## Introduction 1

1.1 The Cluniac Order, the English priories and St Saviour Bermondsey: introduction and background . . . . .	1
1.2 A note on the documentary and graphic sources . . . . .	3
1.3 Circumstances of excavation . . . . .	4
The study area . . . . .	4
History of archaeological investigations in the study area before the 1950s . . . . .	4
Archaeological investigations in the study area since the 1950s . . . . .	5
1.4 Organisation of this report . . . . .	7
1.5 Textual and graphical conventions used in this report . . . . .	8

## Pre-priory land use: prehistoric to Late Saxon 2

2.1 Topography and geology . . . . .	10
2.2 Prehistoric background . . . . .	10
2.3 Roman activity . . . . .	11
2.4 Middle Saxon settlement, <i>c</i> AD 650–850 (period M1) . . . . .	12
Documentary evidence . . . . .	12
Archaeological evidence . . . . .	12
Discussion . . . . .	13
2.5 Late Saxon settlement, <i>c</i> AD 850–1050 (period M2) . . . . .	14
Documentary evidence . . . . .	14
Archaeological evidence . . . . .	14
Discussion . . . . .	16

## The priory and (later) abbey of Bermondsey 3

3.1 Foundation and earliest buildings: the priory <i>c</i> 1050– <i>c</i> 1100 (period M3) . . . . .	18
Documentary evidence . . . . .	18
Archaeological evidence . . . . .	19
Discussion . . . . .	22
3.2 Church and cloister: the priory <i>c</i> 1100–50 (period M4) . . . . .	24
Documentary evidence . . . . .	24
Archaeological evidence . . . . .	24
Discussion . . . . .	35

	3.3	Further expansion of the conventual buildings: the priory c 1150–c 1200 (period M5) . . . . .	38
		Documentary evidence . . . . .	38
		Archaeological evidence . . . . .	38
		Discussion . . . . .	50
	3.4	Modifications to the domestic conventual buildings: the priory c 1200–50 (period M6) . . . . .	54
		Documentary evidence . . . . .	54
		Archaeological evidence . . . . .	55
		Discussion . . . . .	61
	3.5	Changes around the infirmary courtyard: the priory c 1250–c 1330 (period M7) . . . . .	62
		Documentary evidence . . . . .	62
		Archaeological evidence . . . . .	66
		Discussion . . . . .	72
	3.6	Remodelling of the conventual buildings and cloisters: the priory and abbey c 1330–c 1430 (period M8) . . . . .	73
		Documentary evidence . . . . .	73
		Archaeological evidence . . . . .	78
		Discussion . . . . .	85
	3.7	Change and dissolution: the abbey c 1430–1538 (period M9) . . . . .	88
		Documentary evidence . . . . .	88
		Archaeological evidence . . . . .	90
		Discussion . . . . .	96
<b>Aspects of the medieval priory and abbey</b>	<b>4</b>	<b>4.1</b> The foundation and setting of St Saviour Bermondsey . . . . .	<b>98</b>
		The foundation . . . . .	98
		Topography and early landscape . . . . .	99
	<b>4.2</b>	<b>The plan, architecture and development of the monastery . . . . .</b>	<b>100</b>
		The nature of the evidence . . . . .	100
		The 12th-century priory church . . . . .	100
		The 14th-century priory church . . . . .	111
		The cloister . . . . .	112
		The reredorter, infirmary complex and other domestic buildings . . . . .	113
		Interior decoration of the monastic buildings: glazing and tiling . . . . .	115
		The precinct and home grange . . . . .	116
		Water supply and sanitation . . . . .	126

**CONTENTS**

**After the Dissolution: the development of  
Bermondsey House, 1538–c 1650 (period P1)**

**Conclusions**

**Specialist appendices**

4.3 The people and life of the monastery . . . . . 128

The inhabitants: lay people . . . . . 128

Demography and health of the burial population . . 130

Burial practice and burial location . . . . . 132

Diet and food preparation . . . . . 135

Material culture and the religious life . . . . . 138

Specialist craftspeople and industrial activity in  
the precinct . . . . . 145

4.4 The monastery in its wider context . . . . . 148

The monastic economy . . . . . 148

St Saviour Bermondsey as a London monastery . . . 149

St Saviour Bermondsey as pilgrimage centre . . . . 151

The role of St Saviour Bermondsey within the  
Cluniac Order and relations with other religious . . 151

