#### ROUND 2 INTRODUCTION

#### Similarity to the 2024 Start

Last Saturday's start of the 2024 season had several similarities to 2023 but those results proved to be a long way off how the final ladder ended up in 2023 and the next sixteen weeks will be a fascinating watch to see if there are any new clubs who push themselves into the top four or even the bottom of the eight.

Springbank commenced last season very sluggishly losing two of their first three matches but still ended up on top of the ladder at the end of the season.

Coach Andrew Challis will be hoping it is not going to be a repeat this year following a 24 point loss to Rokewood Corindhap to get the season underway last week.

Poor accuracy from the Tigers allowed Rokewood Corindhap the opportunity to make the most of their chances, finishing with an impressive 16 goals eight behinds, compared to Springbank having an extra scoring shot.

The key difference appears to have been the impact in front of goal by returning key forward Caius Barrenger, who finished with seven goals.

Barrenger had a few seasons at Buninyong after playing juniors with Rokewood Corindhap where he had been a leading goal kicker.

He is going to be an excellent target for the strong mid field of Matthew Brehaut and Matthew Aikman and may free up Michael Lockyer to add to the midfield creativity playing as a high forward.

This week will be a really good chance to see if this great start by the Grasshoppers can be consolidated when they play Carngham Linton who are coming off a slightly unexpected loss to Learmonth.

In an open free flowing match Learmonth were able to set up a match winning lead in the first three quarters, built largely on a five goal unanswered burst during the second quarter and despite a last quarter surge when the Saints were able to take control of play, it proved to be too late

Carngham Linton appeared to still be struggling with one of last year's Achilles heels, they had a lack of height and Nick O'Brien was again forced into playing as a ruck option at times which took away from the drive which he could bring.

Initial thoughts are that the Grasshoppers and Saints will be a close match up and despite it being just round 2 it could have a significant impact on final ladder positions, with Carngham Linton definitely not wanting to start with two losses

Dunnstown and Springbank will each be trying to being about their first win of the season, neither will be wanting to have two losses against their name so early in the season.

The Towners have only added a few recruits to the team which has played in the past two finals series with Brad Whittacker and Pat Tuddenham from East Point and Austin Murphy formerly with Waubra.

There will be a definite target to finish in the top four after last year being bundled out by Skipton in the elimination final.

Both Dunnstown and Springbank tend to have a spread of goal kickers so it might be the team who is able to get control through the mid-field that will get a match winning advantage.

The Hepburn vs Daylesford clash always brings the two neighbouring towns to life with bragging rights continuing throughout the season.

Hepburn were a strong team last year with the leadership of Mitch Banner and Sean Tighe being a key for the Burras through the mid field and deep in the forward line. They topped off the experience of their many locals including Jordan Grant, Ned Johns, Zac Kupsch and Jimmy Wallesz who started the season well last week despite a heavy defeat at the hands of Bungaree.

New recruit Jack Blackburn, previously with Ballarat and Barwon Heads also had an impact in his first game in the league.

#### ROUND 2 INTRODUCTION

Daylesford have added many recruits and many locals previously playing with other clubs have returned which should make them a dangerous opponent throughout the year.

Veteran Michael Cummings showed that he still has the class to impact a game last week and Werribee Districts recruits Chris Molivas, Trent Lee and Cameron Lee all showed that they will be important contributors for the Bulldogs.

This will be a closer Spa Country derby than the past few.

Learmonth playing their first home game of the year, despite winning at home last week, showed that they should be too strong for Creswick.

Last weekend was a great celebration for the Wickers despite a loss to Ballan when they featured one of the clubs great players in Tim Rieniets who played his 400th club match. Tim has been an outstanding player for the club in both seniors and reserve grade over the past two decades.

Ballan will be opening their new clubrooms after being on the road for two seasons, and it will be a day to celebrate for the total community.

Unfortunately it is hard to see the Blues having any impact on Bungaree who were far too strong for Hepburn in round 1, on a day of celebrations for the Demon's when they opened their new oval, which is an outstanding surface that visiting clubs will be looking forward to the chance to play on.

