I From research to implications	1
Diverse literacies for a superdiverse era	2
The Framework of Digital Literacies 3.0	5
<i>Box I.1 What hardware, software and connectivity do we need?</i>	6
First focus: Communicating	11
Print literacy	12
Texting (and reconstructive) literacy	13
<i>Box I.2 What happened to our digital natives?</i>	14
Hypertext literacy	16
Multimodal literacy	16
<i>Box I.3 Do social media belong in our classrooms?</i>	18
Immersive (and gaming/XR) literacy	20
Spatial literacy	21
Mobile literacy	22
<i>Box I.4 Does the digital divide still matter?</i>	22
Code (and technological/AI) literacy	25
Second focus: Informing	27
Tagging (and hashtag) literacy	27
Search literacy	29
<i>Box I.5 Can we trust Wikipedia?</i>	30

Filtering literacy	31
Information (and data) literacy	32
<i>Box I.6 How should we deal with fake news?</i>	32
Third focus: Collaborating	36
Personal (and security) literacy	36
<i>Box I.7 How can we protect our students (and ourselves) online?</i>	37
Network literacy	39
<i>Box I.8 Why do our students need personal learning networks?</i>	39
Participatory literacy	41
<i>Box I.9 How much should we worry about censorship and surveillance?</i>	42
Intercultural literacy	45
Ethical literacy	47
Fourth focus: (Re)designing	48
Attentional literacy	49
<i>Box I.10 Does multitasking work?</i>	50
Critical (and critical mobile/material/philosophical/academic) literacy	51
<i>Box I.11 What do digital technologies mean for people and the planet?</i>	53
Remix literacy	55
<i>Box I.12 How do we deal with copyright and plagiarism?</i>	57
Looking ahead	58
Further reading	59
II From implications to application	60
<i>Box II.1 Will digital technologies improve our students' learning?</i>	60
<i>Box II.2 What if we have to teach language classes fully online?</i>	62
The TPACK framework for integrating technology use	64
<i>Box II.3 Who's afraid of teaching with edtech?</i>	65
The SAMR model for improving technology use	67
The T3 framework for extending technology use	68
Design justice	70
The Digital Activities Grid	72
The Digital Tools Grid	84
The Digital Risks Grid	84
45 Activities	92

<i>Activity 1. Technology past and present</i>	93
<i>Activity 2. Becoming digitally literate</i>	97
<i>Activity 3. Writing the news</i>	100
<i>Activity 4. Extreme weather</i>	103
<i>Activity 5. Cryptic messages</i>	110
<i>Activity 6. Sports linking</i>	114
<i>Activity 7. Building links</i>	119
<i>Activity 8. Food boards</i>	121
<i>Activity 9. Copycat</i>	124
<i>Activity 10. Envisioning the facts</i>	128
<i>Activity 11. Sales techniques</i>	131
<i>Activity 12. Showcasing hobbies</i>	135
<i>Activity 13. Selling English</i>	138
<i>Activity 14. Avatars</i>	141
<i>Activity 15. Peeling back history</i>	145
<i>Activity 16. Spaced out</i>	149
<i>Activity 17. A picture a day</i>	152
<i>Activity 18. Mobile rules</i>	155
<i>Activity 19. This is us</i>	159
<i>Activity 20. Living on the edge</i>	163
<i>Activity 21. My digital assistant</i>	166
<i>Activity 22. Travel clouds</i>	170
<i>Activity 23. Hashtag activism</i>	173
<i>Activity 24. Search race</i>	176
<i>Activity 25. Search me</i>	182
<i>Activity 26. News in my networks</i>	187
<i>Activity 27. Digital social circles</i>	191
<i>Activity 28. Tree octopus</i>	195
<i>Activity 29. Fun facts</i>	200
<i>Activity 30. Faking it</i>	203
<i>Activity 31. Tracking personal wellness</i>	208
<i>Activity 32. Footprints in the wires</i>	213
<i>Activity 33. Setting the scene</i>	215
<i>Activity 34. Going viral</i>	219
<i>Activity 35. A class PLN</i>	223
<i>Activity 36. Our city guide</i>	226
<i>Activity 37. Pictorial vocab bank</i>	230
<i>Activity 38. Questioning stereotypes</i>	233
<i>Activity 39. Sign me up</i>	237
<i>Activity 40. Turn off, tune out</i>	242
<i>Activity 41. Ever mindful</i>	245

<i>Activity 42. An ethical phone?</i>	250
<i>Activity 43. Our digital planet</i>	253
<i>Activity 44. Keep calm and carry on learning English</i>	258
<i>Activity 45. Said no student ever</i>	262
Future learning	265
III From application to implementation	266
Incorporating activities into the syllabus	266
The coursebook-driven approach	269
The topic-driven approach	271
The digital literacies-driven approach	271
Choosing activities for different levels and contexts	272
Students' linguistic competence	273
Students' technological competence	274
Teachers' technological competence	275
Overall complexity	276
Contexts	276
Teaching in technology-limited environments	279
Assessing digital work	280
A digital assessment matrix	281
Assessing through e-portfolios	282
IV From implementation to research	285
Conducting and sharing action research and design-based research	285
Building and maintaining personal learning networks	287
Choosing platforms for personal learning networks	289
Twitter	289
Facebook	290
Other social media	290
Blogs	290
Working across platforms	291
Further reading	292
References	293
Activity Keys	316
