RE: 2004 Election Report

Dear Judith,

There are two known errors in the 2004 Election Report. They are as follows:

- 1) The "Key to Abbreviation" on pages 42 and 76 is incorrect. "(RF)...Reform" should be replaced with "(IP)...Independence" and "(NL)...Natural Law" should be replaced with "(G)...Green."
- 2) In the General Election results for U.S. Senate on pages 44, 81 and 116, the party affiliation for Efi Nwangaza is incorrectly identified as "IN" or "IP." It should be "G" for Green Party.

Thank you for your help in making this known in the official record of the State Archives.

Sincerely,

Chris Whitmire  
Public Information Officer  
State Election Commission

## Statewide Constitutional Amendments Questions November 2, 2004 General Election

Instructions: Those voting in favor of the questions shall deposit a ballot with a check or cross mark in the square after the word "Yes", and those voting against the questions shall deposit a ballot with a check or cross mark in the square after the word "No".

### AMENDMENT #1

"Must Section 1, Article VIII-A of the Constitution of this State, relating to the powers of the General Assembly pertaining to alcoholic liquors and beverages, be amended so as to authorize the General Assembly to determine the size of containers in which alcoholic liquors or beverages are sold and to delete the provision requiring the sale of alcoholic liquors for consumption on the premises only in sealed containers of two ounces or less?"

Yes

No

#### **Explanation of above:**

This proposed amendment authorizes the General Assembly to establish the size of containers in which alcoholic liquors and beverages may be sold in this State and deletes the requirement that alcoholic liquors and beverages sold by licensed establishments for on premises consumption must be in sealed containers of two ounces or less (minibottles). Under this proposal the General Assembly may provide by law for the size of containers from which restaurants and other licensed establishments may sell alcoholic liquors and beverages for on premises consumption.

### AMENDMENT #2

"Must Section 1, Article X of the Constitution of this State relating to the classification of property and applicable assessment ratios for purposes of property tax be amended so as to delete the specific limit of ten shareholders as the most shareholders a corporation may have for it to be eligible for a four percent assessment ratio on its agricultural real property and provide that the General Assembly shall provide by law the maximum number of shareholders a corporation may have to be eligible for the four percent assessment ratio?"

Yes

No

#### **Explanation of above:**

The state constitution currently allows a four-percent property tax assessment ratio for agricultural land owned by a corporation with ten or fewer shareholders. A 'yes' vote will allow the General Assembly to set a shareholder limit by law. A 'no' vote will keep the current limit of ten or fewer shareholders.

STATE ELECTION COMMISSION  
MINUTES

2003-2004

**STATE BOARD OF CANVASSERS  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**February 19, 2003  
10:00 a.m.**

Present: Mr. John Samuel West, Chairman; Mr. John D. Martin; Mr. John H. Hudgens, III; Mrs. Pamela T. Pinson; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Meeting was called to order and Mr. West officially welcomed Mrs. Pamela T. Pinson, a new appointee to the State Election Commission. The welcome was followed by introductions.

Minutes of the September 28, October 23 and December 5, 2002 were approved as presented.

The third item of business was the Help America Vote Act (HAVA). South Carolina must develop a State Plan to receive federal funding associated with HAVA. The HAVA State Plan Task Force, has been appointed to develop this Plan. A copy of the Act was provided for the Commission listing the goals of HAVA. The Plan would provide funds to improve election administration and technology such as replacing punch card voting systems and making polling places more accessible to individuals with disabilities. Under the Plan, the State Election Commission will report its HAVA activities to Congress and the Election Administration Commission. The HAVA Task Force will provide the Commission with recommendations for the State Plan by May 1<sup>st</sup> so that it may be submitted by July 1<sup>st</sup>.

Ms. Andino stated that after the State Plan has been developed and receives approval of the Commission that a public hearing, to receive comments, must be held within thirty days. The Commission took no action at this time.

The fourth item was the status of the Orders from the December 5, 2002 Appeal hearings. All Orders have been completed except for Anne Alford v. Charleston County. Mr. Martin stated that he originally drafted a proposed order. A copy was passed around to all the Commissioners to review and Mr. West stated that he would finalize the Order and circulate for signatures.

Fifth item of business was an update on budget reductions. The outline provided showed another 5% cut to the agency as anticipated. In July 1, 2004, another cut of 10% to 12% is anticipated. This could mean a cut in employees, two week furlough for employees, and our agency would have to start charging counties for services rendered such as

ballots. Ms. Andino stated she had met with House Ways and Means to request primary funds.

The sixth item of business was Agency Project Updates SCVRS and SERVE. Ms. Andino stated the last time an existing voting system was replaced was in 1992. In the fall of 2003, a web-based system should be implemented to improve data reports. Our agency is one out of five states to participant in SERVE (voting on the Internet for military). In 2004, SERVE would like for our agency to expand those voters.

Ms. Andino advised the commission that support for a single, statewide system of voting was gaining support. Some counties have been opposed to a standardized statewide system because they feel that they would not have any control with the system. They are also concerned about the loss of SCARE funds (\$10,000 - \$15,000) from vendors if implemented. Mr. Martin stated for Mrs. Pinson's benefit that the Commission had previously discussed considering a standardized statewide system. Mrs. Pinson recommended that a comparison of the savings of having one system be done and present our findings to the SCARE committee.

The seventh item of discussion was a Beaufort Co. poll watcher complaint. Mr. West stated that this was an administrative action. Mr. Hudgens suggested that the first sentence of the Poll Manager Guidelines be revised to include Poll Observers. Mr. West stated that poll managers "have the highest" authority to remove anyone who is disrupting the process of elections.

The eighth item of business was the scheduling of Commission Meetings for 2003. Mr. West proposed that meetings be held every third Wednesday of the month and carry-over to the next month if no business is required. Mrs. Peel will produce a calendar for the year and circulate by email.

Mr. West presented a Resolution in behalf of the Commission to Mrs. Royson in recognition of her service in the absence of an executive director. A Resolution will also be presented to Mr. Kimpson. Mr. West announced that Mr. Kimpson has tendered his resignation as of February 12, 2003 and asked that notification be mailed to the Governor and the Secretary of State.

Mr. Martin made a motion to go into Executive Session to discuss Personnel Issues. Mr. Hudgens seconded the motion. The motion carried unanimously. The Commission went into Executive Session. No motions were made and no votes were taken while in Executive Session.

The next tentative meeting was scheduled for March 19, 2003.

Respectfully submitted,

(signed)  
Cindy Peel

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**April 23, 2003  
10:00 a.m.**

Present: Mr. John Samuel West, Chairman; Mr. John D. Martin; Mr. John H. Hudgens, III; Mrs. Pamela T. Pinson; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

The meeting of the State Election Commission was called to order.

Ms. Andino presented a Legislative update reporting that bill S65 had received pre-clearance by Justice and that H3777 and S562 referring to statewide voting system have been introduced. H3777 was reported favorably out of House Judiciary. Bill S563 referring to the SERVE project (voting on the internet) was voted favorably by Senate Judiciary. Ms. Andino handed out an editorial from The State newspaper entitled "Don't Just Buy New Machines; Write Clear Voting Rules."

The third item of business was budget updates. Ms. Andino stated that our agency will have a 3.7% and 6.7% budget cut on July 1st. Our agency has requested \$2.4 million for the 2004 Statewide Primaries. The House did not include any funds in our 2004 budget for the Statewide Primaries. Senate Finance recommended \$2.4 million be included in our budget for the Statewide Primaries. The agency has \$1 million to carry over from last year. At a Senate Finance meeting, Senator Leatherman helped get the agency \$700,000 in matching funds for HAVA. At present, nothing is final but progress is being made. Ms. Andino outlined a broad plan of dealing with possible budget reductions.

The fourth item of business was the Help America Vote Act (HAVA) State Plan. A fact sheet concerning HAVA was handed out for review. The HAVA Task Force will provide the Commission with a draft of recommendations for the State Plan by May 1st and final copy is to be completed by June 1st. The Governor will approve the State Plan upon the Commission's endorsement.

The fifth item of business was an update of an ongoing project of the development of a statewide voter registration system. The CIO has been assigned as project manager and a consultant has been brought in for the latter part of the year.

The sixth item of business, Ms. Royson reported Northrop Grumman Corporation's application for certification of its Direct Vote Recording machine and accompanying Election Management Software upgrade. She recommended that this system and software upgrade be certified in South Carolina. Ms. Royson stated that, although the Walk-in Absentee Voting Feature is limited to 99 voters, and that this feature needs to be

improved, the system met the certification criteria for South Carolina. Mr. Martin made a motion to re-certify this system and software upgrade. Mr. Hudgens seconded the motion. The motion carried unanimously.

Mr. Martin made a motion to go into Executive Session to discuss contractual and personnel issues. Mr. Hudgens seconded the motion. The motion carried unanimously.

