## **PART ONE – *Getting Started***

### **CHAPTER 1 *The Research Practice* 3**

What Is Research? 3

Why Do Research? 5

*Making Research Real 1.1 – The Katrina Crime Wave That Wasn't* 6

Who Does Research? 7

What Are the Different Types of Research? 9

*Making Research Real 1.2 – The 'Application' of Pure Research* 11

*Making Research Real 1.3 – The 'Purification' of Applied Research* 11

Where Is Research Found? 12

*Making Research Real 1.4 – Meeting George Kelling* 13

How Is Research Used? 16

When Is Research Important? 17

Final Thoughts 18

Getting to the Point/Chapter Summary 19

Chapter Exercises 20

Chapter Review Questions 20

Research Application Exercises 22

**CHAPTER 2**    *The Research Process*    24

<i>Making Research Real 2.1 – The Closest Thing to Sherlock Holmes</i>	24
Objectives of the Research Process	25
Steps of the Research Process	26
Step 1: Ask a Research Question	27
Step 2: Conduct a Literature Review	28
Step 3: Refine the Research Question	31
<i>Making Research Real 2.2 – Becoming a Cop</i>	31
Step 4: Define the Concepts	32
<i>Making Research Real 2.3 – Conceptualizing Juvenile Crime</i>	33
Step 5: Create the Measures	33
<i>Making Research Real 2.4 – How Religious Are You?</i>	33
Step 6: Design a Method	34
<i>Making Research Real 2.5 – When it All Fell Down for Professor Brown</i>	35
Step 7: Collect the Data	35
<i>Making Research Real 2.6 – Professor Come Get Me!</i>	36
Step 8: Analyze the Data	37
<i>Making Research Real 2.7 – School Fight Experiment</i>	37
<i>Making Research Real 2.8 – Perceptions of School Safety</i>	37
Step 9: Interpret the Results	39
Step 10: Communicate the Findings	39
Final Thoughts	42
Getting to the Point/Chapter Summary	42
Chapter Exercises	44
Chapter Review Questions	44
Research Application Exercises	47

**CHAPTER 3**    *The Ethical Principles That Guide Researchers*    48

<i>Making Research Real 3.1 – Please Help Our Son!</i>	48
Principles of Ethical Research Practice	49
Principle 1: Do No Harm	49
<i>Making Research Real 3.2 – Who Knew?</i>	52
Principle 2: Ensure Privacy	53
Principle 3: Obtain Voluntary and Informed Consent	54

Principle 4: Get Permission	55
Principle 5: Avoid Sponsorship Bias and Suppression	56
<i>Making Research Real 3.3 – Daring D.A.R.E.</i>	57
<i>Making Research Real 3.4 – Liar, Liar, Pants on Fire</i>	57
Principle 6: Prevent Misrepresentation	58
<i>Making Research Real 3.5 – The MMR Vaccine/Autism Connection</i>	59
<i>Making Research Real 3.6 – It’s Really Not Safe in That Neighborhood</i>	60
Principle 7: Ensure the Safety of Researchers	61
<i>Making Research Real 3.7 – Harrowing Homelessness</i>	62
<i>Making Research Real 3.8 – How About NO!</i>	63
Minimizing Ethical Dilemmas	65
Legislation and Policy Oversight	65
Institutional Review Boards	66
Codes of Ethics	67
<i>Making Research Real 3.9 – Academy of Criminal Justice Sciences’ Code of Ethics</i>	67
Final Thoughts	69
Getting to the Point/Chapter Summary	70
Chapter Exercises	72
Chapter Review Questions	72
Research Application Exercises	75

## **PART TWO – *Learning Research Design Basics***

### **CHAPTER 4    *Classifying Research*    79**

Paradigms of Research	80
The Purpose of Research	81
The Time Dimension of Research	82
<i>Making Research Real 4.1 – What Makes Police Officers Happy?</i>	83
The Nature of Data	86
Method of Reasoning	87
<i>Making Research Real 4.2 – Deductive Reasoning</i>	88
<i>Making Research Real 4.3 – Inductive Reasoning</i>	88
Unit of Analysis	89
Final Thoughts	91

