

“The triumphant journey of Chandrayaan-3 to the moon is a testament to the unwavering spirit of India's innovation ecosystem. This remarkable achievement reflects the boundless capabilities, tenacity, and ingenuity of our entrepreneurs & innovators. As we celebrate this cosmic milestone, let it serve as a luminous reminder that through collaboration and determination, even the sky is not the limit for the dreams we dare to chase.”

-Srinivas Rao Mahankali (MSR), CEO, T-Hub