The February 23, 2003, Minutes were amended with change in wording on page 2, item 7 of the agenda. Mr. Martin made a motion to approve the Minutes as amended. Ms. Pinson seconded the motion. The motion carried unanimously. The SEC Meeting adjourned to hear the appeal of the City of Johnsonville Election protest held on November 18, 2002.

Respectfully submitted,

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**May 21, 2003  
10:00 a.m.**

Present: Mr. John Samuel West, Chairman; Mr. John H. Hudgens, III; Mrs. Pamella T. Pinson; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

The meeting of the State Election Commission was called to order.

The April 23, 2003 Minutes were approved as amended on Page 2, paragraphs 1 and 2. The word "entertained" was changed to "made".

Ms. Andino presented a legislative update with emphasis on H3777 which mandates a statewide uniform voting system. The bill received a favorable report from Senate Judiciary on May 20, 2003; however, Senator Knotts placed a minority report on the Bill which could delay its passage this year.

The second item of business was a budget update. Ms. Andino stated that the Senate approved the SEC request for \$2.4 million for the 2004 Statewide Primaries and \$700,000 in matching funds for HAVA. The final budget for 2003-04 will be available in June 2003. The House proposed a 3.7% and 6.7% budget cut on July 1<sup>st</sup>. Ms. Andino informed the Commission that, once the final budget reduction amount is determined, she will discuss a plan for absorbing those reductions before any action is taken.

The third item of business was an update on the Help America Vote Act (HAVA) State Plan. Integrys Solutions, Inc. was selected from the State's "Smart Person" contract to provide project management expertise and help with the HAVA State Plan. Integrys will also develop the RFP to select a single statewide voting system and evaluation guidelines. Integrys was selected because of their reputation within state government and because they do not have ties with any voting system vendors. A draft of the HAVA State Plan will be provided to the Commission in two weeks. After the Commission approves the plan, a copy will be sent to the Governor for his signature.

The fourth item of business was an update of ongoing projects. The statewide voter registration system should be ready for implementation by late December or early January. The State Election Commission is working with the office of CIO to define the statewide voter registration system.

The fifth item of business, Ms. Andino reported that Legislation to allow South Carolina to participate in the SERVE program was introduced in the Senate but it is not likely to pass the legislature this year. The Commission will need to decide whether or not to proceed with this program. Mr. West requested the decision be deferred until the next Commission meeting so it can be discussed in depth. All commissioners were in favor.

The sixth item of business was certification of a software upgrade by ES&S. Ms. Royson recommended that the ES&S system software upgrade be certified in South Carolina. Mr. Hudgens made a motion to re-certify software upgrade made by ES&S. Ms. Pinson seconded the motion. The motion carried unanimously.

The next Commission meeting was scheduled for June 18, 2003 at 10 am. The State Election Commission meeting adjourned.

Respectfully submitted,

**June 18, 2003

Present: Mr. John Samuel West, Chairman; Mr. John H. Hudgens, III; Mrs. Pamela T. Pinson; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

The meeting of the State Election Commission was called to order.

The April 23, 2003 Minutes were approved as amended and May 21, 2003 Minutes were approved as submitted.

Ms. Andino presented a hand-out containing the status of all election related legislation introduced this year. All legislation introduced will be carried over to the second year of the legislative session. H3777, a bill requiring a statewide voting system, was given third reading in the Senate with amendments, returned to the House, the House made changes and returned the bill to the Senate for concurrence. The Senate did not get to the bill before adjourning.

The second item of business was a budget update. Ms. Andino reported that the budget for fiscal year 2003/04 has not been signed by the Governor. Budget reductions will be effective July 1, 2003. We anticipate a reduction in force, vacating the office space on the fourth floor and cuts in operating expenses. Ms. Andino stated that we presently provide election support services to 14 counties. A proviso was approved that would allow us to charge counties for these services. This will generate \$75,000 each year. These funds would be used to support this program.

The third item of business was an update on the Help America Vote Act (HAVA). South Carolina's Preliminary State Plan was forwarded to the Governor for approval and posted on the Internet for public comment. A memo dated June 4<sup>th</sup> was mailed to all county voter registration and election offices informing them that we are in the final stages of preparing the Grant Application to be sent into the Federal Department of Health and Human Services (HHS) by July 7, 2003. This application is required so our state can receive part of the HAVA allocation to improve disability accessibility of polling places throughout the state. This money will be held by the State Treasury.

The State Election Commission has begun the necessary steps for a Request for Proposals (RFP) to procure the statewide uniformed electronic voting system. A phased

implementation approach will be used beginning with counties who used punch cards during the November 2000 general election.

Ms. Andino reported that we have received \$6.8M in HAVA funds. These funds will be used to begin the process of placing a voting unit for disabled voters in every precinct throughout the State, to train poll workers and educate voters in South Carolina and replace voting equipment. The next allocated funds should be received on October 1<sup>st</sup>.

Mr. West asked if the State Election Commission has an oversight to the money being disbursed and will we be protected throughout this process against assaults? Ms. Andino replied that there are safeguards built in the State Plan and statutes to be followed.

Ms. Andino stated that the statewide uniform electronic voting system will be the biggest challenge. The RFP should be ready by mid-August. Vendors will have 60 days (November 1<sup>st</sup>) to respond. A bid conference will be held two weeks after the release of the RFP. By early December vendors will present oral presentations and the intent to award will be issued in January 2004.

Mr. West asked about maintenance costs. Ms. Andino stated that we can build-in maintenance costs in the RFP for approximately five to seven years.

Ms. Andino requested that the Commission get any changes to the State Plan back to us by July 1<sup>st</sup>. A Preliminary copy of the plan will be given to the HAVA State Plan Committee.

The fourth item of business was an update of ongoing projects. The CIO is defining the statewide voter registration system and should be ready for implementation by late January or early February. Ms. Andino expressed concern about participating in the 2004 SERVE project due to the number of projects that are ongoing. Mr. West stated that this decision would be left to our discretion.

The fifth item of business was certification of a software upgrade by Hart Intercivic ESlate DRE system. Ms. Royson recommended that the Hart Intercivic ESlate DRE system software upgrade be certified in South Carolina. Mr. Hudgens made a motion to re-certify software upgrade made by Hart Intercivic ESlate DRE. Ms. Pinson seconded the motion. The motion carried unanimously.

Ms Royson recommended that the Voting Technologies International voting system be certified in South Carolina. Mr. Hudgens made a motion to certify the Voting Technologies International voting system. Ms. Pinson seconded the motion. The motion carried unanimously.

Ms. Royson gave an update on the certification of the Mets Corporation voting system. The testing of this voting system is time consuming due to the system repeatedly breaking down while testing. The operations manual is poorly written and more time is spent on the telephone working through these problems. As of this date, we still have not

received the requested source code. This system is scheduled to be tested in an election in Allendale County on July 1<sup>st</sup>. One concern about this system is that you can swipe a voting card repeatedly and vote again. During the Allendale election, poll managers will be instructed to activate the voting unit using the voting card instead of allowing the voter to activate the unit. This will prevent a voter from voting more than once.

The sixth item of business was the approval of the Bamberg County Order. The Order was approved with one correction to the spelling of Commissioner Pinson's first name. Mr. Hudgens made a motion to approve the Bamberg County Order with the stated amendment. Ms. Pinson seconded the motion. The motion carried unanimously.

Mr. Hudgens made a motion to go into Executive Session to discuss Agency Head Evaluation and Agency Reorganization. Ms. Pinson seconded the motion. The motion carried unanimously. The Commission went into Executive Session. No motions were made and no votes were taken while in Executive Session.

The next Commission meeting was scheduled for July 16, 2003 at 10 am. The State Election Commission meeting adjourned.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**August 20, 2003  
10:00 a.m.**

Present: Mr. John Samuel West, Chairman; Mr. John Derrick Martin; Mr. John H. Hudgens, III; Mrs. Pamela T. Pinson; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director, Mr. Jack Casey, METS Corporation; Mr. Lee Branham, METS Corporation.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

The meeting of the State Election Commission was called to order.

The June 18, 2003 Minutes were tabled until the Commission could review them.

Ms. Andino provided the Commission with a copy of the HAVA State Plan. The State Plan was placed on the Agency web site for public inspection. A press release generated several articles and WIS-TV covered the plan as well. Ms. Andino reported that approximately 700 hits to the web site were received but only three comments were received. The Agency has further clarified the procurement and financial aspects of the HAVA State Plan. A copy of the Plan has been delivered to the Governor for his signature which should be received within the next three weeks. The signed Plan will then be forwarded to the Federal Election Commission.

Ms. Andino reported regional meetings were held with counties in order to gather requirements for the statewide voting system Request for Proposals (RFP). In the three meetings we received approximately 600 requirements. The RFP will be released next month through Office of the State Chief Information Officer, Procurement Division.

