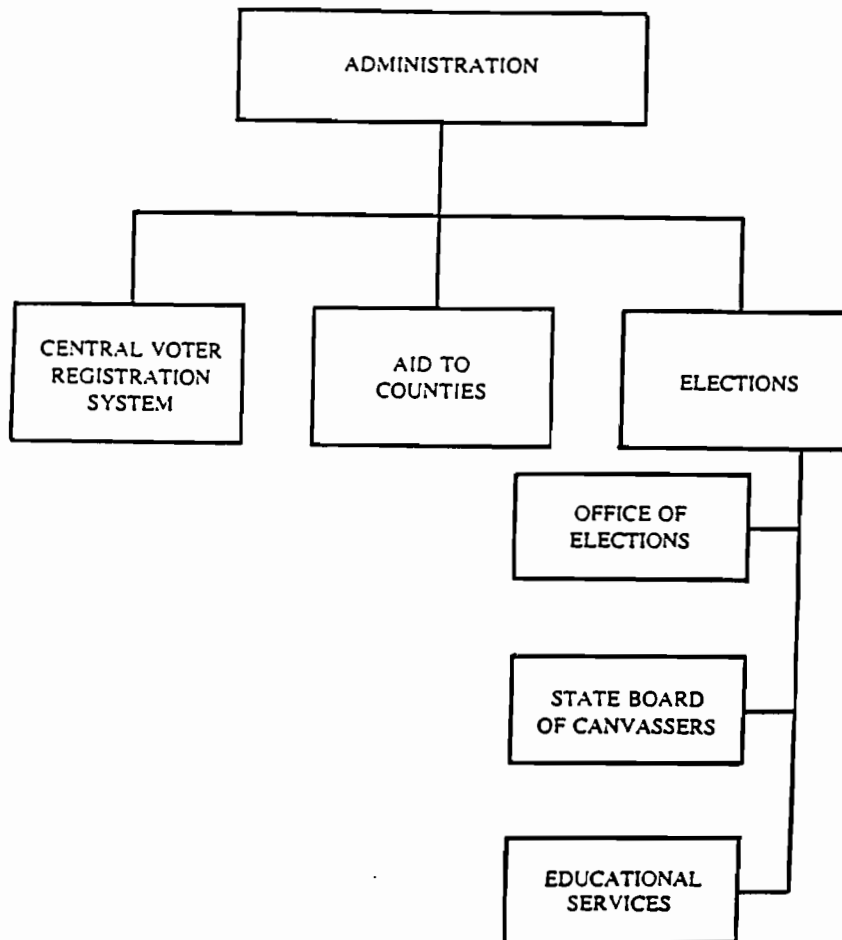

#### C. Educational Services

The State Election Commission conducts a comprehensive training program for election workers throughout South Carolina on a continuing basis and provides needed information to members of the public concerning election procedures in their State. A variety of election statistics regarding South Carolina's elections are also compiled and available upon request of interested individuals.

Educational Services conducted a statewide training program for poll Managers working in the General Election. This program was aired to the Managers at selected sites throughout the State via the Educational Television Network's closed circuit lines. Special telephone lines and talkback facilities provided by ETV were utilized to answer any manager's questions on the air. Almost all of the managers working in the General Election took part in this training program.

Charleston, Cherokee, Horry, Richland, Spartanburg, Beaufort, Aiken, Anderson, Greenville and Sumter counties continue to implement their in-county poll manager training programs. It is hoped that other counties will begin year round training in the near future.

STATE OF SOUTH CAROLINA

NOVEMBER 4, 1986 GENERAL ELECTION

STATEWIDE CONSTITUTIONAL AMENDMENT ..... APPROVED

"Shall Section 26 of Article V of the Constitution of this State be amended so as to require the General Assembly to provide a uniform term of office for all magistrates in this State?"

EXPLANATION

Under the present Constitution, some magistrates in South Carolina have a term of office for four years and other magistrates have a term of office for two years. The General Assembly of South Carolina wishes to make the term of office for all magistrates the same. This change in the Constitution would require the general assembly to make the term of office the same for every magistrate in the State of South Carolina.