Getting to the Point/Chapter Summary 92

Chapter Exercises 93

Chapter Review Questions 93

Research Application Exercises 95

## **CHAPTER 5**    *Causality* 98

*Making Research Real 5.1 – What Exactly Is the Cause of Crime?* 98

Temporal Order 99

*Making Research Real 5.2 – But Is it Racial Profiling?* 100

*Making Research Real 5.3 – What (and When) Do Officers Know?* 100

Correlation 101

Lack of Plausible Alternative Explanations 104

*Making Research Real 5.4 – What Is the Cause of Truancy?* 104

*Making Research Real 5.5 – Using Prior Research to Eliminate Plausible Alternative Explanations* 106

The Question of Spuriousness 107

*Making Research Real 5.6 – Can it Really Be Too Hot to Swim?* 107

Final Thoughts 108

Getting to the Point/Chapter Summary 108

Chapter Exercises 109

Chapter Review Questions 109

Research Application Exercises 111

## **CHAPTER 6**    *Measurement* 113

*Making Research Real 6.1 – I Can't Measure It, But That Don't Mean It Ain't Real* 113

Conceptualization and Operationalization 114

*Making Research Real 6.2 – What Is an Adult?* 115

*Making Research Real 6.3 – Operationalizing Our Definitions of Adulthood* 116

Levels of Measurement 117

*Making Research Real 6.4 – Converting From a Higher to a Lower Level of Measurement* 119

*Making Research Real 6.5 – Trying to Convert From a Lower to a Higher Level of Measurement* 120

Validity and Reliability 121  
    *Making Research Real 6.6 – Are Searches an Accurate Measure of Racial Bias?* 122  
    *Making Research Real 6.7 – Testing the Personalities of Police Officer Applicants* 124  
Indexes, Scales, and Typologies 127  
    *Making Research Real 6.8 – How Crime-Ridden Is Your City?* 127  
    *Making Research Real 6.9 – Sorting Inmates by Behavioral Categories* 129  
Quantitative Versus Qualitative Measures 129  
    *Making Research Real 6.10 – A Framework for Understanding Poverty* 129  
Final Thoughts 130  
Getting to the Point/Chapter Summary 131  
Chapter Exercises 133  
    Chapter Review Questions 133  
    Research Application Exercises 136

**CHAPTER 7**    ***Variables and the Structure of Research*** 137

*Making Research Real 7.1 – Aggravated Assaults in the Midwest* 137  
Types of Variables 139  
    *Making Research Real 7.2 – An Intervention to Reduce Traffic Fatalities Caused by Intoxicated Drivers* 140  
Variable Attributes 142  
    *Making Research Real 7.3 – Learning About Religious Preferences, With a Little Help From Our Friends* 144  
Elements of a Good Research Question 145  
    *Making Research Real 7.4 – Measuring Jesus* 146  
Hypotheses in Social Research 147  
    *Making Research Real 7.5 – Can't We Just Agree on the Question?* 149  
    *Making Research Real 7.6 – Sherlock the Researcher* 151  
Final Thoughts 154  
Getting to the Point/Chapter Summary 155  
Chapter Exercises 156  
    Chapter Review Questions 156  
    Research Application Exercises 159

**CHAPTER 8    *Sampling*    160***Making Research Real 8.1 – Low Morale at the Jail*    160

Sampling Basics    162

Sample Bias and Precision    164

*Making Research Real 8.2 – How Safe Is Your Hamburger?*    165*Making Research Real 8.3 – It’s Just a Simple Telephone Survey*    166*Making Research Real 8.4 – Predicting the Outcome of the Public Safety Bond Election*    167

Probability Sampling Techniques    168

*Making Research Real 8.5 – A Survey of Probationers*    170*Making Research Real 8.6 – Measuring Binge Drinking*    172