The second item of business was an update of ongoing projects. Ms. Andino reported the CIO's office anticipated completion of the Statewide Voter Registration System by April, 2004. Ms. Andino has told the CIO's office that April is too late because of the primary. The system will have to be installed in December or January or wait until after the 2004 elections.

Ms. Andino also reported on the status of our participation in the 2004 SERVE project. Our participation will be limited to only 16 counties this year and we have given notice that we may have to pull out of the program due to the number of projects that are ongoing. The Federal Election Commission wants South Carolina to participate in the project and has offered their assistance.

Ms. Royson reported on the examination of the Advanced Voting Solutions WinVote Voting System. Ms. Royson stated that the WinVote Voting System is a wireless touch screen voting station. A smart card is given to the voter or poll worker to activate the unit. This system was tested in an election for the City of North Charleston. All tests were completed successfully. Ms. Royson recommends that the Advanced Voting Solutions WinVote Voting System be certified in South Carolina. Ms. Royson reported that this system was ITA tested and met the federal voting system standards. Mr. Martin made a motion to certify the WinVote Voting System. Ms. Pinson seconded the motion. The motion carried unanimously.

Next, Ms Royson reported on the examination of the METS Corporation's PointZero Voting System. She stated that representatives from the METS Corporation were present to answer any questions. Ms. Royson stated that this system was first brought to the State Election Commission for examination in March 2003. The system was examined by Agency staff and successfully used in an election in Allendale County on July 1, 2003. Ms. Royson reported that, while the system underwent ITA testing as required by § 7-13-1620 of the Code of Laws of South Carolina, a letter of certification was not received on the system. An ITA report was received recommending the polling place functionality portion of the system for qualification by the National Association of State Election Directors (NASED) but that qualification was never issued.

Mr. West asked Mr. Casey to address the NASED qualification of the voting system and Mr. Casey replied that South Carolina law does not require NASED qualification. Mr. Casey stated that he felt that METS Corporation had followed the election law code section and an Attorney General's opinion stated that the system did meet the code section. Mr. West commented that the State Election Commission is not bound by the Attorney General's opinion and uses it only for recommendation only. Mr. West then asked if the system was ITA certified. Mr. Casey replied that it was certified as a common off the shelf (COTS) product and meets all Federal Election Commission standards.

Mr. Martin made a motion to go into Executive Session to discuss the legalities of this matter. Ms. Pinson seconded the motion. The motion carried unanimously. The Commission went into Executive Session.

Mr. Martin made a motion to come out of Executive Session and resume regular session. Ms. Pinson seconded the motion. The motion carried unanimously. Mr. West stated for the record that no action was taken while in Executive Session.

Mr. Martin made the motion to approve the polling place functionality of the PointZero Voting Device. Mr. Hudgens seconded the motion. The motion carried unanimously. Mr. West stated that the Commission would issue a written Order explaining the approval of the polling place functionality of the PointZero Voting Device.

The third item of new business was the annual SCARE Conference. Ms. Andino informed the Commission that the conference was to be held January 7-10, 2004 at the

Westin Resort in Hilton Head Island, South Carolina. All Commissioners are invited and their reservations have been made. Mr. West stated that on Thursday during the legislative session he would like to give a current HAVA status report. Mr. West encouraged all Commissioners to join him to discuss HAVA and lend their support and comments.

Ms. Andino distributed a series of newspaper articles. One article concerned a trial in Georgia concerning the collection of Social Security Numbers. South Carolina law also requires a person provide their SSN when registering to vote. We will follow this case closely. The other articles concern electronic voting system and their security. They were offered for information in case the commissioners receive questions once the RFP for a statewide voting system is released.

Mr. Martin made a motion to adjourn. Mr. West stated that the July 18, 2003 Minutes would be approved at next meeting. The State Election Commission meeting adjourned.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**October 15, 2003  
10:00 a.m.**

Present: Mr. John Samuel West, Chairman; Mr. John Derrick Martin; Mr. John H. Hudgens, III; Mrs. Pamella T. Pinson; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director, Mr. Lee Brannon, METS Corporation; Mr. Alex Rothman, METS Corporation.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

The meeting of the State Election Commission was called to order by the Chairman.

The June 18, 2003 and August 21, 2003 Minutes were reviewed. Mr. Hudgens made a motion to approve all Minutes with no changes or revisions. Mr. Martin seconded the motion. The motion carried unanimously. Minutes were approved as submitted.

Mr. Martin made a motion to go into Executive Session to receive legal advice. Mr. Hudgens seconded the motion. The motion carried unanimously.

While in Executive Session the Commission did not entertain any motions and no votes were taken.

After returning to open session, Mr. West informed the Commissioners that he received correspondence following the last Commission meeting from Mr. Jack Casey, President of METS Corporation, stating in effect that the METS certification Order dated September 5, 2003 was flawed. Mr. West invited representatives of METS to attend the October 15 meeting to explain METS' position. Alex Rothman and Lee Brannon appeared on behalf of METS. At the outset, Mr. West asked Mr. Rothman and Mr. Brannon not to recap the entire history of the matter but to explain why METS believes the SEC's Order is flawed.

Mr. Brannon explained that METS submitted its system, which consists of three functions, for certification by the SEC. Systest Labs specifically addressed polling place functionality only in its report. Mr. Brannon indicated Systest did so because the remaining two functions, ballot definition and ballot tally, are commercial "off the shelf" (COTS) products. He went on to say that all three functions were tested during SEC staff examination and METS' system was successfully used in a test election in Allendale County. By mentioning just polling place functionality in its Order, the SEC implies that METS does not offer or, is not certified to provide, a complete system. METS requests that the "polling place functionality" wording be removed from the SEC's Order.

Mr. West stated that the record shows that Senator Knotts sought an opinion of the S.C. Attorney General on the subject. The opinion was issued on April 15, 2003. The opinion states that the State Election Commission may certify a voting machine and not a voting system. The opinion says that a voting machine is defined as "polling place functionality." When asked if he agreed with this opinion, Mr. Brannon replied yes, but he felt that deleting the reference to polling place functionality in the Commission's Order would not conflict with the Attorney General's opinion. Mr. Rothman further stated that past certifications by the Commission are not limited to polling place functionality.

Mr. Brannon stated that METS should not be treated differently than other voting system vendors. Mrs. Pinson asked if he considered his system to be different from other vendors' systems and Mr. Brannon replied no. Mrs. Pinson pointed out that, at the last meeting, METS representatives specifically represented that METS' system is different because it uses COTS products.

Mr. Martin asked if Mr. Brannon knows if the SEC has ever approved a system or device using the same combination of proprietary and COTS products as Pointzero. Mr. Brannon replied that he did not know of such a certification.

Mr. Brannon reiterated that the wording of the SEC's Order is objectionable to METS and could cost METS millions of dollars in sales. He also pointed out that the SEC Accountability Report lists the certification as polling place functionality "only" and asked to have the word "only" removed. Mr. West said this word could be removed because the word "only" does not appear in the Order. Mr. West further suggested that if METS is concerned about how others may interpret the Order that METS may consider giving out a copy of the Attorney General's opinion so that readers will understand why the Order is worded as it is.

Mr. Martin stated that in his opinion Pointzero is unique. He said the SEC's Order contains language which is consistent with the position METS advanced at the prior meeting of the SEC. Mr. Martin asked if there is any legal authority that the SEC has the responsibility to market the METS system. Mr. Brannon replied no. Mr. West pointed out that METS brought its original request to the SEC and embraced the Attorney General's opinion. The opinion says that all three functions of Pointzero do not need to be certified and cannot be certified by the SEC. Mr. Brannon claimed that the entire system was submitted for testing even though the authority was not there to test all three. Therefore the SEC should not highlight polling place functionality in its Order.

Mr. Hudgens stated that of three Pointzero functions only one function underwent Independent Testing Authority (ITA) testing. He pointed out that nevertheless, METS is asking that the SEC certify all three functions of the system. Mr. Brannon stated that the ITA did not test the other two functions because they are COTS products.

Mr. Brannon asked again for the SEC to remove the language referencing polling place functionality from its Order or face "further action." Mr. West asked Mr. Brannon to

explain what he meant by "further action." Mr. Rothman replied that they did not need to be any more precise other than to say that failure to remove the language is "actionable." They would continue to fight until their concerns were satisfied.

Mr. West asked for any further discussion. There being none, Mr. Martin made a motion to go into Executive Session to receive further legal advice. Ms. Pinson seconded the motion. The motion passed unanimously.

While in Executive Session the Commission did not entertain any motions and no votes were taken.

Upon return to open session, Mr. West asked for any motion on the Pointzero agenda item. No motion was made.

