|  |           |
|--|-----------|
| <b>Introduction</b> .....  | <b>1</b>  |
| <i>Nenad N. Tasić, Dushka Urem-Kotsou &amp; Marcel Burić</i>   |           |
| <b>1. Narratives of Space and Contemporary Archaeological Theory</b> .....   | <b>7</b>  |
| <i>Kostas Kotsakis</i>   |           |
| Introduction .....   | 7         |
| Cultural history and processualism.....  | 7         |
| Postprocessualism.....   | 8         |
| Phenomenology and meta-postprocessualism .....   | 9         |
| Theory in practice .....   | 11        |
| Epilogue.....  | 11        |
| <b>2. Timelines in the Neolithic of Southwestern Anatolia, the Circum-Aegean, the Balkans and the Middle Danube Area</b> ..... | <b>17</b> |
| <i>Agathe Reingruber</i>   |           |
| Introduction .....   | 17        |
| General remarks regarding the quality of the dates.....  | 18        |
| Timeline 1: 6600–6400 calBC.....   | 18        |
| Case A: Mediterranean and southwestern Anatolia.....   | 18        |
| Case B: The circum-Aegean.....   | 20        |
| Case C: The northeastern Aegean and the Marmara region .....   | 22        |
| Timeline 2: 6200–6000 calBC.....   | 23        |
| Case A: The northwestern and the northeastern Aegean .....   | 23        |
| Case B: The central and eastern Balkans.....   | 24        |
| Timeline 3: 5500–5300 calBC.....   | 25        |
| Case A: The middle and lower Danube river.....   | 25        |
| Conclusions .....  | 27        |
| <b>3. By the Rivers They Settled: Settlement Patterns and the Neolithic Landscape in Albania</b> .....                         | <b>33</b> |
| <i>Gazmend Elezi</i>   |           |
| <b>4. Transformations of Settlement Space at Neolithic Avgi, NW Greece</b> .....   | <b>43</b> |
| <i>Georgia Stratouli &amp; Dimitris Kloukinas</i>  |           |
| Introduction .....   | 43        |
| The Neolithic settlement of Avgi.....  | 44        |
| Settlement space through time: A short overview .....  | 44        |
| Avgi I (ca. 5700–5200/5100 calBC).....   | 44        |
| Avgi II (ca. 5200/5100–4900 calBC).....  | 47        |
| Avgi III (ca. 4900–4500/4300 calBC) .....  | 47        |
| Approaching spatial transformation .....   | 49        |
| Discussion.....  | 51        |
| <b>5. Outside the Residential Place at the Neolithic Settlement of Toumba Kremastis Koiladas, Northern Greece</b> .....        | <b>53</b> |
| <i>Areti Chondroyianni-Metoki</i>  |           |
| Introduction .....   | 53        |
| The site .....   | 53        |
| The finds .....  | 54        |
| The pits .....   | 54        |
| The ditches.....   | 56        |

|   |            |
|---|------------|
| Burials.....  | 56         |
| Cremations.....   | 56         |
| Inhumations.....  | 57         |
| Scattered human bones.....  | 57         |
| Conclusions.....  | 57         |
| <b>6. Identifying Ritual at Late Neolithic Toumba Kremastis Koiladas: Ceramic Assemblages of Representative Contexts.....</b> | <b>73</b>  |
| <i>Teresa Silva, Marianna Lymperaki, Areti Chondroyianni-Metoki &amp; Dushka Urem-Kotsou</i>                                  |            |
| Introduction.....   | 73         |
| Ritual.....   | 74         |
| The settlement of Toumba Kremastis Koiladas.....  | 75         |
| Selected contexts.....  | 75         |
| Cremation 7.....  | 76         |
| Pit 4.....  | 76         |
| Pit 314.....  | 80         |
| Pits 175, 176, and 177.....   | 82         |
| Conclusions.....  | 84         |
| <b>7. Settling Neolithic Central Macedonia, Northern Greece.....</b>  | <b>87</b>  |
| <i>Dushka Urem-Kotsou &amp; Stavros Kotsos</i>  |            |
| Introduction.....   | 87         |
| Settlements and landscape.....  | 88         |
| Settlement types.....   | 89         |
| The architecture.....   | 89         |
| Burials.....  | 91         |
| Neolithic food and spatial organisation of the settlements.....   | 93         |
| Networking in central Macedonia.....  | 94         |
| Concluding remarks.....   | 95         |
| <b>8. Settlements and Landscape in the Neolithic of the Southern and Central Balkans.....</b>                                 | <b>105</b> |
| <i>Stavros Kotsos</i>   |            |
| Introduction.....   | 105        |
| Geographical distribution of settlements in the Axios and Morava regions.....   | 105        |
| Settlement location and the wider landscape.....  | 106        |
| Settlements and their local environmental setting.....  | 107        |
| Intra-site organisation and architecture of Early and Middle Neolithic settlements.....                                       | 108        |
| Intra-site organisation and architecture of Late Neolithic settlements.....   | 109        |
| Discussion.....   | 110        |
| Concluding remarks.....   | 112        |
| <b>9. Pelagonian Tells and Pile Dwellings of Lake Ohrid.....</b>  | <b>123</b> |
| <i>Goce Naumov</i>  |            |
| Introduction.....   | 123        |
| Tells of Pelagonia.....   | 123        |
| Pile dwellings of Lake Ohrid.....   | 125        |
| Continuity and networks: In conclusion.....   | 127        |
| <b>10. The Neolithic and Post-Neolithic Settlement Mounds of Western Serbia.....</b>  | <b>141</b> |
| <i>Boban Tripković</i>  |            |
| The Mačva district of Western Serbia: An overview of geography and prehistory.....  | 141        |
| The small settlement mounds of Western Serbia: Previous research.....   | 142        |
| The current project.....  | 143        |
| Conclusions.....  | 145        |
| <b>11. Vinča-Belo Brdo Settlement Size.....</b>   | <b>149</b> |
| <i>Kristina Penezić</i>   |            |
| Introduction.....   | 149        |