Non-Probability Sampling Techniques    173

*Making Research Real 8.7 – What Is Life Like for an Undocumented Immigrant?*    175*Making Research Real 8.8 – The Prostitute Study*    176*Making Research Real 8.9 – What Happened to Sally May?*    178

Final Thoughts    179

Getting to the Point/Chapter Summary    179

Chapter Exercises    181

Chapter Review Questions    181

Research Application Exercises    183

**PART THREE – *Acquiring and Analysing Data*****CHAPTER 9    *Experimental Design Research Methods*    187***Making Research Real 9.1 – Would a Speed Trap Reduce Traffic Crash Fatalities?*    187

Experimental Design Research Basics    189

Types of Experimental Design Research Models    191

Threats to Internal Validity in Experiments    199

*Making Research Real 9.2 – So Much for Community Relations*    199*Making Research Real 9.3 – Measuring the Effect of Pornography*    200*Making Research Real 9.4 – Measuring the Effect of Video Games*    200*Making Research Real 9.5 – Self-Esteem Among Child Abuse Victims*    203

Threats to External Validity in Experiments    202

*Making Research Real 9.6 – Watching Out for Bullies*    203

The Benefits and Limitations of Experimental Research	204
The Experimental Research Process	206
<i>Developing the Method 9.1 – A Case Study in Experimental Research (The Minneapolis Domestic Violence Experiment)</i>	206
Ask a Research Question	207
<i>Developing the Method 9.2 – Asking a Research Question in Experimental Research</i>	208
Conduct a Literature Review	208
<i>Developing the Method 9.3 – Conducting a Literature Review in Experimental Research</i>	209
Refine the Research Question	210
<i>Developing the Method 9.4 – Refining the Research Question in Experimental Research</i>	211
Define the Concepts and Create the Measures	212
<i>Developing the Method 9.5 – Defining Concepts and Creating Measures in Experimental Research</i>	213
Design a Method	214
<i>Developing the Method 9.6 – Designing Experimental Research</i>	216
Collect the Data	218
<i>Developing the Method 9.7 – Collecting Data in Experimental Research</i>	219
Analyze the Data and Interpret the Results	221
<i>Developing the Method 9.8 – Analyzing and Interpreting Data from Experimental Research</i>	222
Communicate the Findings	223
<i>Developing the Method 9.9 – Communicating the Findings from Experimental Research</i>	224
Ask Another Research Question	225
<i>Developing the Method 9.10 – Asking Another Research Question in Experimental Research</i>	225
Final Thoughts	226
Getting to the Point/Chapter Summary	226
Chapter Exercises	229
Chapter Review Questions	229
Research Application Exercises	232

**CHAPTER 10 Survey/Interview Research Methods 233***Making Research Real 10.1 – Just Another Day at City Hall 233*

Survey Research Basics 234

Types of Surveys 235

The Benefits and Limitations of Survey Research 238

*Making Research Real 10.2 – Neighborhood Crime Survey 239**Making Research Real 10.3 – The Effect of Marriage on Criminal Behavior 240*

The Survey Research Process 242

*Developing the Method 10.1 – A Case Study in Survey Research  
(The Uniform Crime Reports and National Crime Victimization  
Survey) 242*

Ask a Research Question 243

*Developing the Method 10.2 – Asking a Research Question in Survey  
Research 244*

Conduct a Literature Review 244

*Developing the Method 10.3 – Conducting a Literature Review in Survey  
Research 245*

Refine the Research Question 246

*Developing the Method 10.4 – Refining the Research Question in Survey  
Research 246*

Define the Concepts and Create the Measures 246

*Developing the Method 10.5 – Defining Concepts and Creating Measures in Survey  
Research 247*