The next item on the agenda was a report on the HAVA State Plan. State Plan has been signed by the Governor and submitted to the Federal Election Commission acting as clearinghouse for state HAVA plans. The Request for Proposals for a statewide voting system was issued on Friday, October 10. A pre-proposal conference will be held on Tuesday, October 21st. The purpose of the pre-proposal conference is to allow vendors to ask questions. Outside of the pre-proposal conference we are not allowed to discuss the contents of the RFP with vendors. Proposals will be due on December 4, 2003 and award will be made in late February to early March 2004. The RFP was issued by the Chief Information Office (CIO) and all procurement guidelines have been followed. An evaluation committee, consisting of SEC staff and county voter registration and election officials will evaluate all proposals. Mr. West asked what body has the ultimate authority to decide. Ms. Andino replied the evaluation committee through guidelines of CIO will be the ultimate authority in selecting the successful vendor.

The third item of business was status of on-going projects. Ms. Andino reported that the Statewide Voter Registration System's implementation has moved to after the November 2004 elections. We have discovered that the GIS portion of the system, which assigns voters to proper election districts, was not being tested to detect errors. Design changes are required in order to detect errors and protect against incorrect data. A GAP analysis is being conducted to determine how much progress has been made on the new system. A formal process was not followed before development began on the new system. Counties agree with postponing the implementation until following the statewide elections.

Ms. Andino also reported the status of our participation in the 2004 SERVE project is progressing. Wayne Hale will be going to Washington for planning meetings. Out of the 16 counties participating, Charleston County has opted out of the program citing funding and voter privacy concerns. Ms. Andino is trying to reach the new commission to inform them that funding and voter privacy should not be issues. The constitution requires secret ballot. We found in 2000 that most overseas citizens and military voters are otherwise being disenfranchised and are willing to give up their right to a secret ballot in order to be able to cast a secure ballot over the Internet.

Ms. Royson reported on the examination of the MicroVote MV464 Firmware Upgrade version 5.03. The software upgrade has been ITA certified and meets the federal voting system standards. Mr. Hudgens made a motion to re-certify the MicroVote MV464 Firmware Upgrade version 5.03. Mr. Martin seconded the motion. The motion carried unanimously.

Next, Ms Royson reported on the examination of the Diebold Election Systems Software and Firmware Upgrades. The three upgrades have been ITA and NASED approved. Mr. Martin made a motion to certify the three upgrades. Mr. Hudgens seconded the motion. The motion carried unanimously.

Ms. Andino reminded the Commission of the SCARE conference to be held January 7-10, 2004 at Hilton Head, South Carolina. On Thursday, January 8<sup>th</sup> the State Election Commission will be on the agenda from 9:00 am until 12:00 pm.

The last item of business was SEC's Budget. Ms. Andino reported that budget request has been submitted. Agency has requested additional funds to conduct 2004 General Election. Mr. West asked if the agency will have any additional cuts. Ms. Andino stated that we are expecting a mid year budget cut. In the budget request, the Agency was required to indicate how 3, 5, and 7 percent budget cuts would be taken. Additional funds were also requested for the 5% matching funds required by the Help America Vote Act.

Having no further business, Mr. Martin made a motion to adjourn. Ms. Pinson seconded the motion. The motion carried unanimously. The meeting of the State Election Commission adjourned. Next meeting was tentatively scheduled for November 12, 2003 at 10 am.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**November 12, 2003  
10:00 a.m.**

Present: Mr. John Samuel West, Chairman; Mr. John H. Hudgens, III; Mrs. Pamella T. Pinson; Mr. Karl S. Bowers, Jr.; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

The meeting of the State Election Commission was called to order by the Chairman.

Chairman West welcomed the newest member appointed by the Governor to the State Election Commission. Mr. Karl "Butch" S. Bowers, Jr. introduced himself as an attorney with the law firm of Nelson Mullins Riley & Scarborough in Columbia, SC, where he practices in the areas of business litigation, election law, and campaign finance law. Mr. Bowers stated that he received a Juris Doctor, cum laude, from Tulane University School of Law, earned a Masters Degree in Public Administration from the College of Charleston and has a B.A. in political science from the University of South Carolina. Mr. Bowers is a native of Hampton County, South Carolina. He is married and has three children.

Approval of the October 15 Minutes was tabled pending the final version to be reviewed and approved at next Commission meeting.

Ms. Royson reported on the examination of the Hart Intercivic Software and Firmware Upgrades. The software and firmware upgrades have been ITA certified and meet the federal voting system standards. Ms Royson recommends approval. Mr. Hudgens made a motion to certify the Hart Intercivic Software and Firmware Upgrades. Mrs. Pinson seconded the motion. The motion carried unanimously.

Ms. Andino reported that the Request for Proposal for a statewide voting system with the CIO's Information Technology Management Office (ITMO) was issued on Friday, October 10. A pre-proposal conference was held on Tuesday, October 21 and was attended by approximately twenty-five vendor representatives. Following the pre-proposal conference for vendors, Parsons Advanced Technologies and METS Corporation protested the specifications in the RFP. After a minor change and rewording of a requirement, the Parsons protest is expected to be withdrawn. The second protest filed by the METS Corporation is questioning the authority for the State Election Commission to issue a Request for Proposal.

A Protest hearing with the METS Corporation is scheduled for November 21. Wanda Dixon from the Chief Information Office (CIO), Sonny Jones of the Attorney General's Office and Ms. Andino will be present. Following the resolution of the two protests, ITMO will remove the suspension and issue a revised schedule. Mr. West asked what tribunal would be hearing the Protest. Ms. Andino stated the protest would be heard by the Chief Procurement Officer. Appeals are heard by the Procurement Review Panel.

Ms. Andino stated that Wanda Dixon receives all correspondence for the Request of Proposals and has received a letter from Systest Labs. Mr. West entertained a motion to go into Executive Session to discuss the letter. Mr. Hudgens made a motion to go into Executive Session. Mrs. Pinson seconded the motion. The motion carried unanimously.

Mr. Hudgens made a motion to adjourn from Executive Session. Mrs. Pinson seconded the motion. The motion carried unanimously. While in Executive Session the Commission did not entertain any motions and no votes were taken.

Mr. Bowers made a motion to return to open session. Mr. Hudgens seconded the motion. The motion carried unanimously.

After returning to open session, Ms. Andino reported on the status of the new Statewide Voter Registration System implementation. The January 2002 implementation has moved to after the November 2004 elections. Ms. Andino reported that TiBA Solutions (formerly Integrys), a consulting firm hired to provide assistance in the Statewide Voter Registration System, has done an evaluation of the status of this project. Ms. Andino handed out the evaluation report referring the Commission to page 5 where it lists the findings. TiBA estimates that the system is between 25-50% complete. Ms. Andino stated that a meeting has been scheduled next week with Larry Johnson with CIO to discuss the findings.

Next item of business, Ms. Andino reported on the status of our participation in the 2004 SERVE project with the Department of Defense. Wayne Hale will be going to Washington for planning meetings. Fifteen counties will be participating in casting ballots over the Internet. The system should be ready in March to accept applications.

Mr. Bowers referred back to the discussion of the Statewide Voter Registration System and asked if the architectural design is not sound what she would recommend. Ms. Andino recommended that we start over and use the CIO office and consultants to oversee this project because of its magnitude.

Mr. West requested the Commission meet with SEC staff on the third Wednesday in February at 10 am for two to three hours for an orientation session to familiarize themselves with the duties of each department and the SEC as a whole. Mr. West asked the Commission if the third Wednesday of every month to meet for SEC meetings would still be best for everyone next year. All present agreed.

Ms. Andino reminded the Commission of the SCARE conference to be held January 7-10, 2004 at Hilton Head, South Carolina. On Thursday, January 8 the State Election Commission will be on the agenda from 9:00 am until 12:00 pm. Hotel reservations have been made for Wednesday through Friday for the Commissioners.

Having no further business, Mr. Hudgens made a motion to adjourn. Ms. Pinson seconded the motion. The motion carried unanimously. The meeting of the State Election Commission adjourned. Next meeting was tentatively scheduled for December 17, 2003 at 10 am.

**STATE ELECTION COMMISSION MEETING  
2221 DEVINE STREET, SUITE 105  
COLUMBIA, SOUTH CAROLINA 29205**

**January 21, 2004  
10:00 a.m.**

Present: Mr. John Samuel West, Chairman; Mr. John H. Hudgens, III; Mr. Karl S. Bowers, Jr.; Ms. Marci Andino, Executive Director; Mrs. Donna Royson, Deputy Executive Director; two visitors Mr. Tony Denny and Mr. Steve Bates.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

The meeting of the State Election Commission was called to order by the Chairman.

The October 15, 2003 Minutes were reviewed. Mr. Hudgens made a motion to approve the Minutes with no changes or revisions. Mr. Bowers seconded the motion. The motion carried unanimously. The November 12, 2003 Minutes were reviewed. Chairman West requested a word change on Page 2, paragraph 1, line 5, the word "courts" changed to "tribunal". Mr. Hudgens made the motion to approve the November 12, 2003 Minutes as amended. Mr. Bowers seconded the motion. The motion carried unanimously.

