

General Guidelines For Univision Properties

Guidelines For All Third Parties

- ❖ The following guidelines must be adhered to on Univision properties:
- ❖ All pixels, cookies, scripts or other tracking technology must be disclosed and pre-approved prior to running.
- ❖ Any collection of Personally Identifiable Information (PII), browsing history, or other information that can be “tied back” to PII are strictly prohibited.
- ❖ If permission is granted, the use of mechanisms that store or retrieve data on Univision.com must comply with the Privacy Policy.
- ❖ Per Univision's Policy, we do not accept blocking tags.
- ❖ Univision does not allow the passing of users IP address

Cookies

- ❖ If permission is granted, the domain owner of the cookie must supply Univision with a link to the end-user Privacy Policy.
- ❖ This Privacy Policy must contain clear instructions on the process to opt out of the domain owner’s services controlled by that cookie (files that are stored on user’s computers and identify that computer).
- ❖ No cookie may be used for the purposes of retargeting, behavioral remarketing, or targeting any advertisements, segment categorization or any form of syndication related to Univision, its content, or its users without prior written approval as described above.
- ❖ All applications of interest-based advertising must be fully OBA compliant, displaying all required notifications and opt-out mechanisms. All cookies must contain a functioning expiration date and expire less than 120 days from the time the cookie is set.

Unless otherwise specified in the contract and insertion order:

- ❖ Data collected may not be re-sold, re-used, or re-distributed in any form, including as part of aggregated or anonymized data sets, to any other party.
- ❖ Data collected may not be used for retargeting messages to users on other websites.
- ❖ Third parties may not capture data for subsequent ad segmentation or cookie pools.

Additionally, advertisers that use a remarketing or data collection pixel must follow all applicable privacy/data laws and industry accepted best practices including, but not limited to, the following:

- ❖ Publish a privacy policy on your website that includes a clear and appropriate description of how your advertising pixels may be used.
- ❖ Display a message with your advertising that indicates how third-parties may place and use pixels to show interest-based ads to your visitors on sites across the Internet (e.g. AdChoices).
- ❖ Ads collecting or utilizing remarketing or data collection pixels must be fully OBA compliant and provide opt-outs on all advertising units associated with this campaign.
- ❖ Not pass any personally identifiable information (PII) about users including but not limited to, names, email addresses, physical location, mailing address, device ID, telephone numbers, financial status or information, health status or information.
- ❖ Not use any pixels to collect or solicit information from children under age 13.
- ❖ Limit audience exposure for off-site re-targeting messages to a maximum of 1x/day, 3x/week, 7x/lifetime.
- ❖ Not re-target users on any sites that display or promote hate speech, adult content, illegal activity, drug use, or violence.

Univision Data Policy:

All data generated by/or collected from Univision and its users while visiting the Univision site or network of sites is the property of Univision Communications Inc. No party unaffiliated with Univision may collect or use, or direct, authorize or assist other persons or entities to collect or use, any data from a user, or a computer or device operated by a user, while visiting the Univision site or network of sites without the prior express written permission of Univision. For example, no data may be collected, used or transferred for purposes of retargeting, behavioral remarketing, or targeting any advertisements, segment categorization or any form of syndication which is related to Univision, its content, or its users without the prior express written permission of Univision in each instance.

General Guidelines

- ❖ Programmatic ads may not deliver to any high impact opportunity.
- ❖ High impact opportunities are reserved
- ❖ All tags must be received 7 business days prior to the start date for a guaranteed, on time launch (not applicable to uncertified 3rd party partners).
- ❖ All creatives for Univision built executions must be received 5 business days prior to the start date for a guaranteed, on time launch including client's approval (depend on client's approval time frame).
- ❖ You MUST notify us, if you plan to use a 4th party tag to track a 3rd party served creative.
- ❖ All frequency caps will be managed by Univision.
- ❖ Only 5 Tracking Vendors allowed per creative.
- ❖ Unapproved 3rd-party vendors, will have to go through the Certification Process before creative can be set live.
- ❖ All wrapped VAST tags need to be tested prior to launch
- ❖ Max of 5 individual creatives in rotation at one time, unless otherwise specified for a particular placement
