

"Embracing the spirit of innovation and entrepreneurship, the T-Innovation Summit, hosted by T-Hub, has become a beacon of progress in Telangana and beyond. We were thrilled to witness the second edition of this remarkable event, as it brought together the brightest minds, startups, and corporate giants, all united in their pursuit of pioneering solutions. Together, we can foster a culture of innovative thinking, empowering the growth of startups and promoting the spirit of collaboration to build a thriving ecosystem that nurtures ideas and propels India's startup landscape to greater heights."

-Srinivas Rao Mahankali (MSR), CEO, T-Hub