Ms. Andino reported that S841, a bill requiring the restructuring of state government, had been introduced by Senator McConnell and others. The bill would move the State Election Commission (Agency) to Secretary of State's office and would become the Division of Elections. The Governor would appoint commissioners to serve on the State Board of Canvassers. The Secretary of State would appoint the director of the Division of Elections. This portion of the bill does not become effective unless the Secretary of State becomes an appointed official instead of elected. For the Secretary of State to become appointed, it would require a constitutional amendment be placed on the ballot in November 2004. If passed, the legislation would not become effective until the Secretary of State serving at the time the bill is ratified had served an entire term (January 2007). Mr. West stated he believes the Agency should provide information when requested but, take no formal position on the bill. Mr. Bowers and Mr. Hudgens agreed with Mr. West's position for the Agency to provide information but not to lobby for or against the bill. Mr. West requested to be kept updated on the bill.

Ms. Royson reported on the examination of Election Systems & Software firmware and software upgrades. Model 100 OMR Version 5.0, Model 650 OMR Version 1.2, IVotronic Version 8.0, Unity Election System Version 2.4.2 have all been modified with added features and enhancements. The upgrades have been ITA certified as meeting the federal voting systems standards. Mr. Bowers made a motion to certify the upgrade. Mr. Hudgens seconded the motion. The motion carried unanimously.

Next, Ms. Royson reported on the examination of the Diebold Elections Systems Hardware and Firmware Upgrade. The Accu-Vote – TSx Touchscreen Unit Firmware Release 4.4.3.27/4.4.4 has been modified with additional enhancements. The hardware upgrade has been ITA certified as meeting the federal voting systems standards. Mr. Hudgens made a motion to certify the upgrade. Mr. Bowers seconded the motion. The motion carried unanimously.

Ms. Andino reported on two complaints received from voters following municipal elections held in November 2003. The first complaint concerned poll workers failing to indicate on the voter registration list if a person voted absentee. The problem was discovered when the voter went to the polls and noticed the list did not reflect the fact he voted absentee. The complaint requested an investigation be conducted by SLED. After discussions with the county, a letter was sent to the municipal election commission. There was no indication of criminal activity and SLED was not asked to investigate. The second complaint alleged ballot tampering and improper assistance provided by an overzealous poll worker. While investigating, the poll manager was found to be the municipal chairperson. A letter was sent to the mayor asking him to follow up with this complaint. The mayor has made no contact with the SEC following receipt of the letter.

Next item on the agenda was the lawsuit of Frances T. Revis vs. State Election Commission and the City of Greenville. We requested the Insurance Reserve Fund represent the Agency in the proceedings. The Insurance Reserve Fund has asked the Haynesworth Law Firm to represent the Agency. Mr. West asked how did we get named in this suit and Ms. Andino replied because a slip and fall incident happened at a polling place in Greenville, SC.

Ms. Andino reported on the status of Ongoing Projects. The RFP for a uniform statewide voting system was released on October 10, 2003 and ten days later a pre-proposal conference was held. Two protests, concerning the requirements contained in the RFP, were filed. The protest filed by Parsons Technologies was resolved. The protest filed by the METS Corporation was denied by the Chief Procurement Officer. METS appealed the decision to the Procurement Review Panel. The panel upheld the decision of the Chief Procurement Officer. The METS Corporation filed a second protest based on an amendment to the RFP. This protest was resolved and dismissed. Proposals are due on January 30, 2003. Mr. West asked who will be participating in the evaluation of proposals. Ms. Andino stated that CIO will first review the proposals for compliance and then an evaluation committee consisting of eight people from the State and counties offices will evaluate the proposals.

Ms. Andino reported on the status of the statewide voter registration system. Development of the new voter registration system has been suspended to allow time for a detailed design to be completed. A meeting has been scheduled with CIO about the financial aspects. Mr. West recommends that we consult with the Attorney General's office for legal advice.

Last item of the agenda was the SERVE project. Ms. Andino reported that we are making progress and moving forward. Additional counties have asked to participate in the project since they will have troops deployed in the near future. Legislation to allow participation in SERVE was on the Senate calendar as of the date of this meeting.

Mr. Hudgens commended the staff for their participation at the SCARE conference. Everyone at the conference was happy and pleased to see all the commissioners present. Mr. West stated that he received good comments and follow-ups after the conference. Mr. Bowers stated that many expressed the appreciation of the Commission's presence at SCARE and suggested the commission attend in the future.

Mr. Hudgens shared an email received from Mr. Smith about the training and certification program conducted by the State Election Commission for counties. Mr. Smith believes a board member/commissioner who does not complete the training program within the required time period should be removed. Mr. Smith would also like to see municipal election officials receive the same level of training.

Ms. Andino stated that it was not possible to complete the agency overview for commissioners for this month's meeting. Mr. West directed Ms. Andino to prepare the overview for a future meeting no earlier than April 2004.

Having no further business, Mr. Hudgens made a motion to adjourn. Mr. Bowers seconded the motion. The motion carried unanimously. The meeting of the State Election Commission adjourned.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Commissioner Hudgens called the meeting of the State Election Commission to order.

The January 21, 2004 Minutes were reviewed. Chairman West requested the following changes: page 3, paragraph 2, line 5 delete "the" and replace with "a slip and fall"; page 4, paragraph 2, line 4 replace "advised" with "recommends" and "talk" with "consult"; in same paragraph, line 5 place a period after "advice" and delete the rest of the paragraph; and on page 4, paragraph 4 replace "surprised" with the word "pleased". Mr. Hudgens requested a change to page 4, paragraph 3 deleting an extra period on line 4 at end of the sentence. Mr. Bowers made a motion to approve the Minutes as amended. Ms. Pinson seconded the motion. The motion carried unanimously.

Under new business, Ms. Andino reported that the South Carolina Natural Law Party met on February 8 and has changed the name of the party to the South Carolina Green Party. No action is required on the part of the Commission.

Ms. Andino reported the Agency had received its first HAVA Title III complaint from Brett Bursey, director of SC Progressive Network. Mr. Bursey raised a concern about a voter verifiable paper audit trail (VVPAT) not being included in the electronic voting machines the state is in the process of acquiring. Neither HAVA nor SC law requires voting machines produce a paper trail for the voter. After reviewing Mr. Bursey's complaint, Ms. Andino concluded that a violation has not occurred. Mr. West recommended that we contact Mr. Bursey to discuss the complaint and offer to add him to the commission meeting Agenda, if necessary. Ms. Andino will notify Mr. Bursey.

Under old business, Ms. Andino reported on the status of restructuring bill S841. Prior to 1968, the State Election Commission was a division within the Secretary of State's office but was removed by the legislature and became an independent and nonpartisan agency. Ms. Andino reported that last Monday the subcommittee studying restructuring asked for comments from agencies. The subcommittee did not take a vote at that time; however, they later voted to leave State Election Commission as an independent agency. The committee changed the appointment of commissioners to require two members from the

majority political party, and two from the largest minority political party as represented in the General Assembly.

Ms. Andino reported Requests for Proposals (RFP) for a statewide electronic voting system were due on February 9 and six vendors have responded. Wanda Dixon of CIO reviewed the proposals for procurement code compliance and held a meeting with the evaluation committee to provide instructions. The evaluation committee will have a month to review the proposals and get clarification if they have any questions. Financials are being evaluated by a certified public accountant from the Budget and Control Board. Wayne Hale will review voting system security. The evaluation committee will meet with Ms. Dixon on March 3 to finalize the evaluation of technical proposals. A short list of vendors will be invited to give oral presentations of their voting system. Evaluation of proposals and oral presentations will be completed around March 26. In light of this, the Commission unanimously decided to hold the next State Election Commission meeting on March 31.

Mr. West asked about the amount of the performance bond. Ms. Andino replied that the RFP requires a bid bond and a performance bond. The bid bond is one percent of the total bid. Mr. West stated he would like to "red flag" that issue and keep the Commission advised. Ms. Andino will send Mr. West the language used in the RFP for the bid and performance bonds.

Mr. West asked about the relationship between the legislation pending and a single voting system. Ms. Andino replied that H3777 has passed the House and Senate, but the Senate must concur or non-concur with House changes. The House has recalled the bill, but the Senate has not returned it to the House. If bill does not pass, implementation of voting system will be voluntary. November 1 is the deadline to replace punch card systems. The ten counties using punch cards have confirmed that they will adopt the system selected through the state's procurement process.

Next item of business was the Statewide Voter Registration System. Ms. Andino stated that the development of the system has been suspended. CIO does not agree with the findings of our consultant, TiBA Solutions. TiBA's findings are that only 25 percent of the work has been completed. CIO contends that 85 percent is completed. TiBA and CIO will meet with several of our counties on February 25, 2004, to look at what has been completed and what remains to be completed. \$1.2M has been paid and we do not have any additional funds to complete the system.

