

In the 2016 *Radboud Prestige Lectures*, published in this volume, Jörg Frey develops a new perspective on 2 Peter by arguing that the letter is dependent on the *Apocalypse of Peter*. Frey argues that reading 2 Peter against the backdrop of the *Apocalypse of Peter* sheds new light on many longstanding interpretative questions and offers fresh insights into the history of second-century Christianity. Frey's lectures are followed by responses from leading scholars in the field, who discuss Frey's proposal in ways both critical and constructive.
