

"Great achievements are born from the relentless pursuit of innovation and collaboration. At T-Hub, we are proud to have won the National Technology Award for Best Technology Business Incubator 2023. This award is a testament to the power of nurturing disruptive ideas and transforming them into thriving ventures. We believe that innovation knows no boundaries, and the unwavering passion of our vibrant startup ecosystem fuels our journey. This recognition acknowledges our dedication to fostering technological excellence and affirms our commitment to creating a sustainable future."

-Srinivas Rao Mahankali (MSR), CEO, T-Hub