Next item of business was the SERVE project. The Department of Defense has cancelled its plans to provide Internet voting opportunities to military personnel and overseas citizens due to security concerns. Participating counties have been contacted.

Ms. Andino reminded the Commission the 2003 Appropriations Act did not contain funding for the June 8 Primary. The agency has notified the Budget Office we will run a \$2.5M deficit.

Mr. Hudgens asked if there were any more questions or business to be discussed. Having heard none, Mr. West made the motion to adjourn. Mr. Hudgens seconded the motion. The motion carried unanimously. The meeting of the State Election Commission adjourned. The next State Election Commission meeting is scheduled for Wednesday, March 31, 2004, at 10:00 am.

**March 31, 2004  
10:00 a.m.**

Present: Mr. John S. West, Chairman; Mr. John Derrick Martin; Mr. John H. Hudgens, III; Mr. Karl S. Bowers, Jr.; Ms. Pamella B. Pinson; Ms. Marci Andino, Executive Director; Ms. Donna Royson, Deputy Executive Director; and Mr. Garry Baum, Public Information Director.

Others Present: Ms. Wanda Dixon, CIO Procurement Officer; Mr. Todd Vaules, TiBA Solutions; Mr. Brett Bursey, SC Progressive Network; Mr. John Crangle, Director of Common Cause of SC; Mr. Whit Ashley, USC Student; Ms. Amanda Martin, Carolina Peace Resource Center; Mr. Sam Walker; Mr. Tom Howell, SC Green Party; Mr. Steve Lefemine, a candidate of the Constitution Party; and Mr. Lee Brannon, METS Corporation.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Chairman West called the meeting of the State Election Commission to order. Guests were welcomed and staff introductions were made. Chairman West proceeded with the Agenda. The Commission reviewed the February 18, 2004 Minutes for approval. Mr. Hudgens made a motion to approve Minutes with no changes or revisions. Ms. Pinson seconded the motion. The motion carried unanimously.

Under new business, Chairman West addressed the HAVA Administrative Complaint, Complaint #04-01 filed by Brett Bursey. Mr. Bursey was given the floor for his comments. Mr. Bursey introduced John Crangle, Director of Common Cause of SC and stated that people do not think their votes count. He stated SC Progressive Network believed in the state's HAVA Plan and wants to ensure every vote cast is counted. They believe that the State Election Commission should review vendor proposals for a statewide uniform voting system with the concern for security. Mr. Bursey contends that a voter verifiable paper audit trail (VVPAT) would prove the voters intent. Mr. Bursey stated that the heart of his complaint is that a HAVA regulation is about to be violated if SC does not provide a VVPAT. He suggests that SEC work with the vendor in contract negotiations to add this feature. He feels that several sponsors of H3777 have agreed to amend the Bill to include VVPAT. He would like for the SEC to start over with a more specific bid. Mr. Bursey referenced the section on Manual Audit Capacity requiring a paper audit trail in the case of a recount.

Mr. West asked Mr. Bursey to address any questions about the bidding process in writing as the Commission did not hear any questions referencing the bidding process at the meeting. Mr. Bursey stated that he would like the bidding process to stop and require the vendors to produce a VVPAT. He stated that machines are vulnerable to be hacked. Mr. Bursey suggests that bidding process be more specific with two options, 1) Negotiate with vendors and 2) machines produce a paper audit trail.

John Crangle interjected that the voter viable paper audit trail accuracy would collaborate with a paper audit trail. Mr. West asked Mr. Crangle if he believed that the statute requires a VVPAT. Mr. Crangle believed that it does. Mr. West asked Mr. Crangle if that was his interpretation or if HAVA specifically stated that a VVPAT is required. Mr. Crangle replied that it was his interpretation. Mr. West asked if the heart of the complaint was having a paper audit trail. Mr. Bursey stated yes, that HAVA requires a VVPAT and SC will wind up in court. Mr. Crangle asked the Commission if they would ask for an Attorney General's opinion. Mr. West stated that the Commission may ask for an opinion.

Whit Ashley, a student from USC, expressed his concerns with having a voting system which uses wireless technology. If a wireless voting system is used, someone could hack into the network.

Amanda Martin with Carolina Peace Resource had concerns about voter disenfranchisement. She believes that HAVA requires education and a non-partisan team to review machines prior to use. Ms. Martin believes HAVA is meant to help America vote and educate voters with voting on new machines.

Mr. Sam Walker stated this was a critical issue. He supports inclusion of printers in DRE equipment. Mr. Walker handed out a report on America's Modern Poll Tax – How Structural Disenfranchisement Erodes Democracy. He stated that the Commission has the opportunity of using a paper audit trail and it should not be a cost issue but, viewed as a chance for SC to lead. He stated with technology there is a big difference between accuracy and precision. Precision is very important. People will stand in line for an extra minute to receive a VVPAT.

Mr. West stated this is not a hearing about voting systems and the Commission will take no position on any of the comments heard today.

Mr. Tom Howell of the Green Party stated that there is a rush to use the latest technology when punch card voting has proved useful in the past. Mr. Howell wants a VVPAT. Mr. Howell claims vendors selling machines will make a lot of money and they will tell you the machines work. Votes have disappeared in machines. A recent John Hopkins report claims that DRE's are not secure at this time. Mr. Howell submitted a packet of articles on Verifiable Vote Counting. He believes that a disk could be looked at and tell how a person voted. Vendors have a duty to provide technology that is secure.

Steve Lefemine, a candidate for the Constitution Party, stated that it is essential to have a VVPAT to have a record of a cast ballot. No cost would be contributed to the loss of trust voters will have and having a VVPAT is a matter of efficiency versus integrity.

Mr. Lee Brannon of the METS Corporation stated he is on the outside of the RFP process and feels people are falling prey to a marketing plan by vendors pushing VVPAT. Mr. Brannon does not believe HAVA requires a VVPAT. Mr. Brannon contends that wireless is prone to error but, only one system is using that type of technology. He stated further that Illinois studied obsolete versions stolen off the Internet and does not have current version. Mr. Brannon contends that they found ways to manipulate software, but did not consider security such as passwords and access to voting machines. There are processes in place with seals, boxes, and poll managers to prevent this kind of access. The problem in Florida is that punch cards can not be read twice and get the same count. He stated his voting machine can provide a VVPAT. He stated that technology is not the problem but educating the voter. He stated that the RFP is outside of HAVA regulations and he could not stand by at let all these arrows fly at the SEC. Mr. West stated that he does not interpret remarks as hostile. The Commission welcomes information, concerns and remarks from the public.

Mr. Martin made a motion to go to into Executive Session to obtain legal advice and discuss contractual issues. Mr. Hudgens seconded the motion. The motion carried unanimously.

Upon return to open session, Mr. West stated that the Commission did not entertain any motions and no votes were taken in Executive Session.

The next item on the agenda was Fusion Candidates. Garry Baum provided information including an attorney general's opinion on fusion candidates. Mr. Baum explained this process and stated that in the past the Commission has allowed fusion candidates. He stated the possibility of fusion candidates may be presented in the upcoming elections and he wanted the Commission to be advised.

The next item of business was SEC's Budget. Ms. Andino reported that March 18, 2004, the Agency appeared before the Budget and Control Board because of the potential to run a \$3.1M budget deficit. The potential exists because the 2004 Appropriations Act did not contain funds to conduct the June primaries. The deficit was approved.

Ms. Andino provided an update on the receipt of HAVA funding. The Election Assistance Commission has provided the following estimates: \$11.6M from the 2003-2004 Omnibus Appropriations Act and \$20.8M for 2004-2005. The new estimates are higher than the original estimates used in the SC HAVA State Plan. Funds have been appropriated and should be received within two months. An advisory team has been appointed to update the SC HAVA State Plan to reflect SC's progress toward implementation of HAVA and make changes to the Plan as necessary. Members of the HAVA Advisory Team are: Steve Skardon and William B. "Rusty" DePass serving as

co-chairpersons, Conway Belangia, Mike Cinnamon, Earl Whalen, Marilyn Bowers, Dr. James Blake, Edith Redden, and Dean Crepes.

Ms. Andino reported on the status of the new Statewide Voter Registration System. The CIO has reduced their completion estimate of the project from 85 percent to 65 percent. Meetings have been held with county users and scheduled for state users for the purpose of reviewing progress. A completion date is uncertain. The CIO's office has stated the original quote was an estimate and additional funding will be required to complete the system. Mr. West suggested consulting an attorney.

Mr. Martin made a motion to adjourn the meeting of the State Election Commission. Mr. Bowers seconded the motion. The motion carried unanimously. The next meeting was scheduled for April 21, 2004.

Others Present: Ms. Marci Andino, Executive Director; and Mrs. Donna Royson, Deputy Executive Director.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Chairman West called the meeting of the State Election Commission to order.

