DE SEPTUAGINTA INVESTIGATIONES

VOLUME 16

The intertwined and prolific relation between the Greek and the Coptic Old Testament is now aptly reflected also in the joint ventures of the Göttingen Academy of Sciences and Humanities. This volume provides a selection of papers that deal with the Göttingen editions of the Septuagint, the Hexapla, and recensions of the Septuagint.

Contributors are: A. Aejmelaeus, F. Albrecht, F. Feder, P. Gentry, R. Hiebert, P. Huotari, B. Kantor, J. Meade, D. Olariu, P. Torijano, and J. Treballe.
