

“This handbook on James dissects the homiletic epistle at an intermediate level. Adam’s knowledge of Greek and clarity of explanation make this a useful companion to anyone who might wish to deepen their understanding of the language of the epistle of James.”

—**MARGARET AYMER**, *Associate Professor of New Testament, The Interdenominational Theological Center*

“A. K. M. Adam guides readers through the Greek text of James with genuine insight. He refuses to impose judgments regarding the epistle’s setting within early Christianity—a choice that renders this work all the more valuable.”

—**GREG CAREY**, *Professor of New Testament, Lancaster Theological Seminary*

“A rich and useful companion for students pressing toward mastery of Greek. Here they will discover a wise selection of comments regarding grammar, word usage, textual criticism, and theological interpretation, all delivered with tasteful economy.”

—**JOSEPH R. DONGELL**, *Professor of Biblical Studies, Asbury Theological Seminary*

---

This handbook highlights the linguistic, rhetorical, and stylistic features of James, utilizing the Greek text to lead discussion on many of the theological questions raised by the letter. Adam also shows how Jewish patterns of thought are found throughout the epistle. Students and teachers will find *James* a helpful tool in navigating this centuries-old piece of New Testament literature.

**A. K. M. Adam** is Lecturer in New Testament in the School of Critical Studies, University of Glasgow.