The March 31st and April 12, 2004 Minutes were tabled until next Commission Meeting.

First item of business, Ms. Andino reported the HAVA Advisory Team had met and reviewed the progress of the HAVA State Plan. A meeting has been scheduled to give the public the opportunity to be heard. Notice of meeting has been mailed to the counties. The meeting will be held in the conference room on the 4<sup>th</sup> floor, Room 423.

Ms. Andino reported work is underway to develop a Request for Proposals (RFP) for a voter education initiative as required by HAVA. The State Election Commission will request Materials Management Office (MMO) manage the release of the RFP to help promote the new voting system. HAVA funds have been designated for this purpose.

Mr. West asked if other states have hired public relations firms. Ms. Andino stated other states have used public relations firms to launch statewide campaigns. Mr. West asked about the cost of such services. Ms. Andino stated the cost could range from \$2-3M depending on the options chosen. Mr. West asked that the Commission be briefed on the Scope of Work before the RFP is released. Ms. Andino stated a draft will be available at next Commission meeting.

Mr. Hudgens stated that the public needs to be aware that state money is not being used for this outreach program but federal funds provided through HAVA. Mr. West stated that he would also like the public to be assured that SEC is not using this program as an agenda item to force counties to participate. Mr. Hudgens asked if this money could be allocated individually for counties to use. Ms. Andino stated the plan does not call for the money to be allocated to the counties and doing so would cause auditing/reporting requirements to be passed on to the counties. HAVA emphasizes education because other states have experienced problems with voters using new voting machines.

Mr. Martin made the suggestion to contact other agencies like the Lottery Commission who have experienced similar outreach programs for some guidance.

Mr. Bowers asked if HAVA funds are being segregated or allocated in blocks. Ms. Andino replied that monies are given in blocks and can only be used as defined in the HAVA State Plan.

Next, Ms. Andino reported on the SEC presentation that the staff is putting together as a Commission orientation. Preparing for the Primary, meeting the requirements of HAVA, and making numerous improvements in voter education have put a burden on the staff. She requested the presentation be delayed for a month or two. The Commission granted the extra time needed for this important project.

The last item of business was an RFP Update. Mr. Martin made the motion to go into Executive Session to discuss contractual and personnel matters. Mr. Hudgens seconded the motion. The motion carried unanimously.

Mr. Martin made a motion to come out of Executive Session and resume regular session. Mr. Bowers seconded the motion. The motion carried unanimously. Mr. West stated for the record that no action was taken while in Executive Session.

Mr. West instructed Ms. Andino to contact Mr. Swayne Crosby, Jr. and offer him the opportunity to speak at May meeting to voice complaints. Mr. West inquired as to any other business to come before the Commission. Having heard none, Ms. Pinson made a motion to adjourn. Mr. Bowers seconded the motion. The motion carried unanimously. The meeting of the SEC adjourned until next scheduled meeting of May 19, 2004 at 10:00 am.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Chairman West called the meeting of the State Election Commission to order and stated for the record that Commissioners John Martin and Pamella Pinson were not present.

The March 31, 2004, amended Minutes are attached as reference in separate document. Mr. Bowers made a motion to approve the Minutes as amended. Mr. Hudgens seconded the motion. The motion carried unanimously.

The April 21, 2004 Minutes were reviewed. Mr. Hudgens made a motion to approve the Minutes as submitted. Mr. Bowers seconded the motion. The motion carried unanimously.

Under new business, Ms. Andino reported that a HAVA Administrative Complaint was received from Mr. Swayne Crosby. Ms. Andino responded to his letter on April 29, 2004 and invited Mr. Crosby to attend our next Commission meeting to discuss his concerns. A week later, Mr. Crosby telephoned and stated that he never received a response. A copy of letter was sent using certified mail return receipt. Ms. Andino received the return receipt signed by Mr. Crosby but has had no other contact with him.

Mr. West stated for the record that Mr. Crosby was called this day but was not present. The matter will be dropped due to the lack of prosecution. Mr. Bowers made the motion to dismiss complaint due to lack of prosecution. Mr. Hudgens seconded the motion. The motion carried unanimously.

Second item under new business, Ms. Andino requested certification of MicroVote Infinity DRE Voting System Firmware 2.13 Upgrade. It has been our practice that upgrades and new voting machines be requested at least four months before a statewide election due to staff time it takes for testing. Ms. Andino asked for an exception since testing of upgrade can be accomplished before the June primary. Jasper and Pickens counties would like to use upgrade in the upcoming Primary election. The ADA feature

upgrade would be very beneficial for several counties as well. Ms. Andino stated that the upgrade was not related to the RFP process.

Mr. West asked if the upgrade would have any adverse effect when counties convert to a single statewide voting system. Ms. Andino stated that the upgrade would be beneficial when counties sell to other jurisdictions.

Mr. Bowers made the motion to approve the upgrade of MicroVote Infinity DRE Voting System Firmware 2.13. Mr. Hudgens seconded the motion. The motion carried unanimously.

First item under old business was a Budget update. Ms. Andino reported on the conference committee proposals. She stated the first priority for fiscal year 2003-04 was funds to conduct the statewide general election. The second priority was receiving \$700,000 in matching funds necessary for obtaining federal funds in compliance with the Help America Vote Act (HAVA) of 2002. A 5% state match is needed so SC may obtain approximately \$42 million dollars in federal funds over the next three years. Both priorities have been funded. The conference committee also recommended restoring our base budget reduction. Next steps for the budget are approval by the House and Senate and the Governor.

Ms. Andino reported Senator Knotts requested proviso 62.14. *(ELECT: HAVA) In no event shall any vendor, or vendor's equipment, which has been the subject of decertification, ethical, or technical violations in any state, county, municipality, or territory of the United States, or the Federal Government in the past three years, be eligible to supply election equipment or services to the State of South Carolina or any county, municipality, or other entity within the State through which an election may be conducted unless the vendor provides evidence to the State Election Commission to the Commission's satisfaction that deficiencies in the equipment have been corrected. Any equipment manufactured by any vendor as stipulated, or licensed by such vendor to any third party, is also ineligible for use in this State except as provided above.*

Ms. Andino expressed the need for strengthening decertification laws. Mr. Hudgens stated that he does not feel that the SEC can decertify a voting system and that South Carolina needs a clearer definition to show whether or not the SEC can decertify voting equipment.

Second item of old business was a HAVA update. Ms. Andino reported that the Advisory Team met on April 29, 2004 to review the progress of the HAVA State Plan. Georgetown and Beaufort County stated that they are not supportive of the HAVA State Plan requiring a single statewide voting system. Georgetown would like to use the electronic voting system they recently purchased and Beaufort would like to purchase a voting system from their current vendor. Following the Advisory Team meeting, Beaufort County executive director contacted our office stating that the chairman of Beaufort County Election Commission had misrepresented the position of the county election commission and county council.

Ms. Andino stated that the Advisory Team will be making the necessary modifications to SC's State Plan to comply with HAVA within the next two weeks. Twenty-six counties have indicated that they will participate in the single statewide voting system in November 2004. She further stated that SC will have adequate money for Phase I of state's Plan.

The last item of business was a Procurement Update. Mr. Bowers made the motion to go into Executive Session to receive legal advice and discuss contractual matters. Mr. Hudgens seconded the motion. The motion carried unanimously.

Mr. Bowers made a motion to come out of Executive Session. He further stated having no other business would like to adjourn meeting of the State Election Commission. Mr. Hudgens seconded the motion. The motion carried unanimously.

Mr. West stated for the record that no action was taken while in Executive Session. The next meeting of the State Election Commission is scheduled for June 12, 2004 at 10 am.

Chairman West called the State Election Commission meeting to order.

Approval of the May 4, May 19 and June 1, 2004 Minutes were tabled until next regularly scheduled meeting.

Ms. Andino reported the budget for fiscal year 2004-05 was passed and the Governor's vetoes were overridden. The budget contains reductions of \$8,000 for travel and telephone and a base budget reduction of \$118,875. The budget contains monies generated by the Department of Revenue including \$700K for HAVA matching funds for FY 03-04 that were not previously funded, \$2.4M to conduct the general election and \$118,875 to restore the base budget reduction. Also included in the budget are state funds in the amount of \$700K for the HAVA matching funds required for FY 04-05.

Ms. Andino gave an RFP update reporting that CIO ruled the solicitation would have to be rebid. The Procurement Review Panel will hear appeals from Palmetto Unilect, ES&S and Diebold on June 23<sup>rd</sup> and 24<sup>th</sup>. The Information Technology Management office suggested the new solicitation have a shorter format due to the July 9<sup>th</sup> deadline. A new evaluation committee consisting of five members will be selected by the HAVA Advisory team to review proposals from vendors. Vendors will not do presentations. The evaluation committee will stay in Columbia to complete this process. The intent to award is scheduled to be issued around July 16, 2004.