|   |            |
|---|------------|
| Vinča-Belo brdo settlement size .....   | 150        |
| In place of a conclusion .....  | 154        |
| <b>12. Use of Space in a Late Neolithic/Early Eneolithic Building at the Site of Vinča-Belo Brdo in the Central Balkans .....</b>   | <b>157</b> |
| <i>Ksenija Borojević* (corresponding author), Dragana Antonović, Jasna Vuković, Vesna Dimitrijević, Dragana Filipović, Miroslav Marić, Kristina Penezić, Boban Tripković, Vera Bogosavljević Petrović &amp; Nenad Tasić</i> |            |
| Introduction .....  | 158        |
| Late Neolithic buildings at Vinča-Belo brdo .....   | 158        |
| Building 01/06 .....  | 159        |
| Contents of Room 1 (north room) .....   | 159        |
| Contents of Room 2 (central room) .....   | 160        |
| Contents of Room 3 (south room) .....   | 162        |
| Absolute dating of Building 01/06 .....   | 164        |
| The use of space in Building 01/06 .....  | 165        |
| Room 1 .....  | 165        |
| Room 2 .....  | 165        |
| Room 3 .....  | 166        |
| Rooms 2 and 3 .....   | 166        |
| Houses of the late Vinča culture .....  | 167        |
| Conclusion .....  | 168        |
| <b>13. The Neolithic Settlement at Drenovac, Serbia: Settlement History and Spatial Organisation .....</b>  | <b>181</b> |
| <i>Slaviša Perić, Olga Bajčev, Ivana Stojanović &amp; Đurđa Obradović</i>   |            |
| Introduction .....  | 181        |
| The site .....  | 181        |
| Form of the site and formation processes .....  | 183        |
| Site size .....   | 183        |
| Early Neolithic settlement .....  | 183        |
| Late Neolithic settlement .....   | 184        |
| Early Vinča phase .....   | 184        |
| Late Vinča phase .....  | 184        |
| Settlement size and layout .....  | 184        |
| Internal organisation of the settlement .....   | 185        |
| Late Vinča houses .....   | 185        |
| Conclusion .....  | 186        |
| <b>14. Neolithic Settlements in the Central Balkans between 6200 and 5300 calBC: Issues of Duration and Continuity of Occupation .....</b>  | <b>191</b> |
| <i>Sofija Stefanović, Marko Porčić, Tamara Blagojević &amp; Jelena Jovanović</i>  |            |
| Introduction .....  | 191        |
| Jaričiste .....   | 192        |
| Topole-Bač .....  | 193        |
| Dynamics of the Early Neolithic settlements in the central Balkans .....  | 195        |
| Conclusions .....   | 196        |
| <b>15. Off-settlement Ritual Practices in the Neolithic: Pit-Digging and Structured Deposition at Sarnevo in Bulgarian Thrace .....</b>   | <b>201</b> |
| <i>Krum Bacvarov &amp; John Gorczyk</i>   |            |
| Introduction .....  | 201        |
| The archaeological site of Sarnevo in Upper Thrace .....  | 201        |
| Relative and absolute chronology .....  | 202        |
| Feature types .....   | 202        |
| Deposits .....  | 203        |
| Composition of deposits .....   | 203        |
| Deliberate fragmentation, selectivity and diversity in the combination of items .....   | 203        |
| Clay plastering/sealing .....   | 204        |

|   |            |
|---|------------|
| Firing/burning .....  | 204        |
| Sealing with burnt house debris.....  | 204        |
| Structured deposition at Sarnevo.....   | 204        |
| Conclusion: The Late Neolithic 'ritual package'.....  | 205        |
| <b>16. Contextualising the Neolithic House: A View from Aşağı Pınar in Eastern Thrace.....</b>              | <b>211</b> |
| <i>Eylem Özdoğan &amp; Heiner Schwarzberg</i>   |            |
| Introduction .....  | 211        |
| Aşağı Pınar .....   | 212        |
| Architectural features of the site.....   | 213        |
