

In *Israel in Egypt* scholars in different fields explore what can be known of the experiences of the many and varied Jewish communities in Egypt, from biblical sources to the medieval world. For generations of Jews from antiquity to the medieval period, the land of Egypt represented both a place of danger to their communal religious identity and also a haven with opportunities for prosperity and growth. A volume of collected essays from scholars in fields ranging from biblical studies and classics to papyrology and archaeology, *Israel in Egypt* explores what can be known of the experiences of the many and varied Jewish communities in Egypt, from biblical sources to the medieval world.

ANCIENT JUDAISM AND EARLY CHRISTIANITY 110

ALISON SALVESEN (DPhil Oxford 1988) is Professor of Early Judaism and Christianity at the Oriental Institute, University of Oxford, and Polonsky Fellow at the Oxford Centre for Hebrew and Jewish Studies. Her main research interests lie in early biblical translation and interpretation.

SARAH PEARCE (DPhil Oxford 1995) is Ian Kartern Professor of Jewish Studies at the University of Southampton. Her research interests lie in the history and literature of Jews in the Graeco-Roman world, with a particular focus on the works of Philo of Alexandria.

MIRIAM FRENKEL (PhD Hebrew University of Jerusalem 2001) is Menahem Ben-Sasson Professor of Jewish history at the University of Jerusalem. Her main research interests lie in Jewish medieval history and culture in the lands of Islam and in Geniza studies.