5 5.1 Documentary and graphic evidence . . . . . 153

Tenants and owners of the site . . . . . 153

The construction of Pope's mansion . . . . . 154

5.2 Archaeological evidence . . . . . 156

Monastic buildings completely or largely  
demolished . . . . . 157

Elements of the former monastery partly or  
wholly retained and adapted . . . . . 162

5.3 Discussion . . . . . 164

6 6.1 Attainment of research aims and conclusions . . . . 168

6.2 Further research questions . . . . . 170

7 7.1 Buckler plans . . . . . 172

Catalogue of maps, plans and measured drawings  
of monastic structures . . . . . 174

7.2 Architectural fragments . . . . . 184

Introduction: the assemblage . . . . . 184

Methodology . . . . . 185

Construction phase 1, c 1140–90 (periods M4  
and M5): masons' marks . . . . . 187

Construction phase 1, c 1140–90 (periods M4  
and M5): important stone groups from the  
12th-century priory church (B3) . . . . . 188

Construction phase 2, c 1190–c 1220 (periods M5  
and M6) . . . . . 194

Construction phase 3, c 1220–60 (periods M6  
and beginning of M7) . . . . . 195

	Construction phase 4, <i>c</i> 1260– <i>c</i> 1300 (period M7) . . .	196
	Construction phase 5, <i>c</i> 1340– <i>c</i> 1410 (period M8) . . .	197
7.3	The patterning in the brick garden walls . . . . .	199
7.4	The building materials . . . . .	201
	Methodology . . . . .	201
	Stone building material . . . . .	202
	Medieval ceramic building material . . . . .	203
	Tin-glazed tiles . . . . .	210
	Roofing tile . . . . .	211
	Brick . . . . .	213
	Uncertain tile type . . . . .	213
	Medieval painted wall plaster . . . . .	214
7.5	The pottery . . . . .	214
	Introduction and methodology . . . . .	214
	Period M4, <i>c</i> 1100–50 . . . . .	215
	Period M5, <i>c</i> 1150– <i>c</i> 1200 . . . . .	217
	Period M6, <i>c</i> 1200–50 . . . . .	219
	Period M7, <i>c</i> 1250– <i>c</i> 1330 . . . . .	219
	Period M8, <i>c</i> 1330– <i>c</i> 1430 . . . . .	222
	Period M9, <i>c</i> 1430–1538 . . . . .	224
	Period P1, 1538– <i>c</i> 1650 . . . . .	231
7.6	The window glass . . . . .	237
	Introduction . . . . .	237
	The context and character of the catalogued window glass . . . . .	237
	Catalogue of the illustrated window glass . . . . .	241
	Scientific analysis of selected pieces . . . . .	242
7.7	The accessioned finds . . . . .	242
	Pre-monastic house period . . . . .	243
	Monastic house period . . . . .	245
	Dissolution and later period . . . . .	259
7.8	Animal bone . . . . .	260
	Methodology . . . . .	260
	Distribution of the material . . . . .	261
	Period M2, <i>c</i> AD 850–1050 . . . . .	261
	Period M4, <i>c</i> 1100–50 . . . . .	262
	Period M5, <i>c</i> 1150– <i>c</i> 1200 . . . . .	263
	Period M6, <i>c</i> 1200–50 . . . . .	263
	Period M7, <i>c</i> 1250– <i>c</i> 1330 . . . . .	263
	Period M9, <i>c</i> 1430–1538 . . . . .	263
	Period P1, 1538– <i>c</i> 1650 . . . . .	263
7.9	Human remains . . . . .	263
	Introduction . . . . .	263

The sample . . . . .	264
Methods of analysis . . . . .	264
Human variation . . . . .	264
Non-metric variation . . . . .	266
Pathology . . . . .	267
Joint disease . . . . .	269
Infectious disease . . . . .	269
Circulatory disorders . . . . .	270
Diffuse idiopathic skeletal hyperostosis . . . . .	271
Metabolic disease . . . . .	271
Congenital and developmental disorders . . . . .	271
Neoplastic disease . . . . .	272
Dental disease . . . . .	273
Paget's disease . . . . .	274
Osteochondroses . . . . .	274