The fifteen counties are eager to implement this new voting system in November for the General Election.

Mr. Judd Ryan, regional sales manager for ES&S, reported that all accuracy testing has been completed on the voting equipment. To provide election day support, a command center will be set up, and ES&S will assist with any public relation matters. ES&S will have a van with various back-ups in the Greenville and Columbia area counties for conducting accumulations after election. ES&S recommends that two poll workers per precinct should receive special training regarding handling of the voting machines (two sessions) and for other poll workers a one hour training session.

Last item of business was Voter Education Project update. Ms. Andino reported that on August 18, 2004, Voight Shealy, the Chief Procurement Officer (CPO) of the Materials Management Office, heard a protest filed by Chernoff, Newman, Silver and Gregory ("CNSG"). Chairman Bowers called the State Election Commission meeting to order.

The Commission considered the certification of the Senate District 30 Democratic Primary Election held on September 28, 2004. The results of this election indicated that Maggie Wallace Glover received 6,240 votes, Kent Williams received 6,018 votes, and Tim Norwood received 5,179 votes. Mr. Bowers asked if any challenges or protests have been filed, and Ms. Andino replied that none have been filed. Mr. Bowers asked Ms. Andino if she was satisfied that the record reflects that the results of this primary election are true and accurate, and Ms. Andino answered affirmatively.

Mr. Hudgens made a motion to certify the results of the Senate District 30 Democratic Primary Election as true and accurate. Mr. Pritchard seconded the motion. The motion passed unanimously.

Mr. Hudgens then made a motion to order a runoff between Maggie Wallace Glover and Kent Williams for October 12, 2004. Mr. Pritchard seconded the motion. The motion passed unanimously.

The Commission next considered the withdrawal of candidate LaRue E. Kirby from the SC House District 60 race. Ms. Andino reported that the State Election Commission received an email from Mr. Kirby on September 30, 2004 requesting withdrawal based upon personal and family medical conditions. No other supporting documentation was provided by Mr. Kirby. Ms. Cindy Peel contacted Mr. Kirby to request a signed letter announcing his withdrawal. Mr. Kirby complied, but he still did not provide any further documentation to support the basis of his withdrawal. Mr. Garry Baum then contacted the Democratic Party requesting an affidavit from Mr. Kirby stating the reason for withdrawal. Mr. Kirby's affidavit was received from the Democratic Party. Mr. Kirby did not submit a written opinion from a medical doctor in support of his withdrawal.

Mr. Bowers stated that it appeared that Mr. Kirby's submission was insufficient to satisfy the statutory requirement for showing that a candidate's withdrawal is based on a

legitimate nonpolitical reason. The other commissioners agreed. The Commission therefore finds that Mr. Kirby's withdrawal from the SC House District 60 race is not for a legitimate nonpolitical reason. Ms. Andino was instructed to notify Mr. Kirby of this decision and that he has until October 11, 2004 to cure the defects in his submission.

Mr. Hudgens made the motion to adjourn meeting of the State Election Commission. Mrs. Pinson seconded the motion. The motion passed unanimously.

Chairman Bowers called the State Election Commission meeting to order.

The October 1, 2004 Minutes were reviewed for approval. Mr. Pritchard made a motion to approve the October 1, 2004 Minutes as amended. Ms. Pinson seconded the motion. The motion passed unanimously.

Ms. Andino reported that county offices are reporting a high level of activity in voter registration and absentee voting. To date, approximately 13,000 absentee ballots have been requested in Richland County alone. The scvotes.org web-site has been launched to provide voter registration and voting information to voters, and approximately 600,000 hits have been received since September 1<sup>st</sup>. Training videos for the new voting system have been mailed out to the counties and approximately 25,000 people have viewed the video via the scvoters.org web-site. A bus equipped with voting machines and educational materials has been traveling to county festivals to demonstrate the new voting machines, and election information has been communicated to the public through various media outlets. The Greenville News, Aiken Chronicle, and The State newspapers have printed opinion-editorial regarding electronic voting machines.

Mr. Pritchard made a motion to go into Executive Session to discuss legal issues related to homeland security matters and the upcoming election pursuant to the Freedom of Information Act. Ms. Pinson seconded the motion. The motion passed unanimously.

Ms. Pinson made the motion to leave Executive Session. Mr. Pritchard seconded the motion. The motion passed unanimously. Mr. Bowers stated that no action was taken while in Executive Session.

Ms. Andino asked the Commission members to check their calendars for availability on November 11, 2004 at 10 a.m. to certify the results of the November 2, 2004, General Election.

Ms. Andino reported that the SCARE conference will be held on January 19-22, 2005 at the Westin Hotel in Hilton Head, South Carolina. The State Election Commission will present its part of the program on January 20th.

Mr. West stated that County election officials expressed their appreciation to Commission members for attending the conference last year.

Mr. Bowers agreed that the reaction from County election officials regarding the attendance and participation of Commission members at last year's convention was positive.

Mr. Pritchard made the motion to adjourn this meeting of the State Election Commission. Ms. Pinson seconded the motion. The motion passed unanimously.

**THE MEETING OF THE STATE ELECTION COMMISSION WAS HELD PURSUANT TO THE FREEDOM OF INFORMATION ACT AND ALL REQUIRED NOTIFICATIONS WERE MADE.**

Chairman Bowers called the State Election Commission meeting to order.

Ms. Andino reported that three protests and eight appeals of election had been received.

Ms. Andino reported that the Georgetown County Board of Canvassers heard three formal protests and denied all of them. The first protest heard by Georgetown County was filed by Bobby Johnson, a candidate for a school board seat. The second protest heard was filed by Paul Hogan, Chairman of the Georgetown County Republican Party, regarding the recount of three school board races. The third protest heard was filed by Ruthann Howard, a candidate for County Auditor. It was reported that the tape recorder used by the court reporter during these hearings malfunctioned and did not record these hearings. As a result, there is no transcript for these hearings.

Mr. Pritchard made a motion to order new hearings below on the appeals filed by candidates Johnson and Howard in Georgetown County for the purpose of generating a record of the proceedings. Mr. Hudgens seconded the motion. The motion passed unanimously.

Ms. Andino reported that the protest filed by Mr. Hogan should not have been heard by the Georgetown County Board of Canvassers because Mr. Hogan, who is not a candidate, lacks standing to appeal the results of an election. Ms. Andino reported that Mr. Hogan does not wish to withdraw his protest.

Mr. Hudgens made the motion to remand the Hogan appeal back to Georgetown County on the grounds that there is no record. At that time, Georgetown County is to inform Mr. Hogan that he has no standing to assert this protest, but if he decides to proceed, the protest must be reheard so that a transcript may be produced. Mr. Pritchard seconded the motion. The motion passed unanimously.

Ms. Andino made the suggestion to schedule the Jasper County School Board District 8 Appeal for a hearing on December 6, 2004 at 10:00 a.m. This suggestion was taken under advisement.

The next item discussed was the appeal filed by Joey Douan regarding the Charleston County local option sales tax ballot question. Mr. Douan's attorney requested a change of venue. Mr. Pritchard made a motion to schedule the appeal hearing for December 2, 2004 at 10 a.m., and he also moved to deny the change of venue request based on the statute that requires the state board to meet in Columbia for the purpose of hearing appeals. Mr. Hudgens seconded the motion. The motion passed unanimously.

Mr. Pritchard made the motion to adjourn this meeting of the State Election Commission. Mr. Hudgens seconded the motion. The motion passed unanimously.

ORDER

This matter came before the State Election Commission in its capacity as the State Board of Canvassers ("the Board") on June 18, 2003. A quorum was present.

Present were the Respondent Garry R. Smith and his attorney Steven W. Hamm of the law firm of Richardson, Plowden, Carpenter & Robinson, P.A. along with a number of witnesses.

The Protestant, John Fritz Wiebel, was not present at the 1:00 p.m. noticed hearing time. However, with the consent of Respondent, the Chairman delayed the commencement of the proceedings until 1:33 p.m. at which time the Chairman opened the hearing.

At that time, the Chairman reported in open session that Protestant was not present; that attempts were made by staff after 1:00 p.m. to contact Mr.

Wiebel at two separate telephone numbers he provided and that Protestant had not called the Board's office to advise of any problems.

Counsel for the Respondent informed the Board that Respondent was ready to formally respond to the grounds set forth in Protestant's written protest dated May 21, 2003. He advised the Board that Respondent was prepared to show the Board that in his opinion Protestant's claims were without merit and the same would not in any event be a basis for the Board to overturn the Special Election held on May 20, 2003. In view of Protestant's failure to appear, counsel recommended that the Board dismiss the protest for failure to prosecute.

One of the members of the Board then moved to dismiss the Protestant's protest for failure to appear and prosecute his protest. The motion was properly seconded. The motion passed unanimously. The protest is hereby DISMISSED.