Design a Method 248

*Developing the Method 10.6 – Designing a Method in  
Survey Research 255*

Collect the Data 256

*Developing the Method 10.7 – Collecting Data in Survey Research 257*

Analyze the Data 257

*Developing the Method 10.8 – Analyzing Data in Survey Research 259*

Interpret the Results 260

*Developing the Method 10.9 – Interpreting the Results of Survey Research 260*

Communicate the Findings 261

*Developing the Method 10.10 – Communicating the  
Findings From Survey Research 262*

Final Thoughts 262

Getting to the Point/Chapter Summary	263
Chapter Exercises	265
Chapter Review Questions	265
Research Application Exercises	268

## **CHAPTER 11   *Non-Reactive Research Methods*   269**

<i>Making Research Real 11.1 – Who Buys Gasoline Here?</i>	269
Non-Reactive Research Methods Basics	271
Types of Non-Reactive Methods	272
<i>Making Research Real 11.2 – Field Research in Criminal Justice</i>	272
<i>Making Research Real 11.3 – Secondary Analysis in Criminal Justice</i>	273
<i>Making Research Real 11.4 – Content Analysis in Criminal Justice</i>	274
The Benefits and Limitations of Non-Reactive Research Methods	274
The Non-Reactive Research Process	276
<i>Developing the Method 11.1 – A Case Study in Non-Reactive Research (Economic Conditions and Ideologies of Crime in the Media: A Content Analysis of Crime News)</i>	276
Ask a Research Question	277
<i>Developing the Method 11.2 – Asking a Research Question in Non-Reactive Research</i>	277
Conduct a Literature Review	278
<i>Developing the Method 11.3 – Conducting a Literature Review in Non-Reactive Research</i>	278
Refine the Research Question	279
<i>Developing the Method 11.4 – Refining the Research Question in Non-Reactive Research</i>	279
Define the Concepts and Create the Measures	280
<i>Developing the Method 11.5 – Defining Concepts and Creating Measures in Non-Reactive Research</i>	281
Design a Method	282
<i>Developing the Method 11.6 – Designing a Method in Non-Reactive Research</i>	284
Collect the Data	284
<i>Developing the Method 11.7 – Collecting Data in Non-Reactive Research</i>	287
Analyze the Data	287
<i>Developing the Method 11.8 – Analyzing Data in Non-Reactive Research</i>	288

Interpret the Results 288

*Developing the Method 11.9 – Interpreting the Results in Non-Reactive Research* 289

Communicate the Findings 289

*Developing the Method 11.10 – Communicating the Results of Non-Reactive Research* 290

## CHAPTER 12 **Qualitative Research Methods** 296

*Making Research Real 12.1 – Learning From my Students* 296

Qualitative Research Basics 297

Types of Qualitative Methods 298

*Making Research Real 12.2 – What Is a Jack-Roller?* 298

*Making Research Real 12.3 – An Ethnography Does Not Have to Be ‘Ethnic’* 299

*Making Research Real 12.4 – What Bothers the Homicide Detectives?* 300

Benefits and Limitations of Qualitative Research 300

The Qualitative Research Process 302

*Developing the Method 12.1 – A Case Study in Qualitative Research (A Study of Crime and Place)* 302

Ask a Research Question 303

*Developing the Method 12.2 – Asking a Research Question in Qualitative Research* 304

Conduct a Literature Review 304

*Developing the Method 12.3 – Conducting a Literature Review in Qualitative Research* 305

Refine the Research Question 306

*Developing the Method 12.4 – Refining the Research Question in Qualitative Research* 306

Define the Concepts and Create the Measures 306

*Developing the Method 12.5 – Defining Concepts and Creating Measures in Qualitative Research* 307

Design a Method 307

	<i>Developing the Method 12.6 – Designing a Method in Qualitative Research</i>	310
Collect and Analyze the Data		310
	<i>Developing the Method 12.7 – Collecting and Analyzing Data in Qualitative Research</i>	312
Interpret the Results		312
	<i>Developing the Method 12.8 – Interpreting the Results in Qualitative Research</i>	313
Communicate the Findings		313
	<i>Developing the Method 12.9 – Communicating the Results from Qualitative Research</i>	314