It might prove to be a significant advantage for Bungaree throughout the year.

Beaufort were able to score a healthy nine goals against Daylesford but the were well outmatched so it will be a challenge for new sole coach Daniel Jones to see if this momentum can be maintained.

If it is it will be positive step forward for the Crows who found scoring goals a challenge last year.

Buninyong is still trying to determine what their form is after the unfortunate abandonment of their

match against Newlyn last week due to an injury to a Buninyong player.

It would appear that the Bombers are a better team than last season when they missed the finals, finishing ninth, and should be too strong for Beaufort, despite having a difficult start to the season with long term injuries already.

Newlyn appear to be a team which have recruited to a level which will add to their improving team that finished eighth last year.

Like Buninyong they are still trying to work out how they will match up against other clubs this year, but they will be much stronger than Waubra.

The Kangaroos had control of their match against Clunes at half time but then in an arm wrestle the Magpies took control of the game and recorded a good start their season.

Newlyn will be too strong for Waubra and can start their hoped progress towards a high finals finish.

After sitting out last week with the bye, Skipton will get underway when they travel to Clunes.

The Emus have continued to build their playing list as they retain most of their players from recent years and then have built with a handful of additional players who look likely to improve their team further.

After two early exits from finals they will be hoping to get this year underway with a dominant win over Clunes. However the Magpies have the chance to show that last week's win over Waubra was just the start of a strong showing this year.

#### SPECTATOR BEHAVIOUR CODE

- Encourage children to participate if they are interested. However, if a child is not willing do not force them.
- Focus upon the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing the emphasis on winning.
- Teach your child that honest effort is as important a victory so that the result of each game is accepted without undue disappointment.
- 4. Encourage your child always to play by the rules.
- Never ridicule or yell at your child for making a mistake or losing a competition.
- Remember your child should be involved in football for their enjoyment, not yours.
- Remember your child learns best by example.
   Applaud good play by both your team and by members of the opposing team.
- 8. If you disagree with an official or umpire raise the issue through the appropriate channels

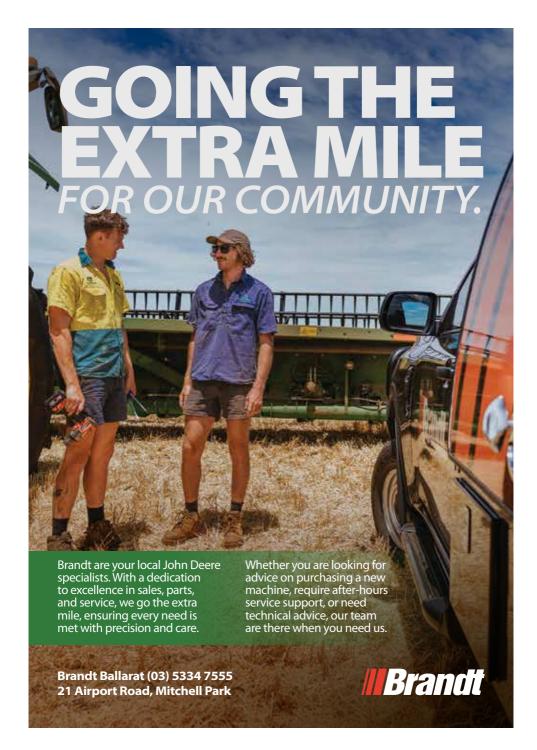

rather than questioning the official's judgement and honesty in public. Remember, most officials give their time and effort for your child's involvement.

- Support all efforts to remove verbal and physical abus from junior sporting activities.
- Recognise the value and importance of volunteer
   coaches. They give their time and resources
   to provide recreational activities for your child
  and deserve your support.
- Support your club officials in maintaining the highest standard of behaviour both on and off the field for the betterment of the league and

your family. Offer your assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.

 Avoid use of derogatory language based on gender or race.
